**Balaklava Primary—music to our ears**

Balaklava Primary School (BPS) has a proud tradition of providing its students with a rich experience of music tuition, performance and entertainment. Specialist music teacher, Jessica Monck, provides a weekly lesson for all students allowing opportunities to read and compose music, play instruments, and sing. Technology is an important feature of the school's music program. Year 5-7 students have the opportunity to join the Balaklava Primary School's Festival of Music Choir. This rewarding experience requires unwavering commitment to learn the songs of the Festival Music program.

Performing at the Adelaide Entertainment Centre this year was the pinnacle of their hard work. The school's Festival of Music Choir has entertained the community at school assemblies, combined BCCC, BHS and BPS Reconciliation Day celebrations, CWA judging day, finale concert of the Balaklava Eisteddfod, Balaklava Show, BPS 140th birthday assembly, and Mill Court. This year, BPS was honoured to have two of its students selected to perform solos at the Festival of Music, who were also then invited to sing at the recording of the 2018 Festival of Music compilation CD. Balaklava Eisteddfod spurs many of the BPS students to perform in this highly acclaimed celebration of music. This year, BPS choir, vocal ensemble, instrumental ensemble and rock band, performed in the Eisteddfod. Many of the students entered privately in such categories as musical theatre and instrumental. Private instrumental music teachers and tutors, Meriel, Allan, Jason and Gary, provide tuition to some students in a variety of instruments. The annual visit of the Music is Fun Band provides a great opportunity to celebrate music with the wider community. The school hopes you can also join in its end of year celebration on Monday, December 11 from 5.30pm at the school.

Where possible, the school will try and accommodate families in regards to altering the bus routes in the areas covered.
