## From the Principal

Welcome back to school for the 2020 school year. We have started the year with 280 students in 11 classes. It has been wonderful catching up with the students and hearing about what they got up to in their holiday break. I have enjoyed walking through the classes, watching students interact with peers, create new friendships and work together to develop class expectations. These structures, routines and relationships are vital in setting up a successful year of learning. In 2019, staff developed our current Expectations posters. We will run these posters through our newsletters again this term for those of you who are new to the school or can't find the copy from last year. Please regularly discuss these expectations with your children.

We extend a warm welcome to our new students, their families and new staff members, Alice Williams, Bianca Marcus, Kasey Jenner, Courtney Durkay and Madeline Gardner.

We look forward to getting to know these new members of the BPS team.

Over the break we farewelled Vivienne Churchett and Jenny Russell who will be taking leave this year. We wish both of these teachers all the very best. We will miss you both.

### **Breakfast Club**

Breakfast Club has resumed for 2020. Breakfast is available in the library each day between 8:25am - 8:45am. All students are welcome.

2

### **Community Assembly**

I extend a warm welcome to all family, friends and community members to attend our Community Assemblies. These are held fortnightly (even weeks) at 2:15pm in the OSU Well (Library). Our first assembly for 2020 is next Friday, 7th February. We hope to see you there.

### **Meet and Greet –**

#### **Tuesday 11th February – 5:30pm**

Information about the “Meet and Greet” is included on page 12. We invite parents to come along with their children to meet school staff and other families and enjoy a BBQ tea cooked by our Governing Council members. This year, we will be issuing one discovery map per family. Your map can be collected from your youngest school age child’s classroom. The 2019 Governing Council will meet at the conclusion of the Meet and Greet.

### **Swimming**

Swimming Lessons for Reception to Year 5 students will be held in Week 4 and 5. Classroom teachers will send home specific information closer to this date. The Swimming Carnival will be held on Wednesday 26th February at the Balaklava Swimming Pool. We hope you can join us throughout the day. The Year 6/7 students will have their aquatics camp in Term 4.

## Term Planner

Included in this newsletter is the current Term Planner. At this time of the year, events are added to the planner frequently. Please keep an eye on the above methods of communication to keep up to date with events that are added to our calendar.

### Advanced Notice:

Swimming Carnival: February 26th

Sports Day: April 8th

## Canteen

Thank you to the volunteers who have put their hand up to work in the Canteen this term. If you are interested in volunteering or finding out more information, please contact Canteen Manager Lisa, 0408 852 407.

Please be reminded that students are not permitted to purchase food from the canteen throughout the school day. All food must be pre-ordered either via a Lunch bag or the QKR app (app cut off is 9am on the day of the lunch order)

Please find the most recent Canteen price list on pages 14 and 15.

## Thank You

Thank you to the members of the PCC Committee who assisted with the sale of uniforms on the Registration Days last week. Thank you also for providing a cuppa and chat opportunity for families after they dropped their children off on Tuesday.

## School hats

Students are required to wear a school hat in the yard all year round. Students without a hat will be asked to play...

- R-2 JP sandpit area
- 3-7 Under shelter between Ber and Music

Students may also access the library at lunch time.

# CATASTROPHIC FIRE DANGER and SCHOOL BUSES

Balaklava Primary School, High School, BCCC and Horizon Christian School are **NOT** high-risk sites or in a recognised bushfire prone area.

Therefore, closures based on the predicted forecast do not apply to us. This means on days of forecast catastrophic fire danger rating, our sites will **remain open**.

### However.....

Our sites and school bus runs are located in the Mid North and YP Fire Ban District and therefore if a Catastrophic Day is declared in either district, no buses that travel through these areas will operate.

## Governing Council

Included in this newsletter is the 2020 Governing Council Nomination Form. The Governing Council is an elected group of parents and staff that oversee the management and well-being of the school community and its assets. Members are elected at the Annual General Meeting – Monday, March 2nd. More information about the Governing Council and its sub committees will be included in the Week 3 newsletter. In the meantime, if you would like more information, please contact the school.

Nomination forms are to be returned prior to the AGM.

Council

## Communication - Flexibuzz

Keep up to date with what is happening at school via our Facebook Page, **Flexibuzz** and through the Diary Dates listed on the front page of our fortnightly newsletter. Please remember that you need to add yourself to your child's 2020 class "box" on Flexibuzz.

Flexibuzz has a "contact us" feature built into the app. This is a great way to email admin (with information that can then be passed onto the class teacher if required), however, this system relies on admin/leadership checking our emails. If we have had a particularly busy day, we may not have had a chance to read emails. Therefore we ask that you do not send any urgent information through this method of communication. For example, if you require a change in after school arrangements for your child/ren you will need to phone the school to ensure we receive, and can deliver the message to your child/ren.

Please make an appointment to see your child's teacher or myself if you have any questions or concerns.

## QKR App

You will need to ensure you update the profile for your children on QKR.

The profiles should now reflect 2020 classes.

## Farewell From Ms Churchett

Dear students, families and Balaklava community members.

As you know I have been appointed to Tarlee Primary School for 2020. I have 12 months leave from Balaklava Primary. The position became available during the Christmas holiday break and was only finalised the week before teachers and staff returned to school duties. I have wanted to experience teaching within a small site for a while and when the opportunity arose I expressed interest in the position.

I am sorry that I have not been able to say goodbye to you all and prepare the students and families in BER 3 for the change of plans, before you returned to school. The decision to leave Balaklava and the community was a difficult one as I have been working alongside and with you for almost 10 years. I have many fantastic memories of our special events and achievements and of our students both past and present.

I thank everyone in the school and community for their support for both myself and my son Tranel during the last decade.

- Regards, Ms Vivienne Churchett

# ATTENDANCE

Regular attendance at school is crucial. It is a requirement that children attend the school at which they are enrolled in every day the school is open and at all school activities the school requires the child to attend.

Parents have a responsibility under the Act to ensure their children attend school regularly. If a child or young person does not attend, without a 'prescribed reason' for their non-attendance or an approved exemption, their parents may be guilty of an offence.

It is vital that you communicate with us if your child is absent from school for any reason. You may notify us via Phone, text or Flexibuzz. If you know about an absence in advance, please communicate with the classroom teacher or use one of the methods above.

If your child is absent and we do not have an explanation, you will receive an automated text from the school. Please respond with a reason why your child is absent. In the case that your child is ill, we ask that you inform us of their illness (some illnesses are notifiable to the school community) and ask you to keep them home for at least 24 Hours (48 hours preferably) after their last symptom. This helps to halt the spread of illnesses throughout the school.

If planning a family holiday or similar within a school term which will see your child away for a week or more, please see admin staff for an exemption form. This is a requirement and must be approved by the Principal prior to the holiday.

If a student arrives at school late (after the 8:45am bell) the child or their accompanying adult needs to sign in at the front office. The child will be required to give the classroom teacher the printed slip they receive when they sign in.

Children departing early must be signed out at the office by their accompanying adult. Our front office staff can assist with this.

If you are having difficulty getting your child to school, please speak with the classroom teacher, Cherie, Kym or myself so that we can assist.

## EVERY DAY COUNTS....

**A day here or there doesn't seem like much, but...**

When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...	This means that the best your child can achieve is...
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 ½ a years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 ½ years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

***Give your child every chance to succeed...***

# AT SCHOOL

# MUSIC NEWS

Welcome back! In one of your children's registration bags you would have seen a Welcome to Music note that outlines all that we offer in the way of music. A few things to add since that note went out.

## Well, Well, Well!

Students from Year 4-7 will all get a taste of the Festival Choir repertoire for three weeks in the Well. At the end of these three rehearsals, students can decide whether they want to stay in choir or resume with classroom lessons.

## Dance Monkey

The JAM band is coming to the school in Term 2 and we're looking for eight to ten students who would like to create a routine to perform with them. Please let me know ASAP as we will need to get this routine sorted much sooner than what we would have done in the past!

## Music Captains

Detailed information went home for year 6-7 students detailing captaincy. A reminder that there are few captaincy spots available so it's always best to apply for all that you have an interest in rather than risk not getting any because you've focused on one only.

## Class Dojo

It has been wonderful to see so many parents sign up to class dojo - and for several students to be already changing their dojo character from home! On the main school dojo page you will see a little welcome video I've made, along with a digital copy of the music introduction note.

Upper Primary students will have the opportunity to send work to me via email or Class Dojo as a part of the digital technology classes, however this can also apply to music assignments.

Images of things we've covered or tasks we're completing will go up on Class Dojo to provide positive discussion at home and help your child develop better technological skills.

## Way2Go Update

In 2019 the school became involved in the Way2Go program which allowed us to participate in the very successful BikeEd program. The main focus of the Way2Go program is to promote a culture of Active Travel using walking and riding to and from the school as well as focusing on Road Safety as a component of the curriculum. The school prepared an Active Travel plan which led to a meeting at the end of the year with personnel from the Department of Planning, Transport and Infrastructure (DPTI) and the Wakefield Council to look at common travel routes to school for the town students and road safety issues along these routes. This will lead to increased signage at intersections of concern and an upgrade of pedestrian access to these intersections.

As part of our Active Travel plan we will continue to promote the National Ride and Walk to School days the first of which is the National Ride to School Day on Friday 13th March. We are also in the running for a grant to replace our aged bike racks and to purchase dedicated scooter racks all to inspire a more active means of travelling to and from school.

## 2020 School Fees

97% of our families have made contact with the administration staff to pay fees, organise payment plans or submit school card applications and this ensures that your child/ren have access to the variety of opportunities that we offer. Thank you.

## Road Crossing

Each year all of our Year 5-7 students undergo training from SAPOL to become Road Crossing monitors. This year our training is a little later in the term in early March. In the meantime a roster of Yr 6/7 students who have made themselves available to do crossing duty has been drawn up. These are students who were trained last year. After this year's training, a new roster will be prepared. It is a responsible commitment which benefits all the students using the crossing as well as providing a means of community service for our monitors. Please encourage and support this opportunity with your child as we want as many of our Yr 5-7 eligible students as possible undertaking this service.

Please make sure you use the school crossing if you are a parent dropping children off or accompanying them to school rather than walking across Wallace Street adjacent to where you have parked. It is a means of reinforcing a safe means of crossing a road as well as valuing the work done by our monitors.

## PARKING IN FRONT OF THE SCHOOL

Please be aware that the roadway in front of the school is a no parking area between the hours of 8:15—9:15am and 3—4 pm. It is necessary to keep this area clear so that students and family members entering and leaving the school are clearly visible to passing traffic.

# ALLERGY AWARE SCHOOL

## Nut and Seed (Allergy) Aware School

We ask that **ALL** students in Room 6, 7 and 8 refrain from bringing foods to school that contain nuts (eg Peanut paste / Nutella) as well as Sesame and Linseed seed.

Students in other classes may also chose to adopt this practise.

We appreciate your cooperation with this Thank you

- **Dianna**

A severe allergy to nuts and sesame can have a life threatening reaction. Anaphylactic shock can occur within seconds of exposure to a nut or sesame allergen.

*This can occur if :*

- Contact is made with a person who has handled or eaten nuts or nut products.
- Contact is made with a person who has handled or eaten sesame seeds or sesame products.
- Contact is made with an object such as a toy or door handle that has traces of nuts or sesame on it.

### Context

The DfE requires schools to promote and construct learning environments that are safe and supportive.

Students and staff may have Anaphylaxis, the severest form of allergic reaction, and nuts or nut products may be a trigger. This means that exposure at school may constitute a risk to their health and well-being. It is not possible to guarantee that the environment will be completely free of potential hazards, however, compliance to reasonable guidelines will minimize the potential risks.

### Purpose

To provide a safe learning environment for all members of the Balaklava Primary School community.

To raise the awareness of all members of the community regarding severe allergies.

## Management

The Nut and Sesame Aware policy will be managed by:

- Parents, caregivers and community members being requested **NOT** to send food to school that contain any nuts (especially peanuts). This includes Peanut Paste, Nutella, nougat, all nuts and cooking oil containing peanut oil, as well as foods containing nuts.
- Parents, caregivers and community members being requested **NOT** to send food to school that contain any sesame seeds or sesame oil. This includes bread with sesame seeds on top, hummus and foods cooked in sesame oil
- Staff supervising eating at lunch time.
- Students being encouraged NOT to share food.
- Students being encouraged to wash hands after eating.
- Staff participating in First Aid Training, understanding and dealing with Anaphylaxis (severe allergic reactions) as the need arises.
- Students washing hands and face before leaving for school in the case where they have eaten nut or sesame products for breakfast.
- Staff complying with the Nut and Sesame Awareness policy when cooking with students at school.

*\* This school acknowledges that due to food processing practices it is impractical to eliminate nuts and nut products entirely from an environment where there is food. The emphasis is therefore on raising awareness and adopting the reasonable procedures termed as 'Nut and Sesame Awareness'.*
