- 2nd - Good Friday Public Holiday
- 5th - Easter Monday Public Holiday
- 9th - End of Term - 2:10pm Early Dismissal

Assemblies
Will be held at 2:15pm weeks 2,4,6,8 and 10

Government of South Australia
Department for Education

From the Principal

Welcome back to school for the 2021 school year. We have started the year with 298 students in 12 classes. It has been wonderful catching up with the students and hearing about what they got up to in their holiday break. I have enjoyed walking through the classes, watching students interact with peers, creating new friendships and working together to develop class expectations. These structures, routines and relationships are vital in setting up a successful year of learning.

We extend a warm welcome to our new students, their families and new staff members Emily Behn, Renee Hughes and Rosie van Heerde who will be teaching in Rm 14B for term 1 while Vivienne Churchett is on leave. We look forward to getting to know these new members of the BPS community.

Over the break we farewelled Ro Wood who will be undertaking TRT work this year. We look forward to Mrs Wood visiting us often.

Entering the Grounds

If entering via Wallace Street, all families who park on the Eastern side of the road (Swimming Pool side) must use the School Crossing. For those who park on the Western side of Wallace Street (School side) you may use the bike / pedestrian access gate near Rm 2 (where the Primary School and High School meet / cricket net) or the School Crossing.

Families entering the site from Gwy Tce must use the pedestrian access gate near the Adventure Playground.

Please do not use the BHS Tech lane or the bus road to enter the school grounds.

2

Parents / visitors and volunteers onsite

It is fantastic that we are able to invite parents back onto the school grounds. We ask that you ensure you follow social distance requirements and that you leave the grounds as soon as possible after drop off and pick up. At this point in time parents are unable to enter classrooms without prior arrangement with the teacher.

The Playground and equipment are not available for use before or after school

From late next week we will have a QR code displayed at the entrances to the school. We ask that all parents check in via this QR code prior to entering the grounds.

If visiting the office or volunteering at the school you will need to check in with the QR code and sign in at the Office using the Academy system.

If you have any questions or concern, please contact the office.

Thank You

Thank you to the members of the PCC Committee who assisted with the sale of uniforms on the Registration Day last week. Thank you also for providing a cuppa and chat opportunity for families after they dropped their children off on Wednesday.

Swimming Lessons

As Balaklava Swimming Pool is out of action we will be transporting the R-5 students to Owen Swimming Pool for their lessons. Due to the increased travel and the time that this will take, classes will have longer lessons but only attend for 5 days. The classes will be spread over two weeks (Week 4 and 5). Once the timetable has been finalised, class teachers will inform you which week your child will be attending lessons.

On one of the Swimming Lesson days, parents will be invited to watch their child/ren. The day is still to be determined. More information about this will be sent out soon.

Swimming Carnival

Due to the associated travel and the depth of the Owen Swimming Pool, we will not be able to hold our traditional R-7 Swimming Carnival this year. Instead we will hold a modified Carnival for students in Year 4-7. Year 4 and 5 Students will be tested throughout Swimming Lessons to ensure that they can swim the length of the pool before being able to nominate for the Championship Races. The Carnival will consist of championship events only and will not include any novelty games or races. More information about the Swimming Carnival will be sent out once the committee has finalized the details.

**Swimming Carnival
Friday 26th March TBC**

**NO DOGS
ALLOWED
ON SITE
PLEASE**

Community Assembly

These are held fortnightly at 2:15pm on Friday's in even weeks. We are very excited that parents are welcome to attend from next week. We do need to ensure we are complying with DfE and SA Health directives which include social distancing and room density requirements and due to this we will need to limit the number of parents attending each fortnight. We are working through a process regarding limiting the number of adults attending and will notify you of the process prior to next Friday.

Within the next couple of weeks we will upgrade the audio and video recording devices in the Well. This will mean that the quality of recorded Assemblies will be of much higher quality. We are no longer allowed to stream assemblies live, however, we will be recording them and sending the link out via SkoolBag for you to watch at your leisure.

Governing Council

Included in this newsletter is the 2021 Governing Council Nomination Form. The Governing Council is an elected group of parents and staff that oversee the management and well-being of the school community and its assets. Members are elected at the Annual General Meeting. More information about the Governing Council and its sub committees will be included in the Week 3 newsletter. In the meantime, if you would like more information, please contact the school.

Nomination forms are to be returned prior to the AGM.

Canteen

Please be reminded that students are not permitted to purchase food from the canteen throughout the school day. All food must be pre-ordered either via a Lunch bag or the QKR app (app cut off is 9am on the day of the lunch order).

Please find the most recent Canteen price list on pages 19 and 20.

Illness

Please be reminded that we all need to do the right thing and keep children home when they are unwell to ensure we do not spread illnesses throughout the school. Students need to stay home from School for a minimum 24 hours after their last symptom. However, we appeal to you and strongly encourage you to keep your children home for 48 hours after their last symptom to ensure they are completely healthy upon return. If your child comes to school sick, or develops symptoms of illness throughout the day, we will contact you to collect them. Thank you for continuing to follow this SA Health, Department for Education and BPS directive. Students who are absent for 3 days or more require a Dr Certificate.

School hats

Students are required to wear a school hat in the yard all year round. Students without a hat will be asked to play in the

- JP sandpit area for students R-2
- Under shelter between Ber and Music or the Yr 3-7 playground for students 3-7

Students may also access the library at lunch time.

Term Planner

Included in this newsletter is the current Term Planner. At this time of the year, events are added to the planner frequently. Please keep an eye on Facebook, SkoolBag and Seesaw to keep up to date with events that are added to our calendar.

Allergy Aware School

Many children have allergies and if exposed, allergic reactions can include hives, swollen eyes, wheezing and asthma symptoms. A few reactions however can be life threatening. Some children are severely allergic to food products such as nuts.

It is our responsibility at BPS to ensure we are providing a safe environment for all students to ensure we are not exposing any students or staff members to something that is going to be a health risk.

Students in Rm 6, 7 and 8 have been allergy aware for a couple of years now, however after much consideration a decision has been made to expand this to the entire school.

We are seeking the support and cooperation of all families to minimise the risk of a student coming into contact with harmful foods (peanuts, Sesame and linseed etc.).

While we recognise that many students enjoy peanut butter and Nutella and may enjoy nuts as part of a healthy diet, we ask that you include these foods in your child's diet before or after school only.

ALLERGY

AWARE

In our experience, a child who is told they can no longer have peanut butter or Nutella at school because it can put another child at risk will respect that and will learn to enjoy an alternative for lunch. If you are experiencing difficulty with finding alternative foods for your child, please contact me.

Thank you for working with us and recognising the need for ongoing vigilance in minimising the risk.

CATASTROPHIC FIRE DANGER and SCHOOL BUSES

Balaklava Primary School, High School and BCCC are NOT high-risk sites or in a recognised bushfire prone area.

Therefore, closures based on the predicted forecast do not apply to us. This means on days of forecast catastrophic fire danger rating, our sites will **remain open**.

However.....

Our sites and school bus runs are located in the Mid North and YP Fire Ban District and therefore if a Catastrophic Day is declared in either district, no buses that travel through these areas will operate.

PCC AGM

The BPS Parent Coordinating Committee AGM is

**Wednesday 3rd February,
1:30pm
in the staff room.**

The PCC would love for some new members to join them this year. PCC is a great way to meet new people and keep up to date with what is going on in the school. There is no pressure to take on any major role. Non-school age children are welcome to come to meetings.

All families are invited to attend the...

BALAKLAVA PRIMARY SCHOOL **2021 "MEET & GREET"**

On Tuesday 9th February at BPS from 5:30pm, followed by a BBQ at 6:30pm

Please come along with your family from 5:30pm to

- look around the school as your child/ren give you a guided tour of their classroom and other learning spaces.
- see some of the work your child has done this year so far.
- have an informal chat with teachers. Interviews about your child's learning will be held later this term. If you do wish to discuss your child's learning prior to the interviews, please arrange a time for this with the teacher. Individual child interviews will not be possible on Meet & Greet night.

Then, at 6:30pm, join us

- for a BBQ. A gold coin donation per person would be appreciated please. Governing Council members are cooking the BBQ. SRC will be selling drinks.
- to meet the 2021 staff who will be introduced to you at the commencement of the BBQ.

SkoolBag

SkoolBag is the App that we use for Admin communication. If you have not connected, please do so ASAP to ensure you keep up to date with school news. SkoolBag can also be used to access the newsletter, email the school (non-urgent messages only) and notify us of student absences.

Messages

Email, Skoolbag and Seesaw are fantastic ways to communicate with the school staff, however we are not always able to check them continually throughout the day. Therefore all urgent messages (such as changes of after school arrangements for your child) must be done through a phone call to the front office - **88621660**.

Positive Play

Last year we introduced the Positive Behaviour for learning strategy - Positive Play. Staff set a school expectation to focus on and the students who continually follow that expectation are rewarded through an extra 15 minutes of play on a Friday.

This Fortnight our Positive Play focus is staying in class (not leaving without permission and returning to class promptly).

If you have any questions about Positive Play, please contact your child's classroom teacher.

Christmas Pageant

Thank you to the staff and students who represented BPS at the Balaklava Christmas Pageant.

Breakfast Club

Breakfast Club has resumed for 2021. Breakfast is available in the library each day between 8:25am - 8:45am. All students are welcome.

Breakfast Club is free of charge, however donations are appreciated

Meet and Greet – Tuesday February 9th – 5:30pm

We invite parents to come along with their children to meet school staff and other families and enjoy a BBQ tea cooked by our Governing Council members. Once again this year, we will be issuing one discovery map per family. Your map can be collected from your youngest school age child's classroom. The 2020 Governing Council will meet at the conclusion of the Meet and Greet.

BREAKFAST CLUB

We would like to thank the generous donor who supports Children's University for the voucher to thank regional school coordinators for the time given to support the CU program. With the voucher we bought a juicer, a toaster, a kettle and a sandwich maker for Breakfast Club.

Thank you to **Balaklava Electronics** who looked after us and gave us a very good deal.

ATTENDANCE

Regular attendance at school is crucial. It is a requirement that children attend the school at which they are enrolled in, every day the school is open and at all school activities the school requires the child to attend.

Parents have a responsibility under the Act to ensure their children attend school regularly. If a child or young person does not attend, without a 'prescribed reason' for their non-attendance or an approved exemption, their parents may be guilty of an offence.

It is vital that you communicate with us if your child is absent from school for any reason. You may notify us via phone, text, Skoolbag, Seesaw or diary note. If you know about an absence in advance, please communicate with the classroom teacher or use one of the methods above.

If your child is absent and we do not have an explanation, you will receive an automated text from the school. Please respond with a reason why your child is absent. In the case that your child is ill, we ask that you inform us of their illness (some illnesses are notifiable to the school community) and ask you to keep them home for at least 24 Hours (48 hours preferably) after their last symptom. This helps to halt the spread of illnesses throughout the school.

If planning a family holiday or similar within a school term which will see your child away for a week or more, please see Admin staff for an exemption form. This is a requirement and must be approved by the Principal prior to the holiday.

If a student arrives at school late (after the 8:45am bell) the child or their accompanying adult needs to sign in at the Front Office. The child will be required to give the classroom teacher the printed slip they receive when they sign in.

Children departing early must be signed out at the office by their accompanying adult. Our front office staff can assist with this.

If you are having difficulty getting your child to school, please speak with the classroom teacher, Cherie, Kym or myself so that we can assist.

EVERY DAY COUNTS....
A day here or there doesn't seem like much, but...

When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...	This means that the best your child can achieve is...
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 ½ a years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 ½ years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

Give your child every chance to succeed...

Every day counts!

NEW STAFF

We are pleased to welcome a number of new faces to our staff this year (outlined in **green**). Emily Behn will be teaching Yr R/1s in Rm 7, Rosie van Heerde will be teaching Yr 3/4 in Rm 14b and Renee Hughes will be pioneering our new Disability Unit in Rm 8. Please make them all feel welcome.

NEW RECEPTIONS

Welcome to the new Reception students in Miss Nowlan's Miss Behn's and Miss Hughes' Classes.

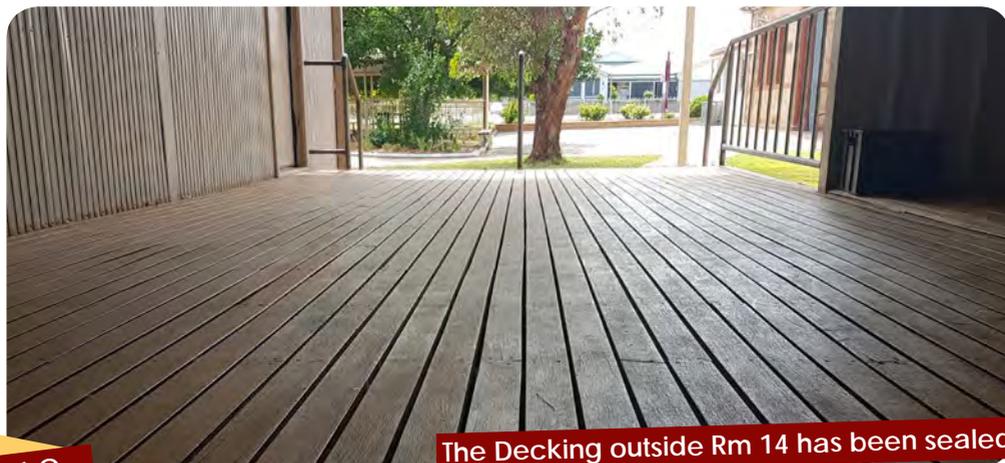

SCHOOL IMPROVEMENTS

Over the break we have had a number of changes in the school. Here is a snapshot of just a few of our new improvements

Out the front, by Wallace St, you can see our new digital School Sign

The Decking outside Rm 14 has been sealed

Over the holidays the old junior cricket pitch was removed and replaced with a Community Standard cricket pitch, which now will allow the pitch to be used by adults and children alike.

This pitch replacement came about due to a grant from the Australian Cricket Infrastructure Fund and SACA to cover half the cost. Once it is covered with synthetic turf it will be very much in demand.

Over the break the bike path behind Rooms 1, 2 and the BER building, was widened to allow parents and students with their bikes or scooters to walk safely together. The plantings along this path are now well established and as they grow it will provide a fitting backdrop to the path.

The Staff Room ceiling has been completely refurbished

BPS UNIFORM INFORMATION

Hats:

Maroon broad brimmed, bucket hat.

To be worn all year round

Polo Shirt:

Maroon. (White phased no longer school uniform)

Shorts:

Boys: School Grey/ or School Black – no logos.

Shorts/Skorts Girls:

Maroon or Regulation check or School Black – no logos.

Dress:

Regulation maroon check – (material available at school.)

Kilt:

Regulation maroon plaid (material available at school)

Windcheaters :

Maroon or Maroon with logo

Long Pants:

Boys: School Grey/ School Black - no stripes or denim

Girls: School Black – no leggings stripes or denim.

Beanie, Scarf, Headband:

Maroon (optional)

Spray Jacket :

Black (optional) (waterproof with hood)

Library Bags

The PCC gifted our new Reception students with a library bag full of maths goodies to help with learning at home.

If you would like any additional “at home resources”, please speak with Jo Michalanney.

New Library Bags available from office.

SECOND HAND UNIFORMS

The Parent Coordinating Committee keep a range of second hand uniforms for purchase from the front office. If you have any pre-loved school uniforms (especially polo-Shirts) that you would like to donate to the school, we would be extremely grateful.

The PCC also sell -

- School Dresses
- Material for shorts and kilts
- School Hats
- Library Bags
- School Bags

Please see the staff at the front desk.

New shirts, jumpers, pants and shorts can be purchased from Tads Embroidery, Balaklava.

A reminder that White Polo shirts are not part of our school uniform, except when Choir students are using them for their performance.

The Arts

Welcome Back

The youngest of each family will be sent home a welcome note from myself. It contains information about captains, lunch time groups, how to contact me, choir information and music services available. Please read and store it in a safe please for at least the first term as all the information on it is relevant to this year.

Come and Try

Each year, the year 5-7 students come and try choir for three lessons before deciding whether to commit. Year 4's are also welcome to this event, if they wish.

JAMMIN'

The JAM band is coming to the school in Term 4 and we're looking for roughly eight to ten students who would like to create a routine to perform with them. Please let me know ASAP as we will need to get this routine planned with a Dance leader prior to the rest of the group joining in - and we might need two routines organised so we have one for End of Year too!

Possible Guitar Lessons

We have a guitar teacher who would like to come to Balaklava, but he's got quite a distance to travel and so needs to know how many would be interested in private lessons. These would be held during the day on Thursdays. Please communicate your interest to me either over Seesaw or in person so I can let him know prior to week 2.

2020 Lunch Time Groups

Please look at the lunch timetable to see when groups are to meet. For those interested in groups this year, students are to meet at lunch time on Monday of week 2. Please remind your children so that they don't miss out.

Music Captains

Detailed information was given to year 6-7 students considering captaincy. A reminder that there are only a few captaincy spots available at the school so it's always best to apply for all that you have an interest in rather than only focussing on one to open up your options.

Instrumental Music Service (IMS)

Jacob Staehr will be teaching brass and woodwind lessons on Wednesdays. A timetable of continuing or recently joined students from 2020 will go out within the first week and be updated with any new members the week after.

TECHNOLOGY

~ Miss Monck

Seesaw Introduction

Seesaw is a platform for parents and students. There is a "Seesaw for Families" that is for parents only, and "Seesaw for Schools" which is for students only.

"Seesaw for Families" is designed to communicate with you about important events and share what your children are doing at school. Each classroom uses this feature differently - all classes will use it for communication, and some will use it for educational activities that are shared with you.

For classes that use the activities, Seesaw can give you insight into topics that your children are passionate about and others that they are developing skills. Unless directly contacted, the work just there to be viewed and inspire conversation at home.

Notifications

There are many ways you can be alerted by Seesaw;

- Every notification as they happen
- A summary at the end of each day
- A summary at the end of each week

It's recommended that you have it set to at least daily. Although you're unlikely to get a message each day, there are always going to be reminders before an excursion or event. Here's how to adjust your settings.

1. Tap your Profile Icon in the upper left corner.
2. Tap the Gear Icon.
3. Choose Account Settings.
4. Turn email and/or push notifications ON/ ONCE A DAY/OFF.

ALLERGY AWARE SCHOOL

Nut and Seed (Allergy) Aware School

We ask that **ALL** students at BPS refrain from bringing foods to school that contain nuts (eg Peanut paste / Nutella) as well as Sesame and Linseed seed.

We appreciate your cooperation with this
Thank you

- *Dianna*

A severe allergy to nuts and sesame can have a life threatening reaction. Anaphylactic shock can occur within seconds of exposure to a nut or sesame allergen.

This can occur if :

- Contact is made with a person who has handled or eaten nuts or nut products.
- Contact is made with a person who has handled or eaten sesame seeds or sesame products.
- Contact is made with an object such as a toy or door handle that has traces of nuts or sesame on it.

Context

The DfE requires schools to promote and construct learning environments that are safe and supportive.

Students and staff may have Anaphylaxis, the severest form of allergic reaction, and nuts or nut products may be a trigger. This means that exposure at school may constitute a risk to their health and well-being. It is not possible to guarantee that the environment will be completely free of potential hazards, however, compliance to reasonable guidelines will minimize the potential risks.

Purpose

To provide a safe learning environment for all members of the Balaklava Primary School community.

To raise the awareness of all members of the community regarding severe allergies.

Management

The Nut and Sesame Aware policy will be managed by:

- Parents, caregivers and community members being requested **NOT** to send food to school that contain any nuts (especially peanuts). This includes Peanut Paste, Nutella, nougat, all nuts and cooking oil containing peanut oil, as well as foods containing nuts.
- Parents, caregivers and community members being requested **NOT** to send food to school that contain any sesame seeds or sesame oil. This includes bread with sesame seeds on top, hummus and foods cooked in sesame oil
- Staff supervising eating at lunch time.
- Students being encouraged NOT to share food.
- Students being encouraged to wash hands after eating.
- Staff participating in First Aid Training, understanding and dealing with Anaphylaxis (severe allergic reactions) as the need arises.
- Students washing hands and face before leaving for school in the case where they have eaten nut or sesame products for breakfast.
- Staff complying with the Nut and Sesame Awareness policy when cooking with students at school.

** This school acknowledges that due to food processing practices it is impractical to eliminate nuts and nut products entirely from an environment where there is food. The emphasis is therefore on raising awareness and adopting the reasonable procedures termed as 'Nut and Sesame Awareness'.*

STUDENT SAFETY IS OUR PRIORITY

Wallace Street is very busy before and after school

We need parents to take responsibility in teaching your children to cross the road safely. This means that when parking on the Eastern (Swimming Pool) side of Wallace Street, you must walk your children to the dedicated School Crossing in order to enter the School.

Please **DO NOT** cross elsewhere along Wallace Street.

Your role modelling of this is important to ensure all students safety.

The extra minute or so it will take to walk through the crossing will save a potential accident from happening.

Thank you for following this important directive - Dianna

BALAKLAVA PRIMARY GOVERNING COUNCIL
2021 NOMINATION FOR ELECTION FORM

I.....

full name of the person who is making the nomination of themselves or someone else

We're Going Back To School

Hello Everyone and welcome to the school year of 2021!

I find that the New Year is a strange moment in time. It is a time when we consider, even commit to, resolutions and 'do-overs' (defined as: a new attempt or opportunity to do something after a previous attempt has been unsuccessful or unsatisfactory) It is a time when we might mull over lost opportunities and mistakes made and we ponder over what we can do better. I wonder if you felt expectant as the new year began??

No matter how you felt, I am grateful that you are here and a part of this community. I am here to support you in your journey.

Please note my availability at the school will be on:

Tuesdays 8.30 am – 2 pm
Thursdays 9.00 am – 1.30 pm

You can contact me through the front office or via my email nancy.gates946@schools.sa.edu.au

Have a great week!

- MRS G
(A.K.A: Pastoral Care Worker, Nancy Gates)

BUY NOTHING PROJECT

Give. Ask. Gratitude.
www.buynothingproject.org

Balaklava, SA &
Surrounding Area

Exciting news! Our town now has a neighbourhood gift economy!

It's called *The Buy Nothing Project* and it is a global movement to connect real life neighbours through shared resources and acts of kindness.

Say you are in the middle of baking a pie and you run out of sugar. You simply post to your local neighbourhood Buy Nothing group asking for a cup of sugar, and then can find a nearby neighbour in walking distance who has some to spare. Or, say you would like to do some planting and are thinking of purchasing some pot plants - what person doesn't have a few in their shed that they're happy to share?

This worldwide network of hyper-local gift economies are dedicated to random acts of kindness. Neighbours share furniture, soup, decor, kitchen appliances, tools, clocks, compost, books, and nearly anything you can think of. Neighbours also give "gifts of self" such as a ride to the airport, walking dogs, baby-sitting, caring for plants, or picking up medicine.

There is no cash involved. Each neighbourhood group depends on kindness as its currency. There is no promotion, marketing, buying, selling, trading, swapping or bartering. Just giving for the joy of giving.

Here is the link if you are curious:
