Balaklava Primary School *newsletter*

Our students enjoyed performing 'Under the Starry Sky' at the end of year celebration.

From the Principal

It is hard to believe we have reached the end of yet another difficult year. Together as a school community we have faced many challenges this year, however despite these we have managed to achieve great things. The adaptability and resilience of our staff, students and families has been a credit to you all. Thank you for your support of our work with your children.

End of Year Celebration

Despite the weather being cold, we had a fantastic celebration. The performances were entertaining with enthusiastic participation from many of our students. One of my highlights was watching the staff and students from Room 8 singing and signing "Sing a Rainbow".

Thank you to our families and community for your attendance.

A special thank you to

- Karl Holzberger for the sound and confetti machine
- Josh Roberts for the use of the "trailer stage"
- Balaklava Lions for the use of their BBQ
- Marty for his work as MC

- Michele for her role as official photographer
- The staff who cooked the BBQ and sold drinks and raffle tickets.

Please see inside the newsletter for photographs from the night.

Farewell to the Year 6 and 7 students

Graduation is a special milestone. Some of our graduating students have been with us since Reception and some only a short time. We have enjoyed working with all of the students and have been honoured to be a part of their learning journey. Graduation is a proud moment for families and for us. For some of these families, it is the end of their involvement with BPS, as their youngest is graduating. Our thanks to you for your support of us throughout the years that your children have been at BPS.

This year, graduation has been even more special as we farewelled the very last class of Year 7 students that will attend Balaklava Primary, as well as our very first class of Year 6 students who graduate ready to start Year 7 at Balaklava High School. We wish our graduating Year 6 and Year 7 students all the very best in their secondary education and for the future.

Academic Award - Year 6

Congratulations to Rubi Fabry, recipient of the Year 6 Academic Award.

Positive attitude

Rubi takes on any challenge without complaining and tries to focus on the positives in any situation.

Puts in effort in all areas

Rubi goes above and beyond with all academic tasks and always asks clarifying questions to be able to achieve her best.

Shows a high ability in all areas

Rubi rarely struggles, loves challenging things and approaches them with a "hmmm how can I solve this one" attitude.

Positive role model

Rubi is happy to help others, encourages others to try a bit harder and explains to others why things are important.

Has a high level of achievement

Rubi has achieved high grades for all subjects over the year, is exceptional at writing, reading and Maths, understands all maths concepts by the end of every unit and has amazing research skills.

Consistent effort in work and behaviour

Rubi has consistently kept up to date with all work and her bookwork is always neat and well presented.

Geoff Brock presented Rubi with her Academic award

Masonic Lodge Awards

The criteria for the Masonic Lodge awards is

- Positive Attitude
- Puts effort in all areas
- Consistent effort in work and behaviour
- Community orientated, helpful and respectful
- Consistently displays School values.

Congratulations to Holly Baumann who was the recipient of the Year 6 Masonic Lodge award. Holly is highly motivated and strives to give her best at all times. She shows a genuine interest in all areas of the curriculum. Holly approaches school life with a positive attitude and gives 110% to all tasks. Holly demonstrates an eagerness and dedication to her learning.

Holly consistently demonstrates behaviour that sets the standard for her classmates. She sets an example for others and is a fantastic role model. She is helpful, courteous and considerate of others. Holly is always polite and a friendly class member who is always ready and willing to assist others. Holly shows initiative and is always prepared for lessons or events ahead of time. Holly always upholds the school values and is a delight to teach. She is accepting of all students and has a passion for the arts curriculum. Congratulations Holly, a very worthy winner.

Thank you to Mr Fisher who presented Holly with the award on behalf of the Masonic Lodge.

Masonic Lodge Awards continued

Congratulations to Abby Sullivan who was the recipient of the Year 7 Masonic Lodge award.

Abby has made an incredible amount of progress over the past two years. Her attitude towards learning, school and herself has progressed incredibly. This year, Abby has been a highly motivated learner and strives to give her best at all times. Abby shows an interest in all areas of the curriculum and approaches school life with a positive attitude, giving 110% to all tasks. Abby shows a growth mindset, even when tasks are challenging, always trying her best and asking for help. Abby always wants to improve and develop her skills, demonstrating an eagerness and dedication to her learning.

Abby is consistently demonstrating behaviour that sets the standard for her classmates. She is a helpful, courteous and considerate student who is always polite and friendly. Abby is always ready and willing to assist other students or adults.

Abby upholds the school values and is an absolute delight to teach. She should be extremely proud of herself with how far she has come, not only with her learning but with developing her confidence within herself. Her teachers are incredibly proud of her and are delighted to see her achieve this award. Congratulations Abby.

Thank you to Mr Bubner who presented Abby with the award on behalf of the Masonic Lodge.

Rowan Ramsay School Community Award

At the celebration I announced our Rowan Ramsay MP School Community Award for 2021. Deb Eglington was our very worthy recipient of this award. The staff and students will tell you that Deb is an invaluable part of our school. Until her recent medical leave, Deb has been at school twice a day, every day to undertake our COVID and regular clean. Deb is passionate about ensuring the staff, students and visitors are kept safe and well cared for. She always stops to speak with the students and knows most of them by name. While many schools have felt uncertain during COVID times, we have always known that we have had the most dedicated, committed and caring school cleaner. We have always appreciated Deb, and we have known how much extra she does outside of her requirements as a cleaner, however, it has really become apparent while she is on leave that she is nothing short of amazing.

Deb has a heart of gold and is the most generous and giving person. We cannot thank Deb enough for going beyond every single day to ensure the staff and students at Balaklava Primary School are kept safe and well cared for. Thank you Deb.

Unfortunately Deb wasn't at the End of Year Celebration, however, she was able to attend our staff Morning Tea on Wednesday where we were able to present her with her award.

Congratulations!

EOY RAFFLE

Thank you to all of the families who contributed items for our 12 class hamper prizes as well as those who sold raffle tickets.

We raised \$2700 from the raffle which will be put towards the in-ground trampolines. Congratulations to the winners of the hampers.

BALAKLAVA PAGEANT

Thank you Abby and Ashleigh for coordinating the BPS float and to all of the students who joined them on Friday night.

FAREWELL!
GOODLUCK!

At the end of the term we said farewell to Ashleigh, Kate and Renee and a farewell 'for now' to Vivienne and Sally.

Ashleigh started at Balaklava Primary School in 2017. Over the last 5 years, Ashleigh has developed strong relationships with the staff, students and community. While at BPS, Ashleigh has been an active member of committees such as the Swimming Carnival, Sports Day and Wellbeing and is always willing to pitch in and help.

We are extremely sad to be saying farewell to Ashleigh, however, we know she will be a valuable member of the BHS community, teaching year 7's in High School.

Kate also started at Balaklava Primary School in 2017 and taught students in Junior Primary and Primary during her time at the school. Kate built positive relationships with the students and was an active member of the Sports Day committee. Kate was always willing to mentor Student teachers in order to help them develop. Kate will be sadly missed by the staff and students. Kate will be teaching Year 7 students at Nuriootpa High School.

Renee joined BPS in 2021 as our inaugural Disability Unit Teacher. Renee has built the Disability Unit structures from the ground up, having visited a lot of other sites and gaining valuable information about what makes a good unit and then adapting those ideas to suit our needs. Renee worked closely with the families, students and her team of Support Staff and has developed a strong structure that will continue to be built upon in 2022. We wish Renee all the very best with her permanent position at Para Hills High School.

farewell for now

Vivienne is taking leave from BPS in 2022 and will be teaching in the Junior Primary classroom two days at week at Manoora Primary School. We wish Vivienne all the best for a wonderful year.

Sally is taking a break at the beginning of 2022 as she has other commitments that she needs to devote her time too. We hope to see Sally back at BPS at some stage during 2022.

NANCY'S NEWS

Hi Everyone!
The year is now rapidly drawing to a close. How are you all travelling?

How would you rate 2021 – Great? Hard? Busy? Crazy? Disruptive? Challenging? Cruise?

Or has it been more of a Gene Kelly moment and you have found yourself just "singing in the rain"??

Maybe it has been a particularly hard year as you have been separated from a loved one, or made some decisions you now regret. I encourage you to be kind to yourself, and don't criticize your efforts too harshly.

Remind yourself of the things that you did well - maybe you learned a new skill, or completed a long-standing project, reached a health goal, or perhaps started a new friendship.

Tomorrow is a brand new day, a clean slate and has loads of potential for success!

I don't know who said this but I like it –

Learn from YESTERDAY Live for TODAY Hope for TOMORROW

So, as 2021 winds up and 2022's opportunities stretch out before us, let's take the time TODAY to reflect on the good, the bad and the ugly of YESTERDAY, dust ourselves off and look forward with hope for what TOMORROW brings.

In closing, I have enjoyed every opportunity this year to get to know you all better. Thank you for continuing to welcome me into this school community, for reaching out and trusting me. It has been my absolute pleasure to support you.

I wish you a safe and happy Christmas and New Year. Take care of yourselves and each other.

Mrs G

CHOIR AT MILL COURT

Choir students performed at Mill Court last week to sing a few Christmas Carols and our End of Year songs for those who wouldn't be able to make it on the night. Students were well received and we have been asked to come back again next year to show off our amazing singing abilities!

THATS A WRAP

A fantastic effort to all those students who attended and participated in the End of Year Celebration, especially to our brave solo artists and those who were in Rock Band, Instrumental Ensemble, Vocal Ensemble and the Dance Crew who arrived at 5:30PM to perform for the pre-show entertainment.

A huge thank you to Karl Holzberger who worked with me all day as we ran sound checks, layout and track order. This event would have been a thousand times harder without his amazing skills!

ROOM 2 BLYTH CINEMA

EXCURSION

Room 2 went to the Blyth Cinemas on Thursday of Week 9. We watched the movie Ron's Gone Wrong. We all had a great time celebrating our year together.

I really liked the story that the movie told. I think the robot in the movie was like me. **Oliver**

I enjoyed the movie it was great to go with all my classmates and I am thankful got to go. **Natalie**

The movie was very funny and we all enjoyed it! **Maya**

BER 4 BEACH EXCURSION

On the 7th of December we went to Wallaroo. While we were there we did some fun activities. We went swimming, played cricket, played volleyball and went snorkling. We had hot chips and ice blocks. My favourite thing to do there was throwing friends into the air. Jacob went so high. After the long day we went home on the bus. I sat next to Henry on the way back. Oh, and I almost forgot I also got stung by sea lice. Max

On Tuesday our class went to Wallaroo. A highlight of the trip was when a few friends and I dug a few massive holes. It was also really fun when some people threw me up in the air really high, then I landed in the water with a big splash! We also had some chips and a Zooper Dooper at the end. It was really fun. **Jacob**

On Tuesday my class and I went to the beach. Henry, Max and I were playing volleyball. After we went for a swim. We made whirlpools and played Marco Polo and I went through seven people's legs under the water. I very much enjoyed the hot chips that we shared. **Matthew**

The Wallaroo beach excursion was amazing. My favourite activities were the water games and when Aliyse and I wrote in the sand. The water games that we played were Marco Polo, launching people in the air and hopping on each others shoulders. After we got out of the water, Aliyse and I wrote Balaklava in the sand and then filled it in with things that we found on the beach and in the water. Alexa came over to help us. When it was time to go we still had to finish off the last A. I was a bit sad that we didn't get to finish it. The excursion was really fun. Thank you to all of the people that went with us. **Isabelle**

On Tuesday the 7th of December, Ber 2 went to Wallaroo beach for the day. When we got to the beach we had recess and then went in the water for about 30 to 45 minutes. After 30 to 45 minutes we got out of the water and had a bit of a break. Then Tahlia, Lexie, Jayden and I played volleyball for three minutes. After we played volleyball, we played cricket until we were allowed to go back into the water. When Tahlia and I went in the water we were snorkeling and looking for crabs in and near the sand and rocks. After a little while Mr Brice blew the whistle and that meant it was time to get out and have lunch. Once Tahlia and I had finished our lunch we laid in the hot sand and waited till we could go in the water. Tahlia and I went snorkling and I found a piece of rubbish and then Tahlia went through seaweed and started swimming really fast. I started laughing really hard because it was so funny. **Alexa Y**

Yesterday our class went to Wallaroo Beach. On the bus I sat next to Max. When we got to the beach we had recess and then played volleyball. After everyone finished their recess, we got in the water. A highlight of the day was playing Cricket. **Lachy**

RM 6 & 7 CLARE MODEL TRAINS EXCURSION

In Week 8 Room 6 & 7 students travelled to the Clare Model Trains. Travelling by bus was a novelty for some and the trip was broken by having fruit at Auburn Town playground. At the train station the volunteers had 4 trains running which meant that there was hardly any rest time in between rides. We had lunch at the Lions Park and a play and an iceblock at the Auburn Primary School before heading home.

'This was the best day ever',
said Izzy.

BER 1

In Maths, the class were making items to sell in their "Mouse-a-Logue". They made mouse houses, inside furniture, whisker brushes, food and water feeders, clothing to wear and a pool to cool off! They put prices on the products and sold them using play money.

BIKE TRACK

Work has started on our bike track which will loop around our oval and include the bus road. Apart from making use of the school's own bikes and the promotion of active travel, the other focus is road safety with a roundabout included in the design. No roundabout would be complete at Balaklava without a "Silent Cop" so the Balaklava Men's Shed have built one for us. It will be painted very early next term and positioned in the centre of our round-a-bout. Thank you to Andrew Jettner for watering the track to ensure it hardens ready for use.

Here is a picture of Marty Brice and Melvin Zerk who dropped off the almost finished product last week, with other pictures showing Balaklava Bobcat spreading of the crusher sand that had been delivered by McArdles.
