ASSEMBLY

Week 10 Assembly will be held at 1:30pm

From the Principal

Festival of Music

I was extremely fortunate to have the opportunity to watch our Choir students perform at the Festival of Music last week as well as Alex host the Festival of Music concert last night. Both the Choir students and Alex worked extremely hard in the lead up to these massive events. Congratulations on your grit, determination, persistence and hard work. It most definitely paid off. You all did yourselves and your school proud. Well done.

Disco / School Closure

In the past, we have had feedback about the late night that students have after attending the disco and how that puts a lot of pressure on our students who live a long way out of Balaklava and who need to be on the bus as early as 7:20am. We listened to your feedback and thus the Disco is on the night before the School Closure day.

Rolling Stoppages

BPS will not be involved in the rolling school stoppage next Thursday afternoon. School will remain open as normal.

Early Dismissal

A Community Assembly will be held next Friday afternoon at 1:30pm followed by dismissal at 2:10pm. I hope you all have a wonderful holiday break. We look forward to seeing the students return for Term 4 on October 14th.

Balaklava Show

Our classes have been working on their class Show display, these will be located in and around the Sports Club complex.

Don't forget to check them out.

School Expectations

Recently staff introduced our new BPS At School Expectations poster to the students (please see following page). This has been a culmination of approximately 12 months work. A whole school assembly was held where I explicitly discussed what we expect of students and staff when they are at BPS. Each class then took a copy for staff to further reinforce with the children.

If a child is removed from class (sent to the Office or Rethink) because they are not following these expectations they work with an adult to identify which BPS expectation they have not followed and then repair that relationship or undertake a natural consequence such as community service (eg picking up rubbish or pulling weeds). As we use this poster with the students, we will continue to refine it and when we are 100% happy, we will have them professionally printed to display around the school.

Staff are currently working on finalising the "outside of school" (Camps / Excursions and Bus travel) and in the "Bathroom" posters. These will be introduced to students next term.

In the meantime, SRC have been spending considerable time discussing ways to work with students and staff to stamp out the inappropriate language that some of our students use in the school yard.

Often in a school, it can be seen that a lot of time is spent with those who need help to readjust their behaviour. While this is important, it is also important to acknowledge those students who are continually "Keeping Safe", "Being Kind" and "Being their Best" - ie those who are always following BPS expectations. Last Thursday, I held my inaugural Principal Morning Tea where I asked teachers from Rm 6, 7, 8 and Ber 2 to identify 3/4 students in their room who are always meeting expectations. I spent time with these students over a cup of Quick and a few biscuits chatting to them about their learning. This week, it was Ber 3 and Ber 4's turn. I highly value this time with the students, and look forward to it becoming a regular part of my week.

- Regards Dianna

Thank you for the outstanding tasks completed at our last Working Bee. We are hoping for a similarly productive time at our next Working Bee which will be on **Sunday the 20th of October** from 8:00am – 12:00pm. We will be looking at continuing to upgrade our school play equipment by removing the existing oval shelter playground in anticipation of the new playground being installed in the last week of October.

Our Road Crossing

For all the students and parents who use the crossing both before and after school a big thank you goes to our Road Crossing monitors who make sure we all cross safely. They often make certain they are here before 8:25 in the morning or are around till 3:20 in the afternoon. Their commitment to their task is greatly appreciated by all at school. Because we have such efficient monitors it is important to make use of our crossing as a safe crossing point and not to cross over where cars are parked along Wallace Street. A new monitor list for Term 4 will be prepared before the end of this term with training for next year's monitors to take place early in the new school year.

KINDY READING VISITS

Every fortnight staff and or classes visit BCCC to read. Last week Room 6 took books and shared their reading knowledge with their kindy friends

Georgia and Ava with their kindy friends

Jed and Joe reading to their kindy buddies

Dental Hygiene Therapist Jenny visited the students from Rooms 6 and 7 recently to show them how to care for their teeth by brushing correctly.

Adelaide Youth Orchestra Visit

The Adelaide Youth Orchestra came to see us on Tuesday as part of their 'Youth Music on the Move' program, supported by the RAA, the Department for Education and the James and Diana Ramsay Foundation. We had a ball listening to their talented artists and a few of our students got to join in on the fun. We thank those involved in the Adelaide Youth Orchestra for this free school performance. It was a treat to see former BPS student Mitchell playing in the orchestra. He is pictured below with his sister Caitlin.

French

Ici la France
France in september.

There's something magical in the air in France each September. A new beginning after long holidays on the coast and slow summer days at the country side. Children go back to school, people return to work and the routines of day to day set again. This is la rentrée. A very happy time for children of all ages to return to school to see their friends again.

Our French classes in September

Year R/2 are working on the colours of printemps – spring

Years 3 / 4 / 5 are describing what others are wearing and recording their descriptions. They are practicing writing short sentences using a pronoun, a verb, a noun and an adjective!

Il porte une T-shirt vert.

- He is wearing a green T-shirt.

Elle porte une jupe rouge et rose.

- She is wearing a red and pink skirt.

Years 5 / 6 are presenting their research about regions of France.

Years 6/7 have begun using interrogative words to start a simple conversation in French;

Où habites tu?

- Where do you live?

Quand est ton anniversaire?

- When is your birthday?

Est-ce que tu aimes le poisson?

- Do you like fish?

Oui, j'aime le poisson!

- Yes, I like fish!

Non, je n'aime pas le poisson!!

- No, I don't like fish

Festival Performance

Well done to all the Festival Choir students who performed last Thursday! It was a wonderful performance and a great day in the city. Students did their final rehearsal in the morning, had lunch and then relaxed in the Adelaide City library where I taught them how to play some new games. We then had a break in the park before having dinner, buying some lollies and then going on to perform!

Many thanks to parent Narelle Michael for her assistance on both days and also Annette Vincin, who supported us on Thursday.

A reminder that all festival choir students will be performing at the Balaklava Show Day on Saturday 28th September. Please let me know if you are unable to come so that I can balance the choir.

Diary Dates

Date	Activity
Sat 28th Sept Week 10	Balaklava Show Festival Choir/ Vocal Ensemble/ Music Captains

Thursday September 12th, 17 of our students performed on stage at the Adelaide Festival Theatre as part of the Public Primary Schools' Festival of Music.

The Primary Schools Festival of Music, an official state icon, is a public school-based music education program which is a collaboration between the Department for Education and the SAPPS Music Society, which gives all SA public primary students the opportunity to perform at a prestigious venue.

The commissioned work was entitled 'Dear Pen Pal' which was a series of songs composed by local musician Robyn Habel about Adelaide's sister cities and having a pen pal. The concert ended with a spectacular sea of colour.

During the concerts there were a number of guest artists from public primary and secondary schools, other choir items that presented different musical genre, and two pieces that specifically showcased the talents of the orchestra.

It was a spectacular event that our students enjoyed being a part of.

Pencil Fence

The Owen Men's Shed have made a 10m fence of pencil shaped pickets for the school. All the components of the fence were delivered recently and some of our Yr 6/7 students have started work on painting the "pencils". The pencils will be a variety of colours, becoming a colourful border between our loose parts play and Gwy Tce and the bus road. Thank you to Mr Woody who is leading this project. The railings for this fence will be erected at our next working bee and the pencils will be added shortly after.

Numeracy

Maths - Doubles and near doubles

Counting by doubling numbers is an easy way to add numbers. For example if I need to add 6 plus 6, I would go double 6 is 12. If I wanted to add 5 plus 6, I would go double 5 is 10 plus 1 is 11. $4+5$? I would go double 4 is 8 plus 1 is 9.

Activities to try at home

- Roll a dice and double the number. For example if you roll a 3, say double 3 is 6. Double 4 is 8, double 2 is 4.
- While driving in your car ask your child what is double 4? Double 8, double 10. Then you can make it a bit harder by asking near double questions like what is double 2 plus 1? 5. What is double 4 plus 2? 10. What is double 6 take 2? 10.

DOUBLE

Sometimes you do not need to count.
Knowing your doubles can help you to add.
Try doubling – it's fun!

How many dots on this domino?

Did you know that double 3 is 6?

How many dots on this domino?

Did you use a double?

NEAR DOUBLE

Sometimes you do not need to count.
Knowing near doubles can help.

How many pips on these two cards?

$4 + 5$ is near to double 4.

Just say “double 4 is 8 and 1 more is 9”.

Double 5 is near to $4 + 5$ as well.

Just say “double 5 is 10 and take away 1 is 9”.

How many pips on these two cards?

Did you use a

A TOUCH OF COLOUR

Over the weekend we have made a unique improvement to the side wall of the Atco Hut. Thank you to Kaye Monck whose artistic talent has provided us with this new mural.

BALAKLAVA SHOW

Thank you Jess Holzberger and Nikki McCracken for their continued work organising the Balaklava Show Canteen and Luncheon. Recently, a parent rep would have contacted you to ask for donations of goods or cash, and / or asking for volunteers to work in the canteen on Balaklava Show day. This is a major fundraiser for the school and money raised will go towards the new Oval Playground. Support from all of our families is important as your contributions go directly towards funding improvements in the learning environment for YOUR child.

We still need 3 more volunteers to work a shift in the canteen. No experience is necessary, with plenty of people rostered on that have volunteered before, they will support you. If you can spare a couple of hours to help out please contact the school.

Thank you for your support
