From the Principal

We are extremely excited to welcome Michelle Pudney to Balaklava Primary School. Michelle has won the Deputy Principal position for the remainder of this year and will start at BPS once her job at BHS has been filled. We are fortunate that Michelle knows many of our families already, having worked at Balaklava High School for a number of years. We are looking forward to learning alongside of Michelle.

I was very humbled to receive beautiful flowers, yummy chocolates and lovely cards with thoughtful words on Friday for Principals Day. I feel proud to lead the learning at Balaklava Primary School. The village of support that I have from staff, students, parents and the community makes me feel like the luckiest person.

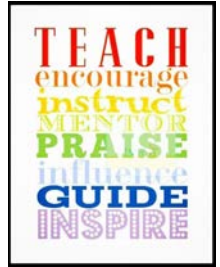

The last couple of years have been some of the most challenging times to navigate and lead a school, it certainly looks a lot different in many aspects than what it did a few years ago. I could not continue to lead the school without my village. Thank you to you all.

I also want to say a sincere thank you to the staff at BPS. Schools continue to have great difficulties securing Temporary Relief Staff to cover illness, Covid and other personal leave. Each time I can't find a Temporary Relief Teacher (TRT), I have to make changes to timetables to ensure I meet supervision requirements and also meet the learning needs of the students.

The flexibility and willingness of our

staff to go above and beyond to support each other and cover classes and duties to ensure our students are still receiving the best possible learning and care, blows me away. This is not an obligation, but a willingness to be flexible to meet the needs of the school and students. I cannot thank our staff enough.

Please, if you have the opportunity to reach out to a staff member/s and acknowledge them for the job they are doing, or thank them for something they have done to help you or your child, please do so. A little thanks, appreciation and support, goes a long way.

Balaklava Eisteddfod Society

Congratulations to our Rock Band and Instrumental Band who performed last Friday at the Balaklava Eisteddfod. Both performances were fantastic and the students did themselves and our school proud.

This year, our section was non-competitive, however, the adjudicator was able to provide great feedback. Congratulations to Jessica Bushnell for her ongoing work with the students to ensure they were stage ready, mainly rehearsing at lunchtimes, before and after school.

Thankyou Heidi Zerk for your ongoing support and guidance. Your expertise is certainly highly valued and much appreciated.

The Eisteddfod provided one of the rare opportunities over the last couple of years that the students have had to perform in front of a live audience and although initially nervous, they embraced and enjoyed the experience.

Due to most classes not being able to attend the Eisteddfod the bands performed at the Assembly Friday afternoon. It was fantastic for the students to be able to see their fellow school mates perform live.

Pictures from the day can be found on page 14.

THANK YOU to all of our amazing parents and friends who have put their hand up to volunteer for the Balaklava Eisteddfod, Balaklava SAPSASA Basketball event and Sports Day. The catering side for these events are fundraising opportunities for the school and we could not run them without your help, support and donations.

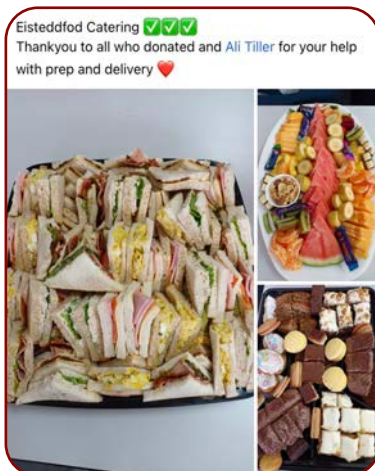

We have many people working tirelessly behind the scenes to ensure these events happen and our students can enjoy the benefits of the funds raised. I can't thank you enough for your hard work. It is very much appreciated.

We know that changing the date of Sports Day made it tricky for some, and then the change for Basketball also made it challenging. We understand that due to other commitments some people who originally put their hand up to volunteer are or were no longer able to do so. That is okay, we still have plenty of volunteering opportunities this term including the Fathers Day Stall and Balaklava Show.

Please keep your eye on our Balaklava Primary School Volunteers Facebook page.

Once again, thank you. Many hands make light work and if we have multiple people willing to help, we reduce the reliance on a small, core group of people.

Please ensure you read the information on page 5, 6 and 7 in regarding Sports Day. Once again this year, due to Covid, there will be things that may have been modified or operate differently. Instead of seeing this as a point of frustration, please be mindful that we are grateful that we have the opportunity to run Sports Day and include parents. Please remember the day is about participation, having fun, good sportsmanship and encouragement. We will be expecting this of the students as well as spectators.

No Parking

While we understand that it is not always easy to find a car park for morning drop off and pick up, we do need to remind families that there is **no parking** along the stretch of Wallace Street between our bus road and the crossing between 8:15am – 9:15am and 3pm – 4pm. When cars are parked along this stretch of road, the visibility for our crossing monitors is reduced.

Parent Survey:

In Week 2, Monday 1st August you should have received an email or SMS from the Parent Survey Team with a unique link to participate in the survey.

The survey takes less than 10 minutes and will help us understand:

- what we're doing well
- where we can improve
- what's important to you.

It has been coordinated centrally so that added administration workload isn't placed on the school.

Your answers will not identify you or your child. Only collated feedback will be provided to our school.

Information collected will inform school improvement planning and activities at the school.

The survey closes 5pm Sunday 28 August.

If you did not receive an email from the Department for Education, please use the link below. We will also post a copy of the survey link on Facebook, SeeSaw and Skoolbag.

<https://survey.education.sa.gov.au/n/28hjMTZeGZ-7aGceOFBdF02fYy>

Although the survey is anonymous, if you have something that you would like us (or myself) to follow up with you, please pop your name in the comment or send me an email. Sometimes it is hard to get all of the information required to review process within the limited comments. We value your feedback and honesty and would appreciate the opportunity to learn from you regarding how we can do things better. Having a good understanding of your comments / concerns and feedback is essential in reviewing processes.

We do also acknowledge that some things, have been out of our control. For example, the decreased opportunities to connect with families onsite due to Covid restrictions. While this is not ideal, it hasn't been within our control. We miss these opportunities as much as you do.

BOOK WEEK

The Children's Book Council of Australia will be celebrating Bookweek 2022 from the 20th-26th of August. The theme for this year is 'Dreaming with eyes open.' At BPS we will be celebrating with a dress-up walk down to the triangle. The students are encouraged to dress up as a book character or book title. We will be stopping in the triangle for a short activity before returning to school.

All students will meet on the school basketball court at 9:30 for the taking of a whole school photograph and then we will all walk down Wallace Street and return by walking down Scotland Street, past the Kindy. We would love to see lots of people down the street so we can show off our costumes and celebrate our love of reading.

SPORTS DAY INFO

General Information

All students are encouraged to dress in their House Team colours, wear appropriate sun safe clothing, appropriate footwear and have a hat, sunscreen and plenty of water. Please contact the school if you are unaware of your Yr 3 - 6 child's House Team.

All students who participate are given points for their team.... Participation is important as is good sportsmanship.

Please be reminded, if you are taking your child home early, please inform the teacher and sign them out.

The canteen will not be open. Students may bring a packed lunch. The PCC will have cupcakes and coffee for sale on the day. A BBQ order form was sent out and has now closed.

Programs will be sent out on Skoolbag and SeeSaw and a hard copy was sent home today.

If you are taking photos and posting on Social Media, please be mindful that you are only posting photos of your children and not others.

The official opening will take place at approximately 9am. Junior Primary students may watch but will then return to their classes where they will remain in normal lessons until their scheduled early recess time. (Students to bring recess and fruit as usual) During this time, the JP students will have the opportunity to visit the cupcake stand (with their teacher) to purchase cupcakes.

The JP students will have recess then begin their health hustle followed by the rotation of activities. This will be at approximately 10:50am.

The Year 3-6 students move straight into their events after the opening, continuing through to lunch.

At approximately 12:30pm, staff will collect pre-ordered BBQ lunches. After lunch, students participate in sprints on the oval and stay for the relays and presentations. We aim to close the day between 2:45-3pm.

Please ensure you don't take your child home early if they are in a relay.

Please note: in case of inclement weather, events may be restructured, removed from the program or shortened. If the weather forecast on Monday evening indicates that it will be too wet or dangerous to run the day it will be moved to Wednesday. If we can't hold it Wednesday we will fulfill lunch orders but cancel Sports Day.

Sports Day Set-up

Many hands make light work... if you are able to come along and help set up for Sports Day at 7:45am on Tuesday morning (16/08) we would greatly appreciate it. Similarly, if you can hang around at the end of the day and help pack up, we would also really appreciate it.

Teachers have made contact with parents as they need two parent helpers per age group. If you are able to help and haven't already offered, please let the classroom teacher know.

COVID-19 UPDATE

We need to ensure we are complying with current Health SA and DFE guidelines.

Please note that families will not be allowed to sit with classes at eating times and must sit away from the house tents. Please feel free to bring a chair to sit on the Eastern side of the running track for the sprints and relays.

All visitors to the school will need to use the BER disabled toilet and we will be cleaning this at regular intervals.

All visitors must sign in and out at the Scorers tent. **Please do not attend if unwell.**

Information for ALL Spectators and Volunteers

The following expectations have been put into place to ensure we are following DfE and SA Health Covid requirements. We request that you abide by them as we have worked hard to ensure we have procedures in place that allow spectators to attend Sports Day.

All Spectators / Visitors to the School (including parents, community members and non BPS siblings / children) **MUST:**

- **Sign in and out** via the Sign in sheet located at the Scorer's tent. It is essential that we have an accurate record of all attendees.
- Adhere to the 1.5m Social Distancing rule at all times. This includes when lining up for pre-ordered lunch, coffee and cupcakes and watching events etc. Pre-ordered lunch for non-school student spectators, cupcakes, drinks and coffee will be located outside of the OSU – North of the Bus Road
- Students will stay in their class group when eating. Parents / non school children will need to be seated away from groups of school students.
- JP students are given the opportunity to purchase cupcakes throughout the morning (prior to the start of their sports day). Please feel free to send your child with money for a cupcake and a staff member will assist them.
- The volunteers who will be serving the food, will serve all condiments. You must not help yourself.
- Use the Disabled toilet located in the BER building. This is a single toilet. At times, there may be a line up so please be patient. Alternatively, there are public toilets available in Apex Park (near the Skate Park) Visitors are not to use the other toilets located onsite as these are dedicated staff and student toilets.
- Covid hygiene must be practiced regularly throughout the day. It would be appreciated if you could bring your own Sanitiser please.
- The water bubblers can only be used for refilling water bottles. Students and families need to bring their own water.
- The playgrounds and equipment must not be used by any non-school children at all throughout the day. If younger siblings are attending Sports Day and are restless, we suggest you take them to Apex Park to play on the fantastic public playground.
- Spectators and volunteers will need to stay on the Eastern (Wallace Street) side of the oval to watch the sprints and relays. Please feel free to BYO chair and / or picnic rug. Only School students and staff are to be sitting near the House Team shades.
- If **students are leaving early**, a parent must speak with the teacher first and then the student must be signed out. The sign out sheets for all students will be located near the Scorers tent. First Aid will also be located in the Scorer's tent. Please don't take your child home before they have finished all of their events. It adds some extra pressure to Sports Captains if students are in relay teams but leave prior to the race.

We are looking forward to a great day, encouraging Participation, Encouragement and Good Sportsmanship from competitors and spectators.

Regards, Dianna

Positive Play:

We introduced the positive behaviour strategy of Positive Play

in 2020. The criteria for receiving Positive Play is ensuring that students return to class on time after each break and they don't leave a learning area without permission. Students who have been successful in these two areas, receive 15 minutes of free play on Friday. Students who do not receive Positive Play, spend that time speaking with their teacher about which expectations they did not meet and why that was the case. They then work on strategies to avoid the same situation the following week.

The introduction of this strategy resulted in a significant decrease in students in the yard during learning times. It is now time to increase the expectations for receiving Positive Play. As of next week, in order for students to receive Positive Play they will need to:

- Return to class promptly after breaks (they have a three minute music warning and then a siren to indicate the cut off time in which to return to class)
- Only leave the class when they have permission from the teacher
- Wear correct School Uniform eg.
 - School Hats must not be written on, cut or ripped
 - Hoodies are not to be worn under Polos
 - Long sleeve shirts in a colour other than Black are not to be worn under Polos
 - Clothing should not show large visible logos

Please see list to the left which indicates other uniform requirements.

We do understand that sometimes, students may not have a school jumper. In this case, they are allowed to wear their casual jumper but once they arrive at school, they need to attend the front office where we will exchange their jumper for a school jumper for the day. Students may also wear a cap / non- school uniform beanie to school, however, once they arrive at school, they will need to remove any non-uniform items.

If you have any questions about Positive Play please contact your child's teacher. If you have questions about School Uniform

BOOK WEEK PHOTOGRAPHY COMPETITION

Reading and photography are two wonderful pastimes so let us combine them for a special Book Week competition.

The students choose the book they are currently reading or their favourite book and have a photo taken of themselves reading the book in a place connected to the book. Some ideas to stimulate the imagination:

- 'Henny Penny' – you might be reading in the chicken coop
- A book about gardening – you might be in your garden.
- 'Specky Magee' – you might be reading the book at Saturday footy
- A book about farming – you might be in a header.

Be creative and you can use props such as toys, pictures or other people to help make the location of the story come alive!

To enter the competition either email your entry to Mrs Cleary at dl.0477.info@schools.sa.edu.au, along with the photo and make sure you include the title of the book. If you wish to print out your photo you can also do that and hand it into the front office. Students may enter more than one photo if they wish.

Entries can be submitted anytime up until **Monday 5pm on 22nd August**.

Have fun. Prizes will be given out at the Week 6 assembly. Mrs Cleary would like to acknowledge Central Yorke School for sharing their Book Week idea.

Here is Mrs Cleary reading *Floss*, which is about a dog who would rather play with the ball than herd sheep.

Here is Jayden reading a book about how to grow vegetables, while sitting in the garden.

All students who are currently participating in the Childrens Uni. program, bring your passports and evidence to school. Please see Mrs Cleary so she can update your information to send to Adelaide.

BOOK WEEK PARADE

FRIDAY 26TH AUGUST, WEEK 5

More information on Page 4

ROAD SAFETY

On Friday, 29th July (Week 1) , David the traffic policeman came to our school to talk about road safety. This is what we learnt:

- Crossing the road-when you see a car coming you have to stop and wait till the car goes passed. Then look right, then left, then right again until it is safe to cross.
- At a round-a-bout and you see a car coming, stop and wait until the car has passed and it is safe to go.
- You must wear a seat belt in any vehicle to stay safe.

David also bought along his teddy which was a german shepherd dog called, Jeffrey. They both tour around SA, visiting lots of schools.

We learnt that you should wear bright colours to make sure the public is aware that you are there.

There are many different types of school crossings. At BPS we have an Emu crossing. Across the road, at Horizon they have a Koala crossing. When you are at any Emu crossing you must stop and walk your bike over the road when the sign is up. When it is down, you have to stop and wait.

- Kourtney, Lynk, Amelia, Brianna and Ruby

Some of our School Captains, Ruby and Alexa thanking David for teaching us about Road Safety.

ROAD SAFETY

On Friday the 29th July David from the Road Safety Centre near the Thebarton Police Barracks, spoke with all year 4 - 6 students. He explained the road rules and the things that they can and cannot do on their bikes and scooters. It was certainly an eye opener for the students and staff with the range of things that you cannot do while riding a bike.

Officer David also stressed how important it was to download the **EMERGENCY PLUS** app to their phones and encourage families and friends to put the app on their phones. Emergency services can be called directly from this app by pushing one of the images on screen and pressing OK.

- Sandy Hodgetts

This was some feedback from the students....

Claudia - The Police officer spoke to the students regarding the road rules and how important it was to wear a helmet and ride 1.5 meters apart.

Joe - He demonstrated the appropriate hand signals to use when we ride our bikes.

Emilee - He stressed that it was very important to wear bright / light colours so that the traffic can see you.

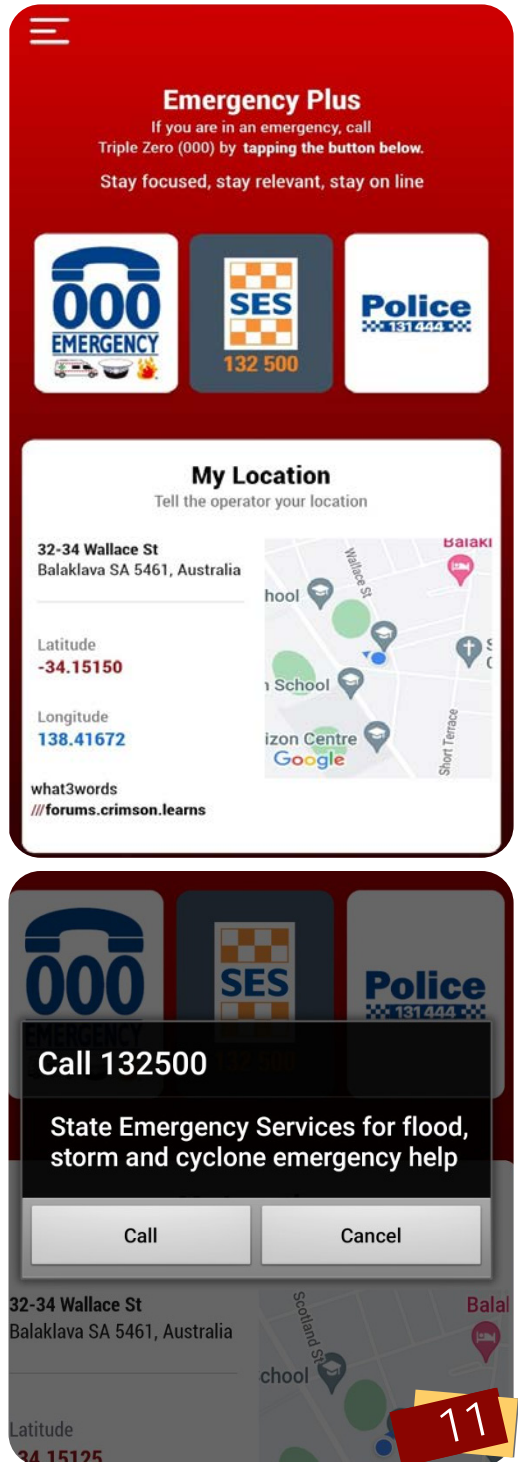

Caitlyn - He showed us all the different types of crossings and how to use each one safely.

Ty - He showed us videos on how to safely ride out bikes on the road with traffic passing.

Casey - It is illegal to ride an electric scooter on the road or footpath without a licence

Brooke - it is also illegal to ride a hoverboard on the road while using a licence.

Noah - you cannot use your phone or eat while riding your bike on the road and you cannot lead a dog off your bike too.

RM 6/7 AND BCCC VISITS

Over the next few weeks, Room 6 and 7 will visit the BCCC kindy kids and do activities with them. This helps build friendships between the kindy and school children.

PRINCIPAL'S DAY

Happy Principal's Day Mrs Jarman!

We all think you are a legend, and we know how lucky we are to have you as Balaklava Primary Schools' Principal. Thankyou for all you do for us - you are amazing!

FOOTSTEPS

Over the next few weeks of this term we are doing a school based program called Footsteps. Footsteps is a Dance Company that specialises in curriculum based school dance programs.

The Arts

Balaklava Eisteddfod

A well done to all those who participated in last weeks Balaklava Eisteddfod. Thank you to those who came and helped the Eisteddfod prepare for promotions and stag set up for the next day, and to all the volunteers through the weekend.

A huge round of applause to our "Rocktrumentalists" who were amazing! They also had an in-school encore at assembly which was awesome! A week off of rehearsals to celebrate - you've earned it!

We Are Learning To (WALT)

Over the last two weeks I have sent out what we will be learning to do in arts and technology. I am often told by parents that they wish to know what their child is doing and what their expectations are and so this semester I decided to make a take home sheet.

To answer the common student question "but why?" I put in a section that explained why this is in the curriculum, how it helps their development and how it relates to real-world situations.

I asked the students to have the conversation with their family within the first three weeks, to encourage discussion, insight and show how they interpreted the read-through (and for those who might forget it in their bag!). I requested that they get a signature from their caregiver after they had spoken about it with them so that students wouldn't forget about it.

Important Dates

I hope you have found the WALT sheets informative and interesting.

2022 FOCUS IS LITERACY

Staff have been busy attending training sessions over the last year to learn more about Literacy, Spelling and Reading in particular. We have been reading a book called *Spelling for Life* by Lyn Stone and she has listed a few 'spelling for life quick rules.' There are many spelling rules, we will list a few in each newsletter during the term. It will be interesting to see if you have heard of these rules before. We will also share some definitions of terms you may not have heard before.

You may notice the more technical terms being used in classrooms and your children may come home using this language. The way we deliver spelling has slightly changed due to the training we have been doing, the foundation work of grammar and spelling rules have always been taught and will continue to be.

We will continue to work in adding this information and some new activities to our school website as the term progresses.

Week 3

Spelling for Life Quick Rules List

- When a vowel is at the end of a syllable, it may say its name.
- When you cannot use <e>, or <i>, use <y>.
- Final Silent E can make a vowel say its name, even if it has to jump over a consonant to do it.
- Final Silent E can make a <c> say /s/ and <g> say /j/.
- Final Silent E stops the word from ending with Illegal Letters.
- Final Silent E can give the last syllable a vowel.

Glossary

- **Prefix** – A letter or letters added before a base to form a new, related word.
- **Root** – The earliest known origin of a word.
- **Suffix** – A letter or letters added after a base to form a new, related word.
- **Base** – The simplest possible meaningful word-unit with no prefixes or suffixes; e.g., the removal of the prefix and suffix from the word 'unclearly' leaves the base 'clear'. This cannot be reduced any further.

This week we had 3rd vs 4th play each other, with Brightwood claiming victory and moving to the preliminary final. 1st played 2nd with Preston winning a tight match and moving straight to the Grand Final. Dalkey has the second chance and will be playing Brightwood in the preliminary.

If weather permits the preliminary final will be played this week on Friday and the Grand Final on Monday. Stay tuned for the outcome of this exciting competition. Results to be published in Week 5 Newsletter.

SPORTING SCHOOLS GRANT BASKETBALL

Sporting Schools offers grant opportunities for primary schools to help increase children's participation and opportunities in sport. It also helps and allows children to further develop their motor skills. This year so far we have been successful in having Lacrosse in Term 1, AFL Football in Term 2 and now Basketball for Term 3.

Here are some pictures of the students learning new skills from the Basketball Program so far.

Dear Families,

Balaklava Community Children's Centre

invite you to a

2023 Kindy Information Meeting

1st Sept 2022 3:45pm

at the Centre, 15 Scotland St, Balaklava.

Come hear about the changes to the Preschool enrolment process and when your child is able to start.

What options as a parent/carer do I have around my child's start date?

Have your questions answered.

See the Kindy uniform items which you MAY choose to buy.

My child is indigenous, does this affect their start date?

Receive an Enrolment Pack to complete, and find out about the Centre needing your child's up to date Immunisation History Statement prior to their start date.

Meet the Kindy teachers.

Receive an information flyer so you know what your child needs each day they are at Kindy.

Dear Families,

Preschool is such a year of rapid growth for children- full of challenges like separating from parents and families; learning with other children; forming new relationships with educators and blossoming over the 4 terms as their growing independence emerges.

In addition to starting Kindy at the beginning of the year, in 2023 we see the introduction of a mid-year intake into preschool. Children who turn 4 years old before 1 May can continue to start preschool at the beginning of the year. Children who turn 4 years old from 1 May to 31 October can commence preschool at the start of term 3. All preschool children will receive 600 hours of preschool across 4 terms. Children starting preschool in the 2023 mid-year intake, will complete terms 3 and 4 plus terms 1 and 2 of the following year. They will then start school in term 3, 2024 in the mid-year intake. A mid-year intake will start in schools for term 3, 2024. Students who start school through a mid-year intake complete 6 terms of reception.

Have questions? Please join us at Balaklava Community Children's Centre at our information session 3:45pm Thursday 1st September 2022. Looking forward to seeing you,

Dale Gathercole, Director, Balaklava Community 8th Aug 2022
