## From the Principal

### **Swimming Carnival**

The day was slightly cooler than we would have liked, but it didn't stop the children from getting in and giving it their best. The only thing that the rain dampened at the end of the event were the shades which didn't have a significant impact, only slightly extending the pack up process.

I would like to take this opportunity to congratulate and thank the Swimming Pool committee for their tireless work in organising the carnival. At meetings, we reflect upon the participation opportunities for the students and as a result over the last two years, we have strongly encouraged greater participation from students (year 3-7). We believe this has had a positive impact for the event.

Thank you to the parents who took on official roles at the carnival, without your help and support, our carnival would not have been possible. Thank you also to the Balaklava Swimming Pool committee for the work they do in preparing the grounds prior to our carnival. The facility once again looked pristine.

To the parents, families and caregivers who attended to watch, cheer and support the students, thank you for your ongoing support. The students do appreciate seeing a familiar face watching them participate.

The staff, parent and student relay once again did not disappoint. There are always some interesting

rules, controversial tactics and unique techniques. Thank you to all of those who were willing to put their hands up to give us a bit of a laugh at the end of the day.

To the PCC volunteers, who cut up and provided fruit to the students, as well as selling fruit and drinks on the day, thank you. Swimming is hungry work and the students appreciate having a healthy snack throughout the day.

Thank you to Bronny for her continued support in providing tea and coffee with funds going towards our Pastoral Care Worker expenses. Thank you also to the Balaklava Lions Club for their ongoing support of our annual event.

Congratulations to the students for their fantastic sportsmanship and participation. A notable effort by all.

Finally congratulations once again goes to Preston who were the 2020 Swimming Carnival winners.

### **Interviews**

Please find inside this newsletter, information on how to book your child's Term 1 interview. Interview booking are done through an online process, accessed directly through the flexibuzz interview icon or through the internet. If you do not have access to Flexibuzz or the internet, please phone the school to book an interview time. Interviews are a very important opportunity to strengthen the partnership between families and the school. The interview provides an opportunity to discuss your child's learning with their teacher, talk through learning goals and any concerns that you, your child or the classroom teacher may have. We strongly encourage every family to book an interview. If you can't make it into the school during interview week,

consider booking a time and having the interview over the phone or contacting the teacher to discuss alternatives.

It is extremely important that interview times are adhered to, as it causes a snowball effect if one runs over time. If you believe you need longer with the teacher to discuss matters, please either book a double time slot, or request a second meeting at an alternate time. This can be arranged at the interview, or by direct contact with the teacher.

Lastly, unless negotiated with the teacher, we encourage students to participate in the interview to make it a three way discussion allowing an opportunity for them to share with you what they are learning.

### Canteen

As communicated through Flexibuzz and Facebook, an updated price list has been issued, which was effective as of the 1st March. A copy of this has been uploaded on the canteen icon on Flexibuzz and is included in the newsletter.

To the following members who have finished their tenure; Holly Cowan, Shelley Litzow and Secretary Skye Colley, thank you for your insight, support, dedication and contributions made while you were members of the Governing Council.

## HARMONY DAY - THURSDAY MARCH 19TH

*This year we are combining Harmony Day and Bullying No Way Day. We acknowledge and celebrate inclusiveness, respect and a sense of belonging for everyone.*

*The ongoing message for this day is 'everyone belongs' regardless of where people come from.*

*Students in each class will be involved in a range of activities to celebrate the day.*

**Pancake and fruit box breakfast will be available for all children on Thursday morning (gold coin donation appreciated).**

**Students are encouraged to wear a splash of orange.**

# NAPLAN

Starting in Week 3 of next Term on May 12th our Yr 3, 5 and 7 students will be undertaking the NAPLAN tests online. The tests will run for 2 weeks with the second week being used for catch-up tests.

To make certain that this testing runs smoothly there will be a Practice Day on Monday the 23rd of **March with all schools across Australia undertaking the Practice test at the same time to test the capacity** of the school's network and that of the NAPLAN platform.

If parents wish to get a "taster" of the tests, go to the NAPLAN demonstration site at

<https://www.nap.edu.au/online-assessment/public-demonstration-site>

to see examples of the Yr 3, 5 and 7 tests.

This site includes additional information about NAPLAN Online including the testing sequence, the composition of the tests and frequently asked questions to help you have a better understanding of the testing.

On a school level, detailed information will be going home early in Term 2 outlining our testing timetable.

## Room 6 Weaving

*Rm 6 came for a visit to the Office to show us their colourful weaving skills on a cruise ship.*

# GREATER SPORTING OPPORTUNITIES

## Yr 1/2 Gymnastics

In 2018 and 2019 most of our school had the opportunity to take part in a gymnastics program run by TriSkills and funded under a National Sporting Schools initiative. This year we have our Yr 1s from Rooms 6 and 7 and the two Yr 1 / 2 classes complete this program across the school starting a 4 lesson gymnastics program spread over 4 weeks again with Triskills in the High School gym on Tuesday mornings.

The year ones and twos are halfway through a four week block of gymnastics made possible by a school sports grant. Megan, the Tri Skills instructor, teaches a specific skill eg. rotation or safe landing, and the children rotate through four stations using different apparatus to practice the skill

- Mrs Nowlan

## Rm 18 Badminton

A Yr 6/7 class is also making use of this facility on Tuesday afternoons by learning the skills involved with badminton and making use of the 6 courts provided. The other yr 6/7 class will also be using the gym for a range of sports next term.

Here we see some of Mrs Michalanney's class improving their badminton skills.

# CROSSING TRAINING

On Tuesday of this week our year 5-7 students undertook Road Crossing training with an officer from SAPOL's Road Traffic Division. All the students then received a note asking parent permission to become a Road Crossing Monitor for 2020 and the first term of 2021. The more students that can undertake this community service the easier it is to "share the load" when it comes to working out a roster. Many of our bus students have also helped out in the past because of parents working in the town or doing an after school duty on days of sports practice.

## Newsletter Corrections

Last fortnight it was noted under Brightwood Sports Captains that Harry was a vice captain, and Rihanna was a captain. This was incorrectly noted as Harry is Brightwoods captain and Rihanna is the vice captain. Congratulations to you both!

# 2020 SWIMMING CARNIVAL

On Wednesday the 26th of February, BPS held their swimming carnival at the Balaklava Pool. It was freezing outside but when you got in the pool it was really warm. Our first class event was a tyre relay. Overall the day was fantastic and everyone either had a go or had fun.

*- By Flynn & Dean*

On February the 26th Balaklava Primary School had their swimming carnival. It was all very close but Preston came out with the win. Dalkey came second, Cameron came third and Brightwood came fourth. We had class games first then backstroke then breaststroke then freestyle. Once all of the individual races had finished we did the relays. In the end everyone had fun and it was a great day.

Thank you to the many parents who assisted on the day of the Swimming Carnival. It was very much appreciated.

Thank you to all of the parents who helped set up and pack up at the end of the carnival. It was great to have so much support.

On February the 26th Balaklava Primary School had the Swimming Carnival. Preston came first, Dalkey 2nd, Cameron 3rd, and Brightwood last. The loudest chant was probably Dalkey. The events were backstroke, breaststroke, freestyle and class games. It was tight but we came through in the end.

# Riverton Swimming Carnival

The Riverton swimming carnival was held at Riverton on Tuesday the 3rd, it was also really cold but we kept trying and never gave up. We came first in most improved and got a shield, but came last all together. The order that we came in was Balaklava 4th, Clare 3rd, Riverton 2nd and the winner was Kapunda. All of the teams did their best. It was a fun experience and everyone had a great time. Scarlett and I did all our relays together and came second in all of them. Some people did a really good job and we all went out and did our best.

- By Scarlett and Mia

At Riverton there were the four main schools; Clare, Balaklava Primary School, Riverton and Kapunda. The first set of races were Freestyle, Balaklava did okay but Kapunda did the best. After that it was Brestroke, Balaklava got seconds or third. After that it was Backstroke, Balaklava Primary School did okay. Next it was butterfly, not many were able to participate but those who did gave it a good effort. Next it was the relay events, Freestyle and medley events. We did well in our relays and got lots of ribbons with our relays, then they presented the award. Overall Balaklava came first in the improver's award but last place in the championship award.

### Downloads

A HUGE thank you to the students and parents who brought their devices for the final download day. It was great to see so many students coming in and getting excited about the new app. For the few devices that the downloads didn't work on, our IT specialist has asked that the devices be brought back in next week and he'll try his special super powers on them.

### A Huge Thank You to

Heidi Zerk who has been showing instruments from the woodwind family to several classrooms. We are very fortunate to have such a talented and willing parent and community member who also has access to the majority of the woodwind family.

### Special Mention

Well done to Miabella Koenig for demonstrating amazing leadership skills last week. I was informed by staff at how well Miabella looked after the choir during assembly and all the options she had ready just in case our performance didn't go as planned. It demonstrates the skills that students are developing in performing arts, as well as the excellent choice of captain for this year.

### Class Dojo

One of the many perks that comes with Class Dojo is that students can access the content from home or from devices within the school. Students can access work that they may have missed out on, or revisit the resources explored during lesson time.

If the teacher has put an activity on Class Dojo, parents can log into their child's account and see what work they have due.

Ensembles, Choirs and Bands are slowly being added to class dojo. I often release information prior to these lessons and some enthusiastic students are accessing this and talking about it with others. Great Job.

### Choir Performance

Well done to the choir for performing at assembly last week. We have a lot of music to cover so it's always good to test our knowledge and practice our performance skills!

Date	Activity
Week 11	Festival Theatre Assessment Week
Term 2, Week 4 Fri May 22nd	JAM Band. Dancers to perform.

## Show and Tell

**Jameson** asked his Dad, Travis, to bring in their new truck for morning presentation! His fellow students were all very excited to come out and see.

# RIDE 2 SCHOOL DAY - TOMORROW

## FRIDAY 13 MARCH 2020 REMINDER

*Dear Parents/Caregivers,*

Tomorrow (Friday) is National Ride2 School Day. There will be 2 components to this day. Firstly, we are hoping as many children as possible will ride, scoot or walk to school. In order to promote this, several staff wearing fluoro vests will be located at various meeting spots around the town, for children and parents to assemble and ride/scoot or walk to school. The location of these meeting points come from a density map provided by Way2Go showing where our students live around the town.

Meeting points are as follows;

- Cnr Edith and East Tce at 8:10 (Ms Monck)
- Cnr Kelly and East Tce at 8:15 (Mr Palka)
- Cnr Virgo Tce and Short Tce at 8:20 (Mrs Rowland)
- Cnr Roberts Ave and East Tce at 8:15 (Mrs Cleary)
- Cnr Humphrey and Wallace St at 8:20 (Ms Leonello)
- Off Whitwarta Rd by entrance to silos 8:10 (Ms Silverman)

The second part of the day will take place in Lesson 4 starting at 12:00 when all students will be involved in Active Travel activities until 12:30.

The children from Rooms 6, 7, 8 and BER1 will have 2 circuits with cones, obstacles and games on the basketball and netball courts. They will be divided up into class groups to take part in the activities. Those children without bikes will be able to walk or borrow a bike from a friend.

For children from BER 2, BER 3, BER 4 and 14b there will be 4 different activities that they will rotate through on the bus road and oval. For the Yr 6/7 classes and Room 14 they will be going over to the Skate Park and/or the dirt jumps next to the Swimming Pool to ride around a circuit.

As was the case last year with Bike Ed, if any of our bus students can have their bike/scooter dropped off at school they will be able to be involved in the games and activities or they could possibly be dropped off at one of the meeting points and ride to school with a group. DfE policy will not allow bikes/scooters to be brought in on buses. For those who do not have a bike/scooter here on the day we are hoping they will team up with someone who has or otherwise they will be able to walk the circuits and take part in the activities provided.

Normal school uniforms are to be worn. This will not be a dress up day.

- Way2Go committee.

**As we are keen to have more active travel events involving bikes, any donations of bikes in a reasonable condition would be greatly appreciated.**

# CLEAN UP AUSTRALIA DAY

Last Friday all of the classes were involved in cleaning up either an area within or surrounding the school. We focused on the area around the pool, Skate Park, Apex Park, The Federation Wall, Scotland Street and Gwy Terrace. The year 6/7 cleaned up around the town oval.

We found a lot of cigarette butts and glass on our walk along Scotland Street. There were also some things half buried in the ground like candy wrappers and rubber which we dug out. Altogether our class filled ten shopping bags with rubbish.

## ARTWORK IN Rm 14

### **Rm 14 Artwork**

This term we have been learning about patterns and how to draw different things in space. We have been learning about art that is an illusion. This term we have been focusing on colouring neatly, doing drafts and having a growth mindset about colouring in.

## New Bean bags & Reading Nook

Our Library has a few new great additions. We've now got a wonderful new reading nook to get lost in a good book, and a few cosy bean bags to relax in too!
