MARCH

29th - Lacrosse Yr 4-6
30th

APRIL

4th - Student Free Day

5th - Lacrosse Yr 4-6
6th (6th) - Festival Theatre
Assesment Week

7th - SAPSASA Girls
Football

8th - Assembly 2:20pm

12th - Road Xing Training

14th - Last Day of Term 1

15th - Good Friday
Public Holiday

MAY

2nd - Student Free Day

3rd - Term 2 Begins

4th - SAPSASA Winter Hub
at Blyth

9th-
13th - NAPLAN

16th-
20th - NAPLAN

27th - SAPSASA X-Country
at Burra

JUNE

1st - Football Clinics

13th - Queen's Birthday
Public Holiday

Government of South Australia
Department for Education

From the Principal

THANKYOU!

I would like to take this opportunity to acknowledge the hard work and dedication of all of our staff at BPS. This year has started in one of the most unique ways. The uncertainty of what each day will bring has added a level of challenge that we cannot fully prepare for as has the Rapid Antigen Testing that many of our staff have been undertaking throughout the term to ensure they can continue coming to work each day. The flexibility, kindness and compassion for each other has never been more evident. Staff are exhausted yet still come to work with a smile on their face, ready to do the job they are passionate about. I am sure you will join me in saying thank you to the staff for their dedication and continued efforts.

I would also like to say thank you to our colleagues from Support Services who have put their own work on hold to come into the school as TRT's. We have been fortunate to receive support from the Kadina and Gawler Education Office. Without this support, we would have been faced with needing to merge classes which is a situation that I am trying to avoid. I am truly so very grateful for the kindness and the willingness of our colleagues to do whatever they can to support teaching and learning in schools. Thank you

Sometimes, especially when facing challenging times, the smallest of gestures can mean a lot. A message of thanks, appreciation or support can often go a long way. Thank Ed is one way that you can have the chance to thank public educators who make a difference every day.

<https://www.education.sa.gov.au/webforms/thanked>

I also want to acknowledge and thank our students for their resilience. Some of our classes have had a variety of teachers and more changes to their routines and structures than normal. The students have walked into class each day ready to face the challenge of change and are dealing with that so well. Thank you also to our families for your support of your children and of us. We know that the children are also extremely exhausted and this can make night time and or mornings extremely challenging. Please remember that your child's wellbeing is absolutely paramount. If you have any concerns or need any support in regards to this, please make contact with your child's teacher or our Wellbeing Coordinator,

Student Free Day

As you would have read on Skoolbag, we have made the decision to **postpone** our **Student Free Day** which was scheduled for Monday 4th April due to the directive to cancel all non-essential teaching activities. This will allow staff to be solely focused on the care and teaching of students. We understand that the timing of this is not ideal and sincerely apologise for this. If you had already made plans for a long weekend, we do completely

understand and support you to continue with your plans. Please send through a Skoolbag to let us know if your child/ren won't be at school on Monday due to previously made plans. As a community, we have learnt to be so very flexible over the last couple of years as restrictions and directives constantly change. Thank you for your ongoing support.

Interviews

Parent – Teacher interviews would normally take place at the end of Term 1. We have made the decision to cancel interviews and will be sending home a mid semester Snap Shot of student learning early Term 2. If you have any questions or concerns about your child's learning at anytime, please make contact with their classroom teacher via SeeSaw or leave a message with the office staff for the teacher to phone you.

Our Learning SA

Due to the COVID-19 pandemic, your child might need to learn at home. The Department for Education have used teachers who work in Central Office to create a suite of year level and Australian Curriculum appropriate lessons to support short-term learning when face to face learning is interrupted.

There are 11 weeks of lessons for reception to year 2 students, and 5 weeks of lessons for year 3 to 10 students. Students can start from Week 1, lesson 1 and work their way through the lessons in order. Each lesson is either a video or PowerPoint

presentation and can be completed on any device with internet access. I used one of the Civics and Citizenship and PE lessons in class this week and found them fantastic and easy to use.

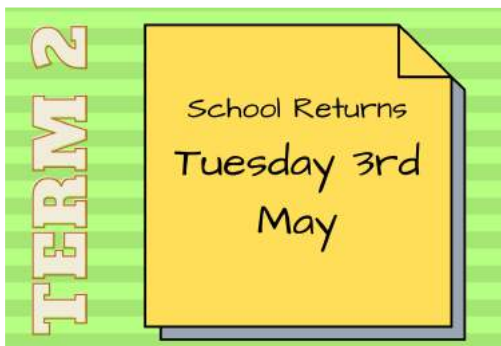

<https://www.education.sa.gov.au/our-learning-sa>

Harmony Day & Ride 2 School Day

Congratulations to both committees who organised two very successful events last week. We are so very fortunate to have dedicated staff who spent much of their own time planning for the activities that took place on both days. Your efforts were appreciated by staff, students and the community.

Friday, 18th March was Bullying No Way Day. Cherie and our leaders delivered a very powerful message at our online Student Information Meeting Assembly about the impact of bullying and kidness. This has been followed up in classes and the Bullying No Way and Take Action Together poster (see page 4) that were developed last year, were once again shared in class.

2022 Materials and Services Charge

As with previous years, we ask for all M&S Fees to be paid by the first day of Term 2, Monday 2nd May unless an instalment arrangement has been entered into. Statements will be posted to families by the end of Term 1 detailing any amounts outstanding.

If you are eligible for School Card, applications must be submitted on a yearly basis **as this process is not automatic**. School Card applications can be completed via the below link or upon request of a paper form.

<https://www.sa.gov.au/topics/education-and-learning/financial-help-scholarships-and-grants/school-card-scheme>

Payments can be made via the following methods:

- QKR
- Bank transfer to:
Balaklava Primary
BSB: 065 - 000
ACC: 12133346
- Cash or EFTPOS

If you have any questions relating to your child's school fees, please don't hesitate to contact Diane.

2021 unpaid Materials and Services Charge

Fees remaining unpaid from 2021 will be sent onto Debt Collection along with any from 2022 after Term 2, Monday 2nd May unless contact and an agreement has been made with the school.

Balaklava Primary School says Bullying. No Way!

If you are being bullied

Tell a teacher or another adult
Walk away
Ignore the bully
Tell a close friend
Don't believe what they say
Walk to a safe place eg office, teacher

If bullying happens online

Take a screen shot
Tell and show a teacher and your parent
Block the person
Don't respond
Log out
Delete the app

If you see someone being bullied

Ask if the person is ok
Tell an adult
If you feel confident tell the bully to stop
Act like the target is a friend and ask them to come with you

If you need help

Talk to an adult
Tell a friend
Kid's helpline
Talk to your family members

Take Action Together

For more information and tips, visit
www.bullyingnoway.gov.au

Whole School Fitness

This week we started morning fitness. On Monday and Wednesday the whole school participated in a 10 minute walk around our bike track. Some classes enjoyed it so much they even ventured out on Tuesday and Thursday. I wonder how far we will have walked by the end of the term.

Here is what we have travelled so far:

- Monday 28th March : **190kms**
(Whole School)
- Tuesday 29th March : **61kms**
(2 Classes)
- Wednesday 30th March : **299kms**
(Whole School)
- Thursday 31st March : **108kms**
(4 Classes)

WORD MA I N A

Our class has been working very hard playing Word Mania. Everyone got much better at it. The Year 4s have even made the finals! Good Luck Year 4s in Room 2!

SAPSASA Softball

What a great day of Softball! The girls all tried their best and learnt lots of new skills, especially with the new modified rules that the State Carnival has brought in, which we trialled at the carnival. Thanks to Gary Wilson for coming out again and coaching the Burra Softballers and Tegan Barton, with help from Tash, who coached the 2 Clare sides. I felt very old, as I coached Tegan in my 2003 Mid-North District Softball team!

Congratulations to the 15 to 18 girls who were invited by their coaches to try out for the District Softball team this Wednesday. The Tryouts letter will be distributed to all schools in the next few days, in case any were missed.

Below are the results of the day, played under the new State Carnival rules where lightning carnival conditions mean runs are added and outs subtracted to come up with an overall score.

Balaklava - 6 defeated Clare 1 - 4	Burra - 5 drew with Clare 2 - 5
Clare 1 - 3 defeated Burra - 0	Balaklava - 8 defeated Clare 2 - 0
Balaklava - 4 defeated Burra - 1	Clare 2 - 6 defeated Clare 1 - 5

Big thanks to Clare Primary for hosting the Carnival and Greg Gibbs and Daniel Light for marking out the diamonds. Overall a top day and looking forward to training up the District team ready for the Softball State Carnival in Adelaide in under 4 weeks' time.

- Marty Brice
Balaklava Hub Coordinator and
Softball Manager/Coach

On Wednesday the 16/3/22 SAPSASA Softball was held at Clare Primary school. The first team Balaklava played was Clare 1. We batted first. Halle was up first for our team, each quarter is 10mins. We defeated Clare 1, the score was 6 to 4. Dakota and Halle pitched and Brianna and Elissa were catchers in the first game.

Then we played Clare 2. We won the game, it was 8 to 0. Halle, Molly and Brianna got some players out. In the second game Dakota and Caitlyn pitched while Ella and Halle were catchers. In the third game we played Burra, Halle and Elissa pitched and Molly was catcher. We won and the score was 4 to 1.

After the game Mr. Brice handed out notes for the district team tryouts. Mr. Brice gave them to Brianna, Elissa, Caitlyn, Amber and Halle. It was a very competitive day and it was an amazing experience and an awesome day. Thank you to Mr Brice for teaching us softball and to our parents for taking us to Clare.

- By Brianna and Elissa

SAPSASA District Softball

Selection / Practice dates for the Mid North District Softball Team will be held on:

- Wednesday 23rd March
- Wednesday 30th March
- Wednesday 6th April

From 4.00pm – 5.30pm at Auburn Primary School Oval.

All Year 6 or Year 5 girls wishing to try out for the District team will need to attend practices on these dates.

The District team will play in Adelaide at the Softball State Carnival in Week 11 Term 1 from Monday 11th April to Wednesday 13th April 2022.

All girls trying out need to know that if they are selected in the District team, they will need to find their own accommodation in Adelaide (and get to and from the grounds every day at West Beach opposite West Beach Caravan Park) either by staying with a relative/friend, staying at the Caravan Park or travelling up every day (or car-pooling) This unfortunately will preclude some girls from trying out if they are not able to make arrangements for the 3 days.

Approximate cost if selected in the team is \$100.

Please bring along a hat, drink and a glove from your school if possible.

Students will be selected for the team based on the following criteria:

- Ability and game sense in the sport
- Teamwork and effort
- Willingness to listen and learn from feedback
- Positive attitude (including at school)

Where students are equally matched, older students and even hub & school distribution is considered.

Transport: Parents/Caregivers are responsible for organising transport to and from the trials.

Supervision: Students will be under the supervision of the teacher team official and other identified responsible persons (with appropriate WWCC) to ensure supervision ratios are met.

Contingency plans: If unforeseen circumstances mean the trials are unable to go ahead, families and schools will be notified as soon as possible. Trials will either be rescheduled if time permits, or an alternate venue will be organised.

How to nominate – please note new process – If you have done this for Hub Team selection you won't need to complete again.

- Parents/Caregivers must nominate their child online.
- Students who have not nominated online before the trials will not be eligible to attend trials. This is to ensure supervision ratios are maintained for a safe environment.
- If you require support in completing the form please contact your school Sapsasa rep.
- To nominate, please complete the online form by, which can be accessed at: <http://bit.ly/midnorth2022>

Or via the QR code here:

- Once you have submitted the form you will receive a confirmation email, a copy of the form will also be sent to the school as confirmation that you are nominating your child for the SAPSASA State Softball Carnival and will be retained by the school as a record of their involvement as per department records management policy and procedure.
- Please note the school has the right to not approve a child's involvement in the carnival based on behaviour, attendance and other grounds as determined by the school.
- If you do not receive a confirmation email within 24 hours of completing the form, contact the convenor.

Further information

Once a team has been selected, further details regarding the carnival and trainings will be provided.

For more information, please contact your SAPSASA District Softball Manager.

**Mid North
SAPSASA DISTRICT**

SAPSASA Tennis

On the sixteenth of March, Matthew and I went to Clare to participate in SAPSASA Tennis. For the first round against Clare 1, Max played number 2 and Matt played number 3. In doubles Max played with Jack and we won 6 games to 3. Matthew played with Preston and won 4 games to 0. After that Matt and I played our singles we both won. I won 6 games to 2 and Matt won 4 games to 0.

After our first round Matt and Max went over to the playground to play while we waited to play the next game. Then we changed positions Max played 1. Jack played number 2. Matt still played number 3. Jack and Max lost 6 games to 3. Matthew and Lincoln lost 4 games to 2. Max went on to play singles and won 6 games to 4, while Matthew was watching from the bench. This round we played Clare 2.

Now for the third round against Burra, Max played number 1 again and Jack played 2, meanwhile Matt still played number 3. Matthew and Henry won 4 games to 0. Max and Jack won 6 games to 3. Now for Max singles, sadly Max lost 6 games to 4. That's all of the games that Matthew and Max played and overall we came second tying with Burra, we won 28 sets while Clare 2 won 31 sets.

- Matthew and Max

SAPSASA Cricket

On the 16th of March a group of 14 cricketers went to the Clare Valley to play against Clare and/or Burra hubs. In the first game we played against Clare 1, Henry R was captain and he chose to bowl first. Clare 1 got off to a good start with their opening batters but then they retired and we got some wickets. Players from Horizon and Owen got some wickets before Riley came in and got a wicket middle stump first ball. Everyone congratulated him. Then we got back on task, Sam from Horizon got 3 wickets. Then Issy came on to bowl and she got a great wicket caught by Henry K from Horizon. Then Henry R took off the keeping pads after having a great stumping and came in to bowl and got their best batsman out. Hudson and Bodie played for the opposition and got some runs. In the end Clare 1 got 9/118.

When we batted their open bowler was really quick and got our top 4 out really quickly. Then Henry R went out and he had one instruction from the coach Kerry and that was don't get out and he didn't he retired on 6 and had a handy partnership with Harvey from Owen. Issy then went out and played some good defence but sadly got out early on but faced the fast bowler for an over. Riley then batted at 11 and got a nice single. We got 6/78 and sadly lost but we gave it our all and played really well.

In the next game we played against Clare 4. Once again their open bowler ripped through our top order. Which got Hudson and Henry R out for 4 and 5 runs but not before Hudson was seen pulling a shot for 4 and Henry R blocking very fast bowlers. Bodie then went out and played well but sadly got out quickly. Then Issy went out and played some lovely cricket shots and got out for 3. Riley sat out batting because we had too many players which was lovely sportsmanship and we couldn't have played without him doing that. We were all out for 79.

When we bowled everyone Hudson got a great wicket caught by a player from Horizon, Bodie also got a great wicket and so did Issy. Henry R kept for the whole innings and got a catch to the bowling of Harvey from Owen. Clare 4 got 8/79 with 2 overs to play.

So we called it a draw.

A big thankyou to Kerry Michalanney for coaching the team and Mr Palka for scoring and being the teacher supervisor.

We may not have won a game but we had a great time and the team had great sportsmanship.

- Henry R

The Whole Team with Coach, Kerry

Harvey (Owen PS), Henry, Riley, Isabelle, Bodie & Hudson

Clean Up Australia Day

Friday the 18th of March was Clean Up Australia Day. Room 18 and Room 20 went to the Football oval to pick up rubbish. We brought tongs, gloves and rubbish bags. Then we went around the oval in certain areas to pick up rubbish. After we picked up all the rubbish we could see, we put all the bags in a pile and took a photo of our classes behind the bags.

We put all the rubbish in the wheelie bins, then we walked back to the school. We found quite a lot of rubbish when we participated in Clean Up Australia Day. Our feet were sore but we had a fun time while doing Clean Up Australia day.

- Hailey M and Maddie H

Ride 2 School Day

On the 25-3-22 it was Ride to School Day. All the teachers were around the town waiting for children to meet them to ride to school. It was a lovely sunny morning and lots of children got to ride to school with school mates which was awesome.

Throughout the day all the classes did something different like ride around the bike track, or do a treasure hunt. Our class went to the skate park with Miss Garrard's class. It was fun riding our bikes up and down the dirt ramps. At the skate park it was fun watching people doing tail whips and bar spins up the ramps. Some people went on the playground in the nature park area and others rode on the road in the car park space.

Overall it was a very enjoyable day. Thank you to Mr Palka and Mrs Rowland for organising the day.

We had 104 bikes, 30 scooters and one skateboard parked at school after another successful Ride2School Day.

Our 20 donated bikes were used throughout the day by those who could not ride to school but we could always do with more of the smaller bikes for our younger riders. If you or anyone you know has a bike that is no longer used that would suit our junior riders we would appreciate you donate them to the school as we have many keen cyclists who would enjoy the opportunity to ride around our bike track.

Harmony Day

Harmony Day is a good opportunity to learn about how people feel and how they might feel left out. It helps us to understand that everyone belongs.

Harmony Day is always on the 21st of March and we celebrate by wearing a splash of orange. This year, we traced our hands and coloured them in, then hung them on the fence. We enjoyed a wonderful pancake and fruitbox breakfast. Thank you to the staff for organising and Mr Brice and Mr Gardner for cooking the pancakes. We were very lucky that Mr and Mrs Woody shared their secret recipe with us.

We had a choice to donate a gold coin to those affected by flood damage in Queensland and New South Wales. They had some massive floods that we discussed in the last SIM assembly.

Thankyou for reading our Harmony Day report

- By Logan, Natalie and Marshall.

The Arts

MUSIC NEWS

Meaning in the Arts

Junior primary has been exploring expression in drama, dance, music and media arts. They have been listening to music and expressing how it makes them feel. They have also been using multimedia to draw along to the music and colour-code it, as well as work on demonstrating what emotions feel and look like.

Tableau

Students in years 2/3-4 have been learning about Tableau - a freeze frame made up by many students. They have explored words like 'blocking' and 'character' and using teamwork skills to communicate a story or picture using their bodies. Here is room 2 making an enchanted forest!

Here are students from room 1 acting out one of their 3 tableaux to tell a story. Can you guess what is happening?

Solos!

Balaklava Primary are able to send two confident, talented and aspiring singers to audition for a solo spot for the Adelaide Festival Choir in **Week 6 of Term 2**. Students are required to audition their piece to me and if they are successful, have the support of their family to both perform and help them attend a few rehearsals down in Klemzig. Soloists need to know their music off-book, be clear, confident and sing the notes that are sung on the CD.

Pre-audition Solo Workshops will be held in Weeks 2 and 3 for potential soloists who may benefit from some extra hints and pointers on auditioning for one of the solos.

PSMF Klemzig, 28 Hay St, KLEMZIG - Tuesday 10 May (week 2) from 4:15 - 5:45pm or

Darlington Primary School, 9-11 White Cres, SEACOMBE GARDENS - Wednesday 18 May (week 3) from 4:15 - 5:45pm.

Parents or Teachers can register via the website;

See <https://festivalofmusic.org.au/auditions/soloist> for more information One form per student please.

Official Auditions will be held during the school day in **Term 2, Week 6**. Stay tuned for more information.

JUNK SQUAD

Junk Squad Facts. There will be 2 Junk Squad ensembles, each performing 6 concerts at the Festival Theatre; Weekly rehearsals will be held at Gilles Street Primary (City) and run on Mondays from 4:30pm to 6:00pm.

<https://festivalofmusic.org.au/auditions/junk-squad>

CHOREOGRAPHY LEADERS

Choreography Leaders support the conductor in front of the massed choir for songs that include choreography and Auslan Signing. These students need to be confident, precise and reliable.

<https://festivalofmusic.org.au/auditions/choreography-leaders>

- Mrs B

Important Dates

Date	Activity
Week 10 Wed 6th April	Festival Theatre Assessment Week 1:00pm - 3:00pm

TECHNOLOGY

Students in Years 4-6 have been learning about coding. Year 5-6 are revisiting Binary while Year 4/5's are beginning the exploration. To introduce them to coding whilst reinforcing a growth mindset, students were sent on an 'escape room' style adventure where each corner of the room contained a puzzle to be solved. Once answered, 6 secret numbers had to be arranged in a correct order according to a riddle which unlocked a sweet surprise at the end.

Students talked about teamwork, different types of coding, map reading, time zones, word puzzles and the importance of having a go. It was great to see and hear such determination and resilience.

Junior primary have been learning how to sign in and out of devices, and use apps like Seesaw, Siri and Google to find images, use voice to text and submit tech work. Don't be fooled by the arts room layout, these students are working hard on digital tools!

HOW CAN I HELP MY CHILD LEARN?

There are many different ways parents and carers can help strengthen skills and abilities in children from home. Here are some ideas;

- Reading to children
- Listening to children read, ask questions about the text, and predict what might happen next
- Describe the location of an object in an illustration
- Find letters, sounds, and words in text
- Share an enjoyment of reading from others in the family
- Read books and watch the movie
- Write your own book
- Read to Grandma or Grandpa over the phone or computer
- Allowing free play with objects that show repeated and growing patterns, numbers and shapes
- Playing board games, electronic games and puzzles
- Sharing real stories, imaginative stories and books that have mathematical concepts, such as numbers, patterns, sharing, same or different, odd one out and shapes

- Recording activities, such as reading and writing 0 to 10, tallying, and using language association to demonstrate and practice the reading, saying and writing number names
- Counting aloud with children as they play board games, climb steps or watch traffic
- Supporting children to anticipate the next number
- Supporting children to notice and predict the next item in a pattern when doing repetitive activities, such as modelling placing a knife, fork, spoon, knife, fork, what do I need next when setting the table
- Asking children what they should put on first, second, next and last when getting dressed
- Modelling and involving children in numeracy tasks like estimating, measuring, adding, and analysing data
- Asking open-ended questions that involve real-life problems
- Allowing enough time for children to think about and respond to a question, even if they don't answer it correctly.
- Estimate the total cost of your supermarket purchase
- Estimate and weigh the fruit and vegetables
- Explore orienteering
- Explore geocaching
