Department for Education

From the Principal

Thank you to our parent volunteers for their support with the Mothers Day stall. Held on Wednesday, Thursday and Friday last week. Again, we were fortunate enough to have a wonderful selection of gifts, organised by Nikki McCracken. I think everyone who received a gift will agree, Nikki does a super job selecting great gifts for students to choose.

Parent Volunteers who helped out on the Mothers Day stall:

Defibrillator

This week, the Finance Committee and Governing Council agreed to the purchase and installation of an outdoor Defibrillator.

While we always hope that there is never a need for a defibrillator, it will provide peace of mind and confidence that if the need does arise we have one available and ready to use. It will also provide another outdoor option for our community. We will let you know via the newsletter when and where the Defibrillator has been installed.

Volunteers at BPS

The use of the Volunteers at BPS page (*Balaklava Primary School Volunteers*) continues to be a good way to reach out to the community when we need volunteers. If you are not a member of this Facebook page, please join. Many hands make light work.

We are still looking for volunteers to help with our School Photos. Please comment on the Facebook post if you can help. If you are not on Facebook, that is okay. Please let the office staff know that you are available and we will pass the information on to the Parent Coordinating Chair, Ali Tiller.

Parent Coordinating Committee

The PCC are holding a coffee, cake and chat tomorrow morning. Please see page 6 for further information.

This will be a fantastic opportunity to meet other parents while younger siblings have a play in the playground. This will be a great opportunity to ask other parents any questions you may have or find out ways in which you can be involved in our school.

BPS Biggest Morning Tea

Thank you to Marcia for organising a Biggest Morning Tea event at BPS today. Thank you to our wonderful staff who all provided a plate to share. We enjoyed delicious food while helping to raise funds for a very good cause.

We raised approximately \$160

Covid Positive Notification

Please continue to inform us **ASAP** if your child has tested positive to COVID-19, even if they haven't been at school during their infectious period. An Eform can be found on Audiri (formally Skoolbag) which can be used to notify us. The Department for Education has the following directive regarding COVID-19.

- If your child develops COVID-19 symptoms, they should get tested and stay at home until they are well.
- If your child tests positive, you must inform the school immediately.
- Please keep positive COVID-19 cases at home for 5 days until acute symptoms have cleared and take steps to protect others. Siblings of confirmed positive cases are considered a close contact and should follow the advice from SA Health.
- People who have recovered from COVID-19 will not be considered a close contact for 28 days after testing positive.
- The safety and wellbeing of our students and staff is paramount. As such, we will continue to work closely with SA Health to ensure that all necessary health advice is closely followed, and all necessary precautions are taken to minimise the risk of further transmission within our community.

We will continue to provide regular updates of positive COVID-19 cases in our school.

Illness

It is the time of year that colds, flu and bug such as gastro do the rounds. It is extremely important that we minimise the spread of any of these illnesses. The best way to stop the spread is to ensure that your child does not attend school when unwell. Students must stay home for 24 hours after their last symptom, however, to ensure your child is completely recovered, we do strongly encourage you to keep your child home for 48 hours after their last symptom. It takes everyone doing the right thing to ensure we can limit the impact for all students and staff.

OSU Air-Conditioning

Many of you will be aware that our Open Space Unit reverse cycle Air-conditioning has not been working effectively for a very long time. During the holidays, Department funded work began on the replacement of the Air-conditioning system including the new fresh air ventilation requirements brought about by COVID. We have now had individual units installed in all teaching and learning spaces. It had its first run yesterday afternoon and while not complete just yet, we can certainly see the completion approaching. Assemblies should be much more comfortable for all. We are all very excited about this long overdue replacement. Thank you to Diane for her ongoing work behind the scenes. Diane has been pushing this project for at least 8 years.

School Photos

Wednesday 25th May, Week 4

While we appreciate the opportunity to have these precious memories of our children, we remind you that the photos are school photos and not a personal professional shoot. With this in mind, we do ask that you don't send your children to school with large hair bows, coloured hair or other hair accessories that you would not normally allow your child to wear to school. Further details on page 4.

SCHOOL PHOTOS

School Photos will be taken:

Week 4, Wednesday, May 24th

Please read & follow the instructions below as it varies from the company photo envelope notifications.

- The front office DOES NOT handle any money eg. supply change relating to the photo orders - nor can we organise advance credit for photos on your behalf.
- **ALL photo envelopes are to be returned** even if you are not purchasing any items - they are barcoded and assist with the correct placement/spelling of your child's name in the class photo.
- If your child's envelope is not returned by **TUES (May 23rd)** we cannot guarantee their individual or family photos as the morning is incredibly hectic and in previous years, sometimes the envelope is given to us **AFTER** the photographers have finished.
- Students not in school uniform will be provided with a maroon windcheater to wear. No large hair bows/ribbons are to be worn.
- Family photos CAN include other siblings eg. Balaklava High School Students.
- Family photo envelopes are available from the office this week, up until next Monday 22nd.

SCOTT'S BMX TRICK SHOW

SAPSASA CROSS COUNTRY

On Monday 15th May I went to Burra to compete in the SAPSASA Cross Country Event. The course we had to run was over different surfaces such as, uphill, grass and a very rocky path (I didn't fall over which was lucky!)

The course was about 3km long and there was people every few metres to tell you where to go. I came 1st in my 11 year old boys race.

I have been selected to run in Adelaide in about 3 weeks time on a race course track which will be different than what we ran on at Burra. I am looking forward to racing again!

SAPSASA SWIMMING

At S.A.P.S.A.S.A. Swimming we did the warm up at 9:30-10:30. Division 1 and 2. For every event Division 1 and 2 boys and girls 10, 11 and 12 year olds were all marshalled at the same time so I will just put it under 1 event. Then it was 100m freestyle boys and girls division 1 and 2. Then it was 50m backstroke, 50m breaststroke and 50m butterfly. Then it was the lunch break. After lunch was the relays. 10, 11 and 12 year olds in that order. 10 year old boys came second. 12 year old boys came second to last. The rest I don't know because I was marshalling.

JOIN US FOR A
'COFFEE + CHAT'

Friday 19th May (Week 3)
From 9am at Apex Park
(Across from the school, near the Nature Playground)

This is not a PCC meeting, more of a casual come along and have a coffee morning, once you drop the kids off to school.

More then welcome to bring younger kids along and they can have a play.

Any questions please contact Ali Tiller, Melissa Smith or Amy May via Facebook.

OLDEN DAY DRESS UP

As part of the History topic – The Past and the Present - the R – 3 classes will be learning about the olden days and how our ancestors lived. School days, clothing, household items and furniture are part of this learning.

Each of the classes have already, or will be visiting the Balaklava Centenary Hall Museum. The Museum has an amazing collection of authentic 'Olden Days' memorabilia for the children to look at and discover.

We will be having an olden day school morning / half day that will involve getting 'dressed up' and experiencing what school was like in the late 1800's. All Junior Primary classes – Reception to Year 3 - are going to join in on this day too and have their own dress up and school day in their own classes. We would love to have you join us at around 10:00am so that we can perform the Heel and Polka dance as well as join in some olden day games.

PLEASE NOTE THAT THE DATE FOR THIS SPECIAL DAY HAS BEEN BROUGHT FORWARD TO WEDNESDAY 31ST MAY.

First Nations

Hello to our First Nations families,

National Reconciliation Week 2023 begins on 27th May with "Sorry Day" and continues until 3rd June, which is Mabo Day.

This year's theme is, *"Be a Voice for Generations – Act Today for a Reconciled Tomorrow."*

I discuss Reconciliation and the various concepts related to this, with the First Nations students throughout the year.

We will focus our learning in Week 4 upon "Sorry Day" and why it is so important for Australians to recognize the impact of European colonization upon our First Nations people, their land, their languages and their culture.

In Week 5 we will learn about Eddie Mabo who was the Torres Strait Islander elder who led the efforts to reform the rights for all Indigenous Australians. Mabo Day is an official holiday in the Torres Strait Islands and celebrates their unique connection to the land and the legal claims that led to the Australian Parliament passing the Native Title Act in 1993.

National Reconciliation Week always concludes with Mabo Day, which is the 3rd of June every year.

The Aboriginal Education Teacher at Balaklava High School is Mr Josh Jenner. He has organized a special National Reconciliation Week event to be held on Thursday 1st June at the BHS grounds and has invited participation by BPS students and First Nations families. The event commences at 9am with a Whole School Assembly. Then at 9:40am all students, staff and visitors will congregate on the BHS Oval area. An outline of the Aboriginal flag will be drawn on the oval and students are encouraged to stand in the areas to create a "Human flag" which will be photographed from above by a Drone. Josh Jenner has requested that students wear T-shirts in the Aboriginal flag colours – Red/Black/Yellow on the day, for this part of the event. Morning tea will be provided for First Nations families and visitors after the flag activity. More information can be found on page 9.

Unfortunately I cannot attend this Reconciliation Week event due to other teaching commitments. However, I am sure it will be an excellent opportunity for our BPS and BHS communities to celebrate and recognize the importance of reconciliation in our Australian and Torres Strait society today.

WAYS WE SUPPORT CHILDREN

WITH READING AT BPS

Shared reading, modelled reading, independent reading, close reading, reading conferences plus other strategies are ways that we support students with reading at BPS. We may read books to children that are just above the children's comprehension level.

This allows us to extend student learning, ask questions about the characters and the setting, find words that rhyme, expand vocabulary, read with fluency and expression, demonstrate reading practices like we read from left to right, front to back etc. We model and coach reading skills in small groups as well as with the whole class.

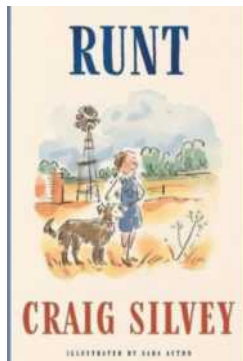

We encourage you to read with or to your child/ren on a daily basis.

- Jo Michalanney

BOOK REVIEWS

'Runt' by Craig Silvey

The novel is about an eleven year old girl called Annie and her brilliant dog Runt. Runt is a very smart, stray dog. This great story has lots of twists and turns involving Runt and his owner Annie. Annie is super kind hearted, even when she tells kind lies. Runt is an intelligent, cheerful and fast dog. He also listens to Annie. Annie is a nice animal lover. She is really kind and a beautiful girl. We recommend this book for ten to thirteen year olds because this book is a thick novel. Read this book to find out what happens next to Runt and Annie!

**By Annabelle and Tamika
(Year 4 Students)**

'Runt' by Craig Silvey

Runt is an intelligent and special dog. Annie and Runt live on a farm. Annie likes to play by herself. Annie and her dad go to London to compete in an agility competition. Fergus Fink does not want Annie to win the Krumpet's dog show. Something surprising will happen. We recommend this novel for children from the age of nine to twelve years old.

We would love to see our community involved so if you would like to contribute to our sharing of book recommendations please send a book review to jo.michalanney323@schools.sa.edu.au. There is no right or wrong way to do it- just a few words about the book and a picture of it if possible please.

If you haven't already please like the Balaklava Community Library facebook page. They have lots of wonderful events and sharing of reading activity ideas throughout the year.

Book Review

Rating (out of 5):

Written by Mrs B

Scott Westerfeld's "Uglies" takes readers on a thrilling journey through a dystopian world obsessed with physical perfection. Tally Youngblood navigates a society divided between "Uglies" and "Pretties," where conforming to beauty standards is paramount.

Westerfeld's vivid world-building highlights the consequences of valuing external beauty. The use of metal to create hoverboard routes adds excitement and danger to the story. Westerfeld's creativity shines as he integrates advanced technology into a developing world.

"Uglies" carries a powerful message, urging readers to question the importance of superficial beauty and embrace their individuality and inner worth. This empowering theme resonates strongly, especially with young readers facing societal pressures.

Recommended for ages 12 and up, "Uglies" offers an engaging and thought-provoking read. With its gripping plot, relatable characters, and innovative concepts, it captivates both young adults and adults alike. Immerse yourself in this dystopian adventure and experience the transformative journey it offers.

TECHNOLOGY

As we make our way to the end of 3D design, the mazes are starting to come together. Students are taking pride in their projects, sharing things they've found on thingiverse and how they've incorporated them into their mazes. The two biggest challenges have been resilience and an engineers mindset.

Things like pages freezing, 3D rotation and ensuring that the shapes didn't seep through the base - otherwise it wouldn't print! Another hurdle, is knowing that change is acceptable so long as it's intentional. After all, when have we ever accepted the first design and kept to it by the end?!

- Mrs B

The theme of my maze was Minecraft. I enjoyed creating what I planned and having fun. I found getting stuff from thingiverse and putting it on Tinkercad. I had to be resilient when things went wrong so I asked for help and tried again. My maze is better than it's original plan because Mrs B said it wasn't good enough and I knew I could do much better.

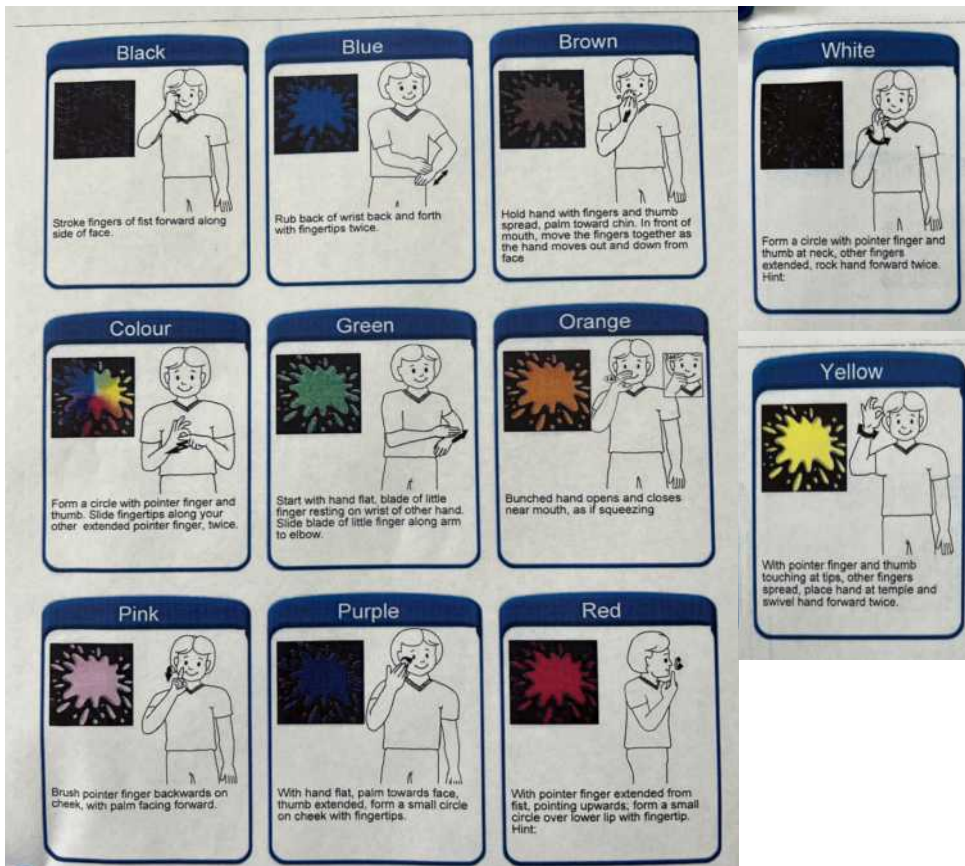

The theme of my maze was Rainbow Hearts. However, I had to make some changes because I couldn't multicolour my walls in a rainbow colour. What I have enjoyed about doing my maze is the challenges I faced and completed. Also helping others complete their maze made me feel good and helpful. What I found challenging was when I found out I couldn't do multicoloured walls but then I just made my walls go in a rainbow order. My maze is very close to the original design.

- Emmah

The theme of my maze was Basketball. What I have enjoyed about this task in Thingiverse. (Thingiverse is a website that has a lot of objects that you can 3D print load into other websites.) I found Thingiverse challenging. I've been really resilient. I changed my maze because it was a bit confusing.

Introducing Audiri

Hi parents!

You've no doubt seen many improvements to **SkoolBag** over recent months – a new home screen, clearer posts, added options to take RSVPs for events, and much more! We're focussed on continually improving and updating our features and functionality to ensure you have all of your important school notifications in one place.

In exciting news, we're pleased to share that from 1 May, we'll be updating the app name from SkoolBag to Audiri.

Meaning "to be heard", Audiri is a free app helping parents, schools and the broader community stay connected. **The best part is you don't need to do anything to upgrade to Audiri.** On 1 May, we'll release an update to the App Store that will replace the existing SkoolBag app with Audiri. Once you update the app store, your new Audiri app will be ready to use.

If you've got any questions, we'd love to hear from you. Contact us at support@skoolbag.com.au

Stay tuned for more updates!

District Boys Soccer

Selection / Practice trial dates for the Mid North District Team for Boys Soccer will be held on:

- **Wednesday 28th June (Week 9 Term 2)**
- **Wednesday 5th July (Week 10 Term 2)**

Trials will be held on the Clare Primary School oval From 4:00pm till 5:30pm

All Year 5/6 boys wishing to try out for the Year 5/6 District team will need to attend trials on these dates. Please note priority for spots in the team will go to Year 6's. We are aware that the state Netball and Hockey carnival is on during week 9, so please make contact with coach to let them know if your child will be absent for this trial. The District teams will play in Adelaide at the Soccer State Carnival on the following dates.

Year 5/6 Boys team: Week 4 Term 3, Wednesday 16th of August to Friday 18th August.

To attend trials each student must have a completed online nomination.

How to nominate – please note new process

- Parents/Caregivers must nominate their child online by **no later than Tuesday 27th June**.
- Students who have not nominated online before the trials will not be eligible to attend trials. This is to ensure supervision ratios are maintained for a safe environment.
- If you require support in completing the form please contact your school Sapsasa rep.
- To nominate, please complete the online form which can be accessed at:
[MidNorthNomination](#) : Or via the QR code here
- Once you have submitted the form you will receive a confirmation email, a copy of the form will also be sent to the school as confirmation that you are nominating your child for Boys Soccer and will be retained by the school as a record of their involvement as per department records management policy and procedure.
- Please note the school has the right to not approve a child's involvement in the carnival based on behaviour, attendance and other grounds as determined by the school.
- If you do not receive a confirmation email within 24 hours of completing the form, contact the convenor.

*QR code to access online nomination form.
Use your phones camera to access the link*

All boys trying out need to know that if they are selected in the District team, they will need to find their own accommodation in Adelaide (and get to and from the grounds every day at Barrett Reserve, West Beach near West Beach Caravan Park) either by staying with a relative/friend, staying at the Caravan Park or travelling up every day (or car-pooling). This unfortunately will preclude some boys from trying out if they are not able to make arrangements for the week.

Please bring along water bottle, boots and shin guards (if already owned)

link**

Once you have submitted the form you will receive a confirmation email, a copy of the form will also be sent to the school as confirmation that you are nominating your child for HOCKEY and will be retained by the school as a record of their involvement as per department records management policy and procedure.

Please note the school has the right to not approve a child's involvement in the carnival based on behaviour, attendance and other grounds as determined by the school.

If you do not receive a confirmation email within 24 hours of completing the form, contact the Convenor, Bec Jamieson at rebecca.jamieson230@schools.sa.edu.au

To be eligible to participate in a SAPSASA State Carnival students must be in years 5-6 at a SAPSASA affiliated school. If we have enough players there will be a boys team and girls team, however if one (or both) teams are not available to be filled, we will again combine with our partner district **North Eastern**.
