From the Principal

House and Music Captains

Congratulations to our 2022 School, Sport and Music captains. A leadership position in the school is highly valued by staff, students and community. We are fortunate to have many leadership opportunities for students at Balaklava Primary School. Upper Primary students have been learning about leadership over their primary years and have had some fantastic role models before them. This is now their chance to lead the school in a confident and positive manner.

Congratulations!

AGM

Thank you to the parents who took active roles on the Governing Council and associated Sub Committees for 2022. We have a full complement of Governing Council members and warmly welcome new members Andrew, Bronwyn and Alisha. We still have openings on our Grounds / Facilities committee for non-governing council parent reps. Please contact the school if you would like to be on this committee.

This year, a decision has been made to trial the merging our Fundraising group with PCC (Parent Coordinating Committee) as it was noted that many of the members were the same on both committees. As fundraising events are planned, information will be shared on our Balaklava Primary School Facebook, and our Volunteers at Balaklava Primary Facebook pages where

we will ask for parent volunteers to help for certain events. Please remember that many hands make light work so your assistance is always greatly appreciated.

All fundraising at this stage is still going towards the in-ground trampolines.

PCC AGM

Thank you to the parents who have taken on positions on the PCC. It's lovely to welcome some new faces to our group. All parents are welcome to attend PCC meetings as they are open meetings. If you would like to be added to the PCC email distribution list please email the school and we will pass your details on to Secretary, Amy May. Alternatively, please keep an eye on Facebook, the term planner and the newsletter for meeting dates.

INTERVIEWS

This term, all interviews will be held over the telephone. Interviews are a very important opportunity to strengthen the partnership between families and the school. The interview provides an opportunity to discuss your child's learning with their teacher, talk through learning goals and any concerns that you, your child or the classroom teacher may have. We ask that every family please book an interview for each student at BPS. Information will be provided soon regarding bookings.

WATER BOTTLES

With the continued warm weather, we again remind all students that they must bring a labelled water bottle to school each day. Our refrigerated bubblers have been modified to allow water bottle filling. Students are not allowed to drink from the bubblers.

SCHOOL EXPECTATIONS

This week we have included in the newsletter our "At School" expectations. These expectations are explicitly taught in class. We are continually striving for our students at BPS to "Be Safe", Be Kind" and "Be their Best". These expectations are taught in line with our motto "Believe, Participate, Succeed"

CLEAN UP AUSTRALIA DAY

A reminder that students will be involved in Clean Up Australia day on Friday. A note was sent out to all students earlier this week.

Students are asked, if possible to please bring:

- Gloves
- Plastic Shopping Bag OR Bucket
- Tongs

READING FOCUS

This year we are focusing our site towards Improvement work on Reading. We will be sharing more information about this focus in the coming weeks.

This fortnight we acknowledge a large number of students who have completed the Premiers Reading Challenge. Last week was also the largest number of Lexile awards we have ever given out at an assembly. It is also the first time we have ever awarded Gold Lexile Awards in Term 1.

Keep up the great reading BPS Students!

HARMONY DAY & BULLYING NO WAY DAY

will be celebrated at BPS on Monday 21st March. We invite all students to wear a splash of orange and enjoy a pancake breakfast. A gold coin donation is appreciated which will be given to recent east coast **flood victims**.

Students have begun activities this week and our Student Information Assembly will focus on belonging, kindness and harmony. Look out for the display which will feature at the front of the school from Monday.

APPROVED STUDENT FREE DAYS

The Governing Council has approved the following Student Free Days:

- Monday 4th April: Reading Culture
- Monday 2nd May: Partnership Day
- Friday 10th June: Restorative Journeys

Governing Council also approved a School Closure day for the Royal Adelaide Show - Monday 6th September

Clean Up Australia Day

On Friday March 18th our school will participate in the schools' Clean Up Australia Day. Each class has been allocated an area within the school or nearby, to clean up at a suitable time on Friday March 18th. We hope that participation encourages students to recognise that we all have a responsibility to help maintain and protect our environment. If we all pitch in we can make a difference. Students should have brought home a note asking them to bring a pair of gloves, some plastic bags or buckets to carry rubbish in and perhaps a pair of tongs. Teachers will also put this note on Seesaw. Thanks for your support.

- Jenny Rowland

COVID-19 UPDATE

At the time of publication, no changes have been made to the Covid restrictions which we are currently following. We appreciate your continued support regarding dropping off and picking students up from the gates. If adults do need to come onsite, please ensure you phone prior to entry and wear a mask.

If your child tests positive to Covid-19 please ensure you **notify BPS** as soon as possible via a phone call to the office. If it is out of school hours, please send through a Skoolbag message. We do require some information from families when **notifying us**.

- Date of the positive test.
- When the symptoms were first noticed.
- If the child has attended OSHC in their infectious period*
- If the student has been travelling on a bus during their infectious period* (including which run and if they travelled am /pm)
- Any other BPS students that will be considered Close Contacts and their quarantine period (eg 7 or 14 days)
- If your child has been home as a Close Contact & tests positive, please also inform us so we can adjust their absence details.

** the infectious period is two days before symptoms or if no symptoms, before the positive result.*

If your child is a classroom contact and develops symptoms for a full 14 days after the exposure, they are required to have a PCR test and stay away from school until they receive confirmation of a negative result and their symptoms have resolved, whichever is longer.

We really do appreciate the high level of communication that families are providing when students are away and the vigilance in keeping students home when they are unwell. This fantastic support of our families will help to minimise the spread of Covid-19 at BPS.

CAMP QUALITY

I liked Camp Quality's puppet show because it was funny, it was educational and it had a lot of emotions.

It was funny because they know what makes kids laugh and I enjoyed it. Also they just had jokes in general (they were a cracker.) They also had funny stuff like when the coach puppet got a little carried away while getting everyone pumped up. It was educational because it taught us about cancer and how it happens. Cancer happens when some thing forms wrong in your body. A tumor may grow. You can not catch it. With treatment a person's immune system is weak and they can catch other diseases easily. But now you know it can be treated. (But your hair may fall out and other side effects can happen.)

It was full of emotions because there was sadness, anger, denial, jealousy, happiness, honesty and excitement. That is really important because we know how to react when someone is feeling a certain emotion. Emotions are really important and that is why we need to know the persons sensitivity and their limits.

To that conclusion funny, educational and emotions will win me over and THAT is why I really enjoyed Camp Quality.

**THANK YOU to all continuing and
incoming members.**

**Your participation and
involvement is appreciated.**

RIDE2SCHOOL DAY

Friday 25th March 2022

As mentioned in the last Newsletter, Friday of week 8 will be National Ride2 School Day. There will be 2 components to this day. Firstly, we are hoping as many children as possible will ride, scoot or walk to school. In order to promote this, several staff wearing fluoro vests will be located at various meeting spots around the town, for children and parents to assemble and ride/scoot or walk to school. The location of these meeting points came from a shaded density map provided by Way2Go showing where our students live around the town.

The meeting points are as follows;

- Cnr Edith and East Tce at 8:10 (Mrs Bushnell)
- Cnr Kelly and East Tce at 8:15 (Mr Palka)
- Cnr Virgo Tce and Short Tce at 8:20 (Mrs Rowland)
- Cnr Roberts Ave and East Tce at 8:15 (Mrs Cleary)
- Cnr Humphrey and Wallace St at 8:20 (Mrs Michalanney)
- Off Whitwarta Rd by entrance to silos at 8:10 (Ms Silverman)
- Cnr Fisher and Charles Streets at 8:10 (Mr Wilson)
- Cnr Harris Street and Short Tce at 8:20 (Mrs Gregor)

Once at school, the children will receive a Fruit Box and a certificate and various activities will be undertaken during the day. The Early Years classes will undertake a course on the asphalt area in Lesson 2. The Yr 3-5 classes will be taking part in a riding activities between recess and lunch and the Yr 5/6 classes will be going over to Apex Park for a circuit.

A reminder that we have around 20 donated bikes of various sizes that can be used and this year we have ample helmets available for the students to use. So for these bikes to be used a helmet will need to be brought from home. Also this year all students will at some stage during the day be riding circuits on our school bike track.

Bikes and scooters are not allowed on buses so our bus travellers can have their bikes or scooters dropped off at the school before hand or meet one of the groups at a meeting point or use one of our donated bikes.

HARMONY DAY - MONDAY 21ST MARCH 2022

Students are encouraged to wear a splash of orange.

This year students will trace their hand and decorate as they wish and these will then be hung along the front fence at the Wallace St entrance.

Pancake breakfast and a fruit box will be available for all children on Monday morning (gold coin donation which will be given to the flood victims is appreciated).

We acknowledge and celebrate inclusiveness, respect and a sense of belonging for everyone. The ongoing message for this day is 'everyone belongs' regardless of where people come from.

NAPLAN

Starting in Week 2 of next Term our Yr 3 and 5 students will be undertaking the NAPLAN tests online. The tests will run for 2 weeks with the second week being used for catch-up tests.

To make certain that this testing runs smoothly there will be a Practice Day on Thursday the 24th of March with all schools across Australia undertaking the Practice test at the same time at 11:00 am to test the capacity of the school's network and that of the NAPLAN platform. The recess time will be changed on that day to allow for the 11:00 start.

If parents wish to get a "taster" of the tests, go to the NAPLAN demonstration site at

<https://www.nap.edu.au/online-assessment/public-demonstration-site>

to see examples of the Yr 3 and 5 tests.

This site includes additional information about NAPLAN Online including the testing sequence, the composition of the tests and frequently asked questions to help you have a better understanding of the testing.

On a school level, detailed information will be going home early in Term 2 outlining our testing timetable.

Bullying No Way Day - Friday 18th March

A Kindness Culture journey will be the theme for our Student Information Meeting on Friday afternoon. The student led whole school, via teams, meeting will have a focus on paying kindness forward and the ripple effect of one kind act. This will then be followed up in the classrooms. As part of the day our primary classes will be given information about cyber safety and the need for kindness online.

On Monday students are invited to share in our Harmony Day pancake breakfast. Students are asked to give a donation on the day. Our Student Representative Council will be donating fruit boxes for the breakfast and all funds raised will be donated to the flood appeal, our way of spreading kindness to our fellow Australians.

Congratulations to the following students on being selected to play in the 2022 SAPSASA BALAKLAVA HUB TEAMS in SOFTBALL, CRICKET or TENNIS.

SOFTBALL	CRICKET	TENNIS
Brianna Young	Riley Michalanney	Alexa Young
Amber March	Henry Reinke	Ruby Lemon
Caitlyn Toholke	Hudson Jarman	Tahlia Zerk
Ella Hahsey	Bodie Seiboth	Ilka Gangell
Halle Young	Isabelle Poole	Max Nicholls
Elissa Haley		Matthew Ingram
		RESERVES: Lexie Battle & Alexa Arthur

Tough luck to the students who were selected in the team but have become close contacts with Covid-19 and will have to miss out on the Summer Carnival at Clare.

Please congratulate the following students for gaining selection into the Balaklava Hub summer teams. Thanks to those students who came and tried out and encourage them to try again next year. We had a good number of players trying out and where abilities are similar, we do try to pick older students but they will be playing against seasoned players in tennis and in cricket especially and will face fast deliveries, so safety is our main concern, hence selection was geared towards students who already play competitively. The teams travelled to Clare on Wednesday 16th March to play in the SAPSASA Summer Carnival against teams from the Clare and Burra Hubs.

Marty Brice – Softball
Jo Michalanney – Tennis
Kym Palka - Cricket

Photos & Reports will feature
in the Week 9 Newsletter

THANKS

Move fingertips of open dominant hand, palm towards body, forward from chin, once.
*May use two hands

Key Word Sign

Our staff and students use Key Word Sign to complement oral language when communicating with the students.

We will be sharing with our BPS community some of our more common signs over coming weeks.

EAT

Close dominant fingertips onto ball of thumb. Tap formation on chin, twice.

HOUSE CAPTAINS

House captains are responsible for their House teams and assist in the organisation of the Swimming Carnival and Sports Day. The year 3 - 6 students in each house team vote for 4 captains. Only year 5s and 6s can nominate for captains.

Congratulations to our 2022 House Captains!

LEARNING

Our Balaklava Primary School web site has a range of learning activities for you to access. Simply go to <https://balakr7.sa.edu.au/> and click on learning and select a curriculum area you wish to look at. There are lots of math activities there as that has been our focus for the previous years.

Our learning SA website also has lots of new ideas for people to do at home.

Have you ever wondered how to engage children in reading? Here are some tips that may help or you may like to read these websites for more information.

<https://readingeggs.com.au/articles/2018/09/16/teach-kids-to-read-at-home/>

<https://www.readingrockets.org/helping>

How to engage your child when reading to them

The following will provide you with tips on how to get your child of any age, engaged when you are reading to them:

Read reflectively. Stop regularly and share what you are thinking. Relate what you are thinking to real life. Ask your child what they think.

Possible comments and questions you can ask when reading a story:

- That is an interesting word. What do you think it means?
- I do not like this character because ... What do you think of them?
- I wonder whether someone would /could do that in real life.
- I do not think I would have done it like that. What would you have done?
- Chapters often end on a cliff hanger. Share what you think will happen next and ask your child for their prediction.

Think about the comments you can use when reading non-fiction such as:

- That seems expensive. What would you buy with that amount of money?
- The Tyrannosaurus Rex was 4.6 to 6 m tall. How many floors would that be in a high-rise building?
- What do you admire most about the person described in the book?
- Which is your favourite eg, motorbike, breed of dog, ... in this book?

If your older child is having difficulty with their reading, you can find lots of high interest/low vocabulary books that focus on sport stars, other famous people, and teenagers' interests. Take them to your local library to find something of interest and encourage them by continually reading with and to them.

Hospital Centenary Celebration

Thank you to everyone who donated and/or volunteered for the Balaklava Soldiers War Memorial Hospital Centenary Celebration afternoon tea.
We appreciated the morning callout response when we had some food unable to arrive due to covid isolation.

Thank you in particular to our workers on the day:

- Dot Tiller
- Clare Elsworthy
- Cherie Wilmer
- Tania Allen
- Annette Vincin
- Lauren March
- Kate Reinke

with special thanks to

- Melissa Smith and Jenny Young.

Jenny did a fabulous job of organising and coordinating the food and helpers.
It was a long day prepping, making sandwiches, plating, serving and then the cleanup.
Due to slightly less numbers attending, several attendees purchased and went home with a lovely plate of goodies for tea.

Great job everyone at this significant community event - there has been so many positive comments.

- Diane Gregor

AT SCHOOL

Balaklava Primary School

BE YOUR BEST

BE SAFE

- We follow staff instructions.
- We wear the school dress code.
- We stay within the boundaries.
- We follow expectations.
- We keep hands and feet to ourselves.

BE KIND

- We show care to ourselves and others.
- We care for the environment.
- We use manners and appropriate language.
- We are inclusive and value differences.
- We put rubbish in the bin.

- We respect ourselves and others.
- We have a positive growth mindset.
- We are honest and truthful.
- We are positive team members.
- We attend school.

qu

LEARNING IN BER 2

We are learning the QU sound.
We are using quills and ink to write the
alphabet like people used to in the olden
days.

- Wendy Richards

The Arts

Improvising and Tableau

Year 3-4 students are learning how to confidently make things up on the spot and create freeze frames with their classroom. Here is a photo of BER 4 after their "object transformation" drama activity. As you can see, we already have some amazing performers heading our way!

CHOIR WEDNESDAYS

Remember to bring your choir books, bags, water bottle and stationery in Lesson 6

FESTIVAL MUSIC

BPS ROCKSTARS

All lunch time band/ensemble/dance members and choir students are added to their very own Secret Squirrel Seesaw. It is exclusive to these amazing performers. You'll know if your child is one of them because a new class will appear with their seesaw login and an emoji will appear for each group they are a part of.

IMS

Instrumental Music started last week. For students to attend lessons, they need to have their forms signed. These went home in late week 5 and early week 6. If you need to hire an instrument, please let me know either through Seesaw, school phone or by sending your child to me before school, during lunch or after school where I can provide a hiring form. Some instruments take a while to get posted to us so the sooner I am notified, the sooner I can order an instrument for hire.

Rock Band - Instrumental - Dance

Lunch Group Rehearsal Times

Rehearsals started last week and a lunch timetable was sent out to classrooms. If your child is a part of one of these groups, please make sure to write these down at home

ENSEMBLE WEDNESDAYS

Remember to bring your music and instruments

- Mrs B

ROCK BAND THURSDAYS

Remember to bring your music and instruments

DANCE FRIDAYS

Remember to bring your water bottles and hats

Date	Activity
Week 11 Wed 13-Apr	Festival Theatre Assessment 1:00PM-3:00PM

Book Club Brochures

Book Club orders are due in by 21st March (Monday of Week 8). If wishing to purchase any books you can place your order in 1 of 2 ways.

Thankyou – Appreciated acts of kindness.

What wonderful people we have in the Balaklava Community. Thankyou to the two community members who donated an exercise bike each to our Reset Room. Thankyou to Eliza Cottle who organised this for us and delivered them to the school.

Thankyou to our two community members who regularly give us a monetary donation to support our breakfast club. This enables us to purchase milo and extra supplies of bread or milk when we run short. The milo is always a big hit with the students.

PASTORAL CARE WORKER

(Previously known as "School Chaplain")

BALAKLAVA PRIMARY SCHOOL

Address: Wallace Street, Balaklava 5461 SA

Schools Ministry Group, in partnership with local churches and school communities, are seeking applications for this 10.7 hour per week position commencing in 2022.

The position exists to offer Chaplaincy Services to students, staff and the school community.

The Job & Person Specification and Application Form are available to download from the SMG website - go to:

www.smg.asn.au/work-with-us

Closing date: Submit Application As Soon As Possible.

Interested??? Attend our next "Information Session"
For details and to RSVP, go to: smg.asn.au/information-session

1.Cash orders – To pay with cash, simply complete the order form on the back of the catalogue and return with your cash payment in a ziplock bag or sealed envelope to the school office.

2.Online orders – place and pay for your order online with your credit card using LOOP, Linked ordering and online payment. If you are paying using LOOP there is no need to return your paper order form to school, our staff can track your orders online.

If you do not have a paper copy of the brochure you can find it online at scholastic.com.au

LOOP is the easy way for families to order and pay for Book Club.

Log in, or create a new account at scholastic.com.au/loop

1. If you are new to Book Club, follow the Wizard to set up your profile
2. Click the ORDER tab, and select your school and child's class
3. Add your child's first name and last initial (so the school knows who the book is for)
4. Enter the product item number shown on the Book Club catalogue
5. Make payment via credit card.

Kaurna Corner

Niina marni (Are you good)

Over the duration of this Term, I have been visiting classrooms and getting to know the Aboriginal students.

Wendy Richards class has been learning about Sea Creatures and the sound "Th". I read the class the Kaurna Dreaming story of "Thukeri". The Dreaming story is about how the Bream fish became bony and inedible. The class illustrated each page accordingly, they then created the classes own Thukeri Dreaming book.

Wendy's class also did another activity about the Kaurna Dreaming story of "Kondili the Whale", the students were read the story then made their own version of Kondili the Whale using paper plates and paint.

I worked with three Junior Primary Aboriginal students and discussed the Aboriginal Flag and talked about what each colour represented.

Red – represents the red earth, red ochre used for ceremonies.
Black – represents the Aboriginal people of Australia.
Yellow – represents the sun – the giver of life and protector.

I have also been working with the Upper Primary Aboriginal students who are helping me with designing Aboriginal artwork to be painted on the bag racks outside the Rm 20 classroom.

A Map of Kaurna Country

Kaurna Aboriginal people are the Traditional Owners of the Adelaide Plains region in SA. Kaurna Land extends north towards Crystal Brook, down the Adelaide Plains, South along the Coast of Cape Jervis and is bounded by the Mount Lofty Ranges to the East, as shown on the map below.

Kaurna Language has not been used in everyday life for nearly 150 years. The Kaurna Language was documented by four German Missionaries to South Australia in the early 1830's to 1840's. The four Missionaries recorded 3000 words out of a possible 10,000 words and was found by Rob Amery who is a Linguist by profession.

Ngaitiyalya – Thankyou
Nakuitha - Goodbye

Muriel Rix – Aboriginal Community Education Officer

21/3/22
