

addressed. At Balaklava Primary School every grievance is taken seriously and is resolved differently taking into account the relationships and circumstances of those involved. It is important that grievances are kept confidential. We encourage members of our school community to resolve any questions or concerns early. Where possible, the matter should be resolved before it becomes an issue.

Principles of our policy

- We strive to implement our school motto: **B**elieve **P**articipate **S**ucceed by working towards a mutually respectful and cohesive school community.
- Home-school partnerships are valued and share a common goal- doing the best for our students.
- The school appreciates that some concerns may be emotional or difficult for people to discuss however a mutually respectful, calm approach aimed at communication will result in the best outcomes. Meetings or discussions may be suspended if any person(s) behave in an insulting or offensive manner.
- Talk to the person who can assist in solving your concern- if you require help to do this, please contact the Principal, Deputy Principal, School Counsellor or Christian Pastoral Support Worker (CPSW).
- Parents **please do not enter** school classrooms about a serious grievance without prior arrangement. Issues are best resolved away from students and through staff members. It is inappropriate for you to approach students directly.
