

Multiplication Bingo

A Game for up to 30 Players

Equipment:

- 30 Large Yellow or Green or Blue X-Bingo cards
- Small Yellow or Green or Blue question cards
- Square counter pieces to cover squares on X-Bingo cards

Aim of the Game:

To be the first person to cover all the numbers on your sheet.

Instructions:

1. Decide whether to play with the Yellow, Green or Blue X-Bingo set.
Yellow – Easier Questions – up to 6×6
Green – Medium Questions – up to 12×6
Blue – Harder Questions – up to 12×12
2. Place the small question cards face down in a neat pile.
3. Each player takes a large X-Bingo card and 8 square counter pieces.
4. Each player will take it in turns to pick up a small question card and read out the question.
5. If any player has the answer to the question on their X-Bingo card, they cover that answer with a square counter.
6. The first person to cover all answers on their card and yell out BINGO wins.
