## From the Principal

It was great to see all of the students return on Monday happy and full of wonderful stories about their holiday break. Students settled back into the learning routine quickly. We warmly welcome all of our new and returning students and their families to BPS.

### Welcome

We would also like to warmly welcome:

Emily Thomas will be teaching in Ber 4 on Monday, Tuesday and Friday while Courtney Durkay backfills Michelle Pudney, Deputy Principal.

Jess Fiegert has returned from Maternity leave and is teaching Michelle's Physical Education lessons while she is on leave.

We welcome Kim Maynard to Balaklava Primary School, acting Deputy Principal, Wednesday and Thursdays for the first 4 weeks.

Kym Palka has returned this term, teaching in Rm 18 on Wednesday to release Jo for her Literacy Coordinator role and in Rm 2 on Thursday and Fridays.

LEST WE FORGET

ANZAC DAY

### Anzac Day

Thank you to Cherie Cleary and Jo Michalanney for supporting Halle, Amber and Grace at the Anzac Day Dawn Service. More information on page 7.

### STUDENT FREE DAY

Monday 29th May – Week 5

Staff will engage in a session with Sally Rundle around Wellbeing, Optimising Cognitive Functioning, learning and resilience. This day has been organised by Riverton Primary School and we have been fortunate to have been invited to attend. It will be pre-learning prior to our Student Free Day – Monday 24th July (Day 1, Term 3) when the Resilience Project will deliver training to all of our staff across the Gawler 2 Portfolio.

We do apologise for the late notice and that this does not align with a BHS SFD.

### School Photos

These will be held on **Wednesday 25th May, Week 4**

While we appreciate the opportunity to have these precious memories of our children, we remind you that the photos are school photos and not a personal professional shoot. With this in mind, we do ask that you don't send your children to school with large hair bows, coloured hair or other hair accessories that you would not normally allow your child to wear to school.

Envelopes were sent home Monday this week. Further details on page 5.

Hello, Students, Parents and Community,

My name is Kim Maynard. I am really excited to be working with you all here at Balaklava Primary School each Wednesday and Thursday as the acting Deputy Principal during the first four weeks of term, while Mrs Pudney is away. I am delighted to be sharing the role with Miss Durkay who knows you all really well. I am from Clare High School where I work with Year 11 and 12 students, so it is wonderful to be spending some time in a primary school with younger students which is where my teaching career began.

I have had a wonderful first few days and have been welcomed warmly by all staff and students. I have spent some of my time popping into classrooms and wandering around the wonderful school grounds spending time speaking with the amazing young people and staff of Balaklava Primary School. I have seen some excellent teaching and learning both in and outside of the classroom which is fantastic. It was lovely to see that the kindergarten children had a visit on site here yesterday too!

Everyone has bounced back into action after the holidays and have begun the business of teaching and learning from the get go. There are so many amazing things happening here already this term which is wonderful to be a part of.

I am looking forward to sharing the learning journey of all students and staff at the school over the next few weeks and wish everyone all the very best for the busy term ahead. - **Kim Maynard**

## School Uniform

We have been enjoying some glorious weather, however, as the week has progressed, it has turned a little chilly. This has meant that suddenly students are looking for their jumpers. I would like to remind all students and families that students are not to wear hoodies under their school clothing and that long sleeve tops under school shirts must be black. Pants must be school grey or black and not display large logos or stripes.

## Unwell

Thank you for your on-going support in keeping students home when they are unwell or showing symptoms of illness. While you may have tested your child for Covid-19 and they test negative, we know that there are many other illnesses that can be spread amongst students, especially at this time of the year (eg Influenza). If your child attends school unwell, or develops symptoms throughout the day we will be phoning home for the student to be collected from school.

Students with an illness other than Covid should be staying away from School for a minimum of 24 hours after their last symptom. We strongly recommend keeping students home for 48 hours after their last symptom to ensure they have fully recovered before returning to school. Thank you for your co-operation.

## COVID-19 UPDATE

### Covid-19

If your child develops COVID-19 symptoms, they should get tested and stay at home until they are well.

If your child tests positive, you must inform the school **immediately**.

Please keep positive COVID-19 students at home for 5 days until acute symptoms have cleared and take steps to protect others. Siblings of confirmed positive cases are considered a close contact and should follow the advice from SA Health.

### CHANGE OF DATE:

**Please note, Scott's BMX Trick Show has now changed to**

**WEDNESDAY 17th MAY, WEEK 3**

Hello everyone,  
Welcome to Term 2. For those of you who don't know me, my name is Courtney Durkay and I will be acting Deputy Principal for Weeks 1-4 this term while Michelle Pudney is acting Principal at Owen Primary School.

This is my fourth year at Balaklava Primary School and this year I am teaching Year 2/3 in BER 4.

I will be in the Office on Mondays, Tuesdays and Fridays and will still be teaching in the classroom on Wednesdays and Thursdays. Emily Thomas will be teaching for me in BER 4 on the days I am in the office.

I am excited for the new things to come and the challenges this new role may throw at me.

When I am on crossing duty don't forget to say Hello and introduce yourself.

Have a happy and healthy Term 2.

- Miss Durkay

### Aboriginal Education Teacher News

Hello parents and carers,  
I hope you had a wonderful holiday break with your families and that the children are looking forward to lots of positive learning experiences in Term 2.

Reconciliation Week begins on 27th May with National Sorry Day and continues until 3rd June. The theme for 2023 is "Be a Voice for Generations".

Our First Nations students will look at what this means for their generation as well as past and emerging generations and how to use their voice to highlight issues that affect our Indigenous Australians.

The students will present their learning to the school community in a variety of ways including at an assembly later this term. Several of our First Nations students participated in the "Our SAAY" Public speaking competition in Week 9 last term. They researched a chosen topic and prepared their speeches which were recorded onsite and entered into this statewide competition.

4

Topics included Racism, Culture, Sporting heroes and The Stolen Generation.

The students did an excellent job when delivering their speeches and we are extremely proud of their efforts.

Judging results will be announced in June. I will include their speeches in the next newsletter.

- Ms Vivienne Churchett

### Introducing Audiri

Hi parents!

You've no doubt seen many improvements to SkoolBag over

recent months – a new home screen, clearer posts, added options to take RSVPs for events, and much more! We're focussed on continually improving and updating our features and functionality to ensure you have all of your important school notifications in one place.

In exciting news, we're pleased to share that from 1 May, we'll be updating the app name from SkoolBag to Audiri.

Meaning "to be heard", Audiri is a free app helping parents, schools and the broader community stay connected. **The best part is you don't need to do anything to upgrade to Audiri.** On 1 May, we'll release an update to the App Store that will replace the existing SkoolBag app with Audiri. Once you update the app store, your new Audiri app will be ready to use.

If you've got any questions, we'd love to hear from you. Contact us at support@skoolbag.com.au.

Stay tuned for more updates!

**PCC**  
**MEETING**  
Friday 12th May (Week 2)  
Time: 1:30pm  
Location: BPS Staff Room in the Front Office

## SCHOOL PHOTOS

School Photos will be taken:

### Wk 4, Wednesday, May 24th

Please read & follow the instructions below as it varies from the company photo envelope notifications.

- The front office DOES NOT handle any money eg. supply change relating to the photo orders - nor can we organise advance credit for photos on your behalf.
- **ALL photo envelopes are to be returned** even if you are not purchasing any items - they are barcoded and assist with the correct placement/spelling of your child's name in the class photo.
- If your child's envelope is not returned by TUES (May 23rd) we cannot guarantee their individual or family photos as the morning is incredibly hectic and in previous years, sometimes the envelope is given to us AFTER the photographers have finished.
- Students not in school uniform will be provided with a maroon windcheater to wear. No large hair bows/ribbons are to be worn.
- Family photos CAN include other siblings eg. Balaklava High School Students.
- Family photo envelopes are available from the office next week.

## FRIDAY 20TH MAY (WEEK 3)

BPS became a Way2Go school in 2019 and in doing so committed us to an Active Travel Plan. Last term our National Ride2School Day was very successful with 130 students riding or scooting to school and this term we have the National Walk 2 School Day.

We are intending to keep to the same structure of staff being stationed at meeting points around the town. Students, children, and parents that are either walking or riding to school can meet at these points. Children who at OSHC will be picked up on the way.

Meeting points are as follows;

- Cnr Edith and East Tce: 8:05am - Mrs B
- Cnr Kelly and East Tce: 8:10am - Mr Palka
- Cnr Virgo Tce and Short Tce: 8:20am - Bec Houston
- Cnr Roberts Ave and East Tce: 8:10am - Mrs Cleary
- Cnr Humphrey and Wallace St: 8:15am - Mrs Michalanney
- Off Whitwarta Rd by entrance to silos: 8:05am - Miss Durkay
- Cnr Fisher and Charles St: 8:10am - Miss Marks
- Cnr Harris and Wallace St: 8:20pm - Mrs Gregor

Once at school the students can get a 'Walk to School' tattoo. - **Miss Durkay**

## JOIN US FOR A "COFFEE + CHAT"

Friday 19th May (Week 3)

From 9am at Apex Park

(Across from the school, near the Nature Playground)

*This is not a PCC meeting, more of a casual come along and have a coffee morning, once you drop the kids off to school.*

*More then welcome to bring younger kids along and they can have a play.*

*Any questions please contact Ali Tiller, Melissa Smith or Amy May via Facebook.*

## **BOB (Be Our Best) Term 1 review**

An Interview with Rm 18 students.

'We started BOB in term one and our first focus was on Success – Success is doing your personal best at something you have set out to accomplish. We developed action plans to begin the day with confidence. We discussed how we could motivate ourselves, as at times we don't want to do some things.

*'When I need motivation I try to make the task fun.'* – Zander

*'When I need motivation I say to myself "If I do it now, I don't have to do it later."'* – Charlotte

Our action plan included using positive self-talk, looking after our health by beginning the day with a good breakfast, getting plenty of sleep and exercise and using a growth mindset.

We learnt that self acceptance is important. Self acceptance means having an attitude of accepting myself and how it can help us not get too down when bad things happen. We are learning to identify our strengths and challenges and what we can do about them.

A growth mindset means that you are always open and ready for learning and that you can give things a try no matter what.'

The most important thing I learnt was:

*'To always appreciate yourself. If you don't appreciate yourself you let the negative self-talk take control.'* - Charlotte

*'Take care of yourself both physically and emotionally'* - Zander

*'To never give up. I will use a growth mindset.'* - Ilka

*'To like yourself, the way you are.'* - Maddalyn

*'Be yourself. You don't have to act like others.'* - Charlie

In term 2 we will be learning about character strengths.

## BOB logo competition

The school has run a competition to design a BOB logo. The SRC will be looking at all of the entries this week and will decide on the top designs. These designs will then be introduced to all students at our Student Information Meeting on Friday. A vote will then take place in each class.

Students were asked to think about the concept of Being your Best and how to show personal growth. These ideas then needed to be depicted in a logo.

## Anzac Day

It was an early start for some of our students on the 25th April. Arriving at the triangle pre-dawn, Amber, Halle and Grace, dressed in school uniform, were ready to take part in the official ANZAC Day ceremony. Our students read the 'Acknowledgement of Country' and laid a wreath at the Shrine on behalf of the Primary School. The girls spoke very clearly and confidently at the service and looked very smart in the School winter uniform.

## Children's University

Bush Buddies, ANZAC biscuits, Tree Climb, Animal Craft and Build with Lego are just a few of the tasks and learning destinations our students have participated in during Term 1 to earn hours in their passports. Thank you to The Balaklava Community Library for organising some of these extra learning activities.

Can all Children's Uni students please bring their passports and any paper evidence to Mrs Cleary next week as hours need to be updated each term. It has been really interesting listening to the extra study students have been undertaking out of school hours. Well done to our Uni students and a big thankyou to all parents who are supporting students with their extra learning.

Some of our Children's Uni students attended "Bush Buddies" at the library during the school holidays.

# LOVE OF READING

At BPS our site plan is focused on literacy and we are diving deeper into encouraging a love of reading with our children. In the following newsletters you will see some book recommendations from staff and students at BPS. We would love to see our community involved so if you would like to contribute to our sharing of book recommendations please send a book review to [jo.michalannee323@schools.sa.edu.au](mailto:jo.michalannee323@schools.sa.edu.au). There is no right or wrong way to do it- just a few words about the book and a picture of it if possible please.

If you haven't already please like the Balaklava Community Library facebook page. They have lots of wonderful events and sharing of reading activity ideas throughout the year.

Our school facebook page also has lots of ideas and suggestions to support student learning. It is a great way to keep up to date with what is happening at school.

Happy reading!

## BOOK REVIEW

**Title:** The Work Wives

**Author:** Rachael Johns

**Brief summary:** Two best friends work together in a busy office. One is a single mum while the other is a young lady looking for love. They go about their daily lives and end up with a new boss. One is interested in forming a relationship with the new boss and the other hoped to never see the man again. This creates some controversy and shakes up everyone's lives. I wonder what happens....

A great book, easy to read by a well-known Australian Author.

**Favourite part:** When the DNA test results come back and the work wives are blown away by the results. What happens next is certainly a surprise!

**I rate this book:** 3 out of 5 smiley faces.

I recommend this book to those who like a romantic novel, there is never a dull moment!

**By Mrs M**

## BOOK REVIEW

**Title:** Tashi Lost in the City

**Author:** Anna Fienberg

**Brief summary:** In the first part, Tashi goes shopping in a big city with his grandma. He goes and rescues a man from bricks that have fallen on him. Then he goes to find his grandma and realizes he is lost! Then this other man came and tricked him and took him to a dungeon. Tashi found another person in there, they thought they found a way to escape until..... they saw a big man! The man realized that it was Tashi who rescued him from the bricks ..... what happens next..... You will need to read the book to find out.

**Favourite part:** When Tashi pretended to die.

**I rate this book:** 4 out of 5 smiley faces.

I recommend this book to people who like adventure stories and children.

## Auslan

Auslan Day was held on the 13th April this year. It is a day to celebrate Auslan and to encourage others to learn Auslan, which we celebrated last term.

Auslan is short for Australian sign language. It is a language that was created by the Australian Deaf community in order to make communication easier for them. Auslan has been around for over 200 years. It consists of hand signs and finger spelling using the Auslan alphabet.

The 13th April 1989 was the day the first Auslan dictionary was published.

Auslan was previously known as sign language. The publication of the dictionary gave the Australian Deaf community a name for their language. In 1991, Auslan was recognised as a community language in Australia.

It is estimated that 16,000 people in Australia now use Auslan. Auslan Day is a great day to teach people about Auslan and encourage them to start learning it so that they can communicate better with the Australian Deaf community. By teaching children how to use Auslan, we will be helping them to communicate with a huge group of people.

## SAPSASA BOYS FOOTBALL

Once we arrived at Blyth we had to wait a bit to play a game, and there was a game before we could play. So we watched a bit of the game and then we went to practise behind the goals. We talked about how we want to play and then the siren went so we ran into our positions ready to play.

The game started and we figured we were versing Burra. I was defending so I was just watching the ball going down the field. Burra was coming our way with the ball so I stood on someone and the ball came, I got the ball and handballed it to Kobe and he kicked it. The game went on and they got some goals and we got a goal and in the end they won. We had a break then we were versing Clare 3.

I was in forward for the whole game so I had a chance to get a goal. I got some kicks but no goals, the others got some though. That was our second game that we lost but we still have other games to play though. We had recess next so we got a little break. The next game we had to verse our other Balaklava team so I was in defending again for the game, but we got a lot of goals and we were winning. The peckers got some goals to but the siren went for the end of the game.

It was lunch so we had a talk with the team and had some lunch. I had a hotdog and a black current powerade. The next game we were versing Clare 2 I was in forward for the 1st half. I was in centre 2nd half. We got flogged in that game and we were tired. The next game was only 12 minutes against Peckers again I was in back defending again and we got some kicks and some goals but we lost by a goal. That was the end so they had presentations and we went home.

## SAPSASA GIRLS FOOTBALL

On Thursday 6th of April we went to SAPSASA girls footy at the Riverton oval. It was really fun and it was a different experience for some of us. We did some drills with Todd Thorne and learnt lots of new things. There was 3 teams Balaklava, Burra and Clare. We played 2 games and at the end we joined teams and played a bigger game. We did some handballing drills and some kicking drills. We played Clare first we were lucky enough to beat them, then we played Burra and they were a tough team, unfortunately they won by 2 points. The last game was a little weird, some of Burra players went on Clare's team then the rest went on ours. Balaklava won but it was a tough and amazing game.

# SAPSASA SOFTBALL

Monday 3rd of April to Wednesday 5th April I played SAPSASA softball for Mid North with Alana and Caitlyn.

Sunday, we took the caravan down to West Beach caravan park. On Monday we met Mr. Brice at 9:00 our first game was at 10:10am. We won our first two games but the results didn't count as we had to play them again. Our third game we played against Barker/Hills. They had good pitches and batters in the end they won by one run. I had a swim in the pool with some of my team mates Taylee and Evie who also stayed at the caravan park, to cool down that night.

Tuesday day two was an earlier start. Our first game was at 9:00 I made a double play with Caitlyn I caught the fly ball and then threw the ball to first base to get the second out. We won that game. Game two and three we won well. Caitlyn hit two massive out field hits and got a few home. Alana did a good play to first for an out. It was very hot that day, so we went to the beach for a team swim which was fun. At the beach we played surf live saving races.

Day three Wednesday was an early game at 8:30, we won this game by a lot. Game two we got to play on one of the main diamonds with the dug out dirt. This game was fun because the ball was bouncy off the ground. My dad came and watched that game. Game three we were playing to get second place. It was a close game, but we won. Dakota took an awesome catch. Alana, Caitlyn and I had hits off the pitcher and got home. We then went to the presentations and didn't realise that we came first with East Adelaide as we both only lost one game. I had a great time and got a gold medal.

# SAPSASA SWIMMING

At SAPSASA Swimming at Clare you could do 5 races and a relay. If you wanted to you could warm up before the 100m freestyle but you didn't have to. The warm up was 4:30 to 5:00pm.

The races were 100m freestyle, 50m freestyle, 50m breaststroke, 50m backstroke and 50m butterfly in that order.

The relay was a freestyle relay and we had to swim 25m each. There were exactly 8 groups of 4 for the 8 lanes we had.

I swam well and got selected to go to the Adelaide swimming competition.

## **Balaklava White**

On Wednesday 12th April we went to Blyth to play SAPSASA netball. Our White team started warming up early in the morning. Throughout the day we played against Burra 1 and 2, Clare 1, 2, 3, 4, 5, and the other Balaklava Black team.

Our team had Claudia, Delilah, Caitlin, Bonnie, Brooke, Ilka, Willow, Lexie, Amber and Emily. Claudia played GA and GS. Delilah played C, WD and GS. Everyone played well.

We came 3rd for the day and tied with one of the Burra teams. Thank you to Holly for umpiring and Carly for coaching. Thanks to our parents for scoring and cheering us on for the day.

**- Claudia and Delilah.**

## **Balaklava Black**

On Wednesday 12th April we went to Blyth to play SAPSASA netball. Our Black team started the day playing against the yellow team first. We were lucky enough to win the first game 11 to 1. We played 7 games for the day. We ended up winning 2 out of the 7 games. The day was tough and our skills were stretched but we had lots of fun.

In our team we had Halle, Grace, Molly, Taleisha, Maddalyn, Ava, Emily, Tori, Lucy and Alexa.

Thanks to Mia for umpiring, Melissa for coaching and Tash for helping us. Thank you to all our parents for taking us and supporting us.
