Government of South Australia
Department for Education

From the Principal

Welcome back to school for Term 3. On Monday, while students had an extra day of holidays, staff had the opportunity to further discuss Tier 1 Site Wide engagement strategies. Among other things, we spent time looking at our BPS Values, Vision and Motto.

It was wonderful to welcome students back on Tuesday and hear about their holiday break. We warmly welcome our new students and their families. Staff started the day reinforcing our Expectations of Being Safe, Being Kind and Being Our Best to help set students up for a successful term of learning.

We welcome new staff members

Andrew Jettner who is teaching in Rm 8 on Wednesday, Thursday and Friday and Sam Otta who will be teaching PE to some classes on Monday as well as staff release on Tuesday. See page 4 for a list of Term 3 teaching staff. Term 3 Ancillary staff will feature in Week 3 newsletter.

Public Education Forum

In November last year, our Student Leaders attended a Public Education Forum in Clare with Cherie. The discussions at the forum centered around what the purpose of Public Education in South Australia should be. The students were asked how the Department for Education could ensure they were adapting to stay ahead of changing demands, and support children and young people to learn and thrive as they prepare for their futures beyond the classroom. Yesterday, it was

released - Children and Students Learning and Thriving. Please see page 12 for further information.

Fundraising

We are again asking for parent and community support for Term 3 events such as SAPSASA Basketball, Balaklava Eisteddfod and Balaklava Show. These events take a lot of work to coordinate and rely heavily on volunteers. The money made from these events contribute to the fundraising for the school. Please refer to our Balaklava Primary School Volunteers Facebook page and page 21 of the newsletter for details. Thank you in advance for your support.

Uniform

We certainly have had some cold mornings recently. We have noticed a number of students who are wearing non-uniform items under t-shirts or non-uniform pants.

Please be reminded that students are allowed to wear a black long sleeve shirt / jumper under a school polo (no colour other than black please). Hoodies are not appropriate for school.

At times, students may not be able to find their school jumper. In this case, students can wear an alternate jumper to school, but they will be asked to exchange this at the front office for a BPS jumper. We then swap the jumper back at the end of the school day. We call this Mutual Exchange.

Students need to ensure that if wearing black or school grey pants (not leggings), they are plain, not featuring a large brand name please.

Please remember we do stock a good range of pre-loved uniforms. Donations of pre-loved uniforms are always welcome.

Parent Survey:

In Week 2, Tuesday 1st August you will receive an email or SMS from the Parent Survey Team with a unique link to participate in the survey.

If you do not receive an email or SMS with your unique survey link, contact education.ParentSurvey@sa.gov.au and include our school's name in your email. The survey takes less than 10 minutes and will help us understand:

- what we're doing well
- where we can improve
- what's important to you.

It has been coordinated centrally so that added administration workload isn't placed on the school.

Your answers will not identify you or your child. Only collated feedback will be provided to our school.

Information collected will inform school improvement planning and activities at the school.

The survey closes 5pm Sunday 27 August.

Mobile Phone Policy

The new Mobile Phone policy aligned with the 'phones off at school' has been ratified by Governing Council and took effect from Tuesday 25th July 2023. A copy of the policy will be sent out on Audiri and available on our website.

NAPLAN Reports

We have received Year 3 and 5 NAPLAN Results. Reports will be analysed by teachers and will be sent home with students late next week.

BOOK WEEK PARADE

Thursday 24th August, Week 5

We will be having a parade to celebrate Book Week. The theme for this year's Book Week is 'Read, Grow, Inspire'. We look forward to seeing some interesting costumes this year! We will be walking down to the main street to showcase all our wonderful costumes.

More information will be provided closer to the event. - **Cherie Cleary**

MEET THE COORDINATOR OF LEARNING

Mrs Michalanney

ABOUT ME:

I am a mum of 4 children, all who are busy at school, playing sport or working. My husband works for the Council.

I love helping people, especially children to learn new skills. It is amazing watching their eyes light up when they understand a new concept.

I enjoy visiting to new places, watching children play sport and reading in front of the fire on a cold, wet day.

FUN FACTS:

- I love chocolate, especially Tim Tams.
- I walk to school every day.
- I enjoy holidays and visiting new places.
- I like to walk or ride my bike on weekends.
- I love a good chicken parmy (that I don't have to cook).

QUOTE:

"There is no 'I' in team."

TERM 2 CROSSING MONITOR PARTY

A big thankyou to our Term 2 crossing monitors, for braving the cold wintery conditions to help our students cross safely to school each day.

COMMUNITY GARDEN

Last term on the 3rd of July it was the perfect day to plant Strawberries, Cabbages, Rainbow Chard, Carrots and Pak Choy at the Balaklava Community Garden. The chooks enjoyed being fed the the greens. The students then picked Spinach out of one of our Garden beds for them to take home and enjoy. How lucky are we to be involved in the Community Garden!

END OF TERM 2 DISCO

The SRC would like to thank all of the students who supported the end of term disco. The students had an amazing time with lots of dancing and competitions.

VISIT FROM ROWAN RAMSEY

Last term on Thursday 29th June we were all lucky enough to have a visit from Rowan Ramsey and Milton Dick MP. He spoke about his job and what he has to do. The students found it very interesting.

MEET THE STUDENT SUPPORT OFFICER

Teagan

ABOUT ME:
I grew up in New South Wales until I was 15 before moving to Golden Grove for my dad's work. I'm married and have three children. We live in Mallala and have a holiday house in Port Vincent. That's where you can find us most weekends. I love playing Basketball, Netball and I use to be a dancer as well. I also love to sing. As a family we love gold prospecting and fishing. We have found a lot of gold over the years by panning or detecting for it. I have a love for animals and have saved a few lambs. I love turning my music up loud and singing in my car and at home it's one thing that keeps me going. I have a massive heart and love working at the school with the children.

FUN FACTS:

- I love fishing and being on the beach.
- I love finding gold
- I talk way too much
- I love being in the bush with no power or service
- I have traveled all states except WA.

RETURN OF THE BOOK WEEK PHOTOGRAPHY COMPETITION

Reading and photography are two wonderful pastimes so let us combine them for a special Book Week competition.

The students choose the book they are currently reading or their favourite book and have a photo taken of themselves reading the book in a place connected to the book. Some ideas to stimulate the imagination:

- 'Henny Penny' – you might be reading in the chicken coop
- A book about gardening – you might be in your garden.
- 'Specky Magee' – you might be reading the book at Saturday footy
- A book about farming – you might be in a header.

Be creative and you can use props such as toys, pictures or other people to help make the location of the story come alive!

To enter the competition either email your entry to Mrs Cleary at dl.0477.info@schools.sa.edu.au, along with the photo and make sure you include the title of the book. If you wish to print out your photo you can also do that and hand it into the front office. Students may enter more than one photo if they wish.

Entries can be submitted anytime up until **FRIDAY 18TH AUGUST (WEEK 4)**. Have fun. Prizes will be given out at the Week 6 assembly. Here are some of the creative entries from last year:

Here is 2 year old Koha, reading Farm to the chickens!

Remember you are never too young to start reading!

BOOKWEEK PERFORMANCE

Today Krystal and Timothy from Meerkat Productions performed 2 performances based on 2 of the CBA shortlisted books. Reception - Year 3 saw Franks Red Hat and Year 4 - 6 saw The Way of Dog.

Both performances are fully staged musicals with audience participation and active engagement. We thank Krystal and Timothy for both of their great performances.

PREMIER'S BE ACTIVE CHALLENGE

Students will have the opportunity to complete the Premier's Be Active Challenge beginning of Week 2 to end of Week 5. The Premier's Be Active Challenge is a program for all South Australian school children. The Challenge is to be physically active for 60 minutes a day, for 5 days a week, for 4 weeks. If students can do that, they will get a medal! Teachers will be in contact via Seesaw to let you know how much will be completed at school and if any physical exercise and associated documentation is required at home. At a minimal, students will be taking their challenge sheet home early Week 6 for you to sign and return to be able to get their medal. Some suggested activities that can be included are: morning walk (10 minutes), active recess play (maximum 20 minutes per play), sport training, walking to and from school/school bus and active lunch play (maximum 40 minutes per play). If you have any further questions please contact your child's teacher or have a look at <https://pbac.sa.edu.au/> - Mrs Garrard

Children and students learning and thriving

Public education is for every child and young person in every community across our state.

Educators and staff work in partnership with families and communities to nurture, develop and empower all South Australian children and young people with the knowledge, skills and capabilities they need to become fulfilled individuals, active, compassionate citizens and lifelong learners.

Our preschools and schools are the heart of local communities. They are safe, inclusive, and collaborative – a place where every child and young person is encouraged to contribute, develops positive relationships, has a say in their learning, and where their needs, interests and cultures are recognised and supported.

We are relentless in our ambition for all children and young people to enter the world beyond the classroom ready to learn and to create opportunities to live a satisfying and fulfilling life of their choosing.

When our children and young people thrive so does South Australia.

REVISITING OUR VISION, VALUES, MOTTO AND EXPECTATIONS

All our staff returned for a Pupil Free Day on Monday the 24 July, working very diligently on the day to revisit our school vision, values, motto and expectations to discuss if they are still applicable to our learners and school community today. We would like to acknowledge and appreciate all the hours of work that have previously been put into these well-thought-out documents by previous students, staff and community members. In recent times, our school community have persevered through a pandemic, A.I. has taken incredible leaps and wellbeing is now at the forefront of new evidence-based research. Therefore, having robust discussions with our stakeholders is essential to ensure our Vision and Values, our purpose, remain relevant for our learners in the world we live in today.

Feedback and ideas from Monday's Pupil Free Day, will help form part of our consultation process with our students, staff and school community, in order to have a healthy discussion on what remains relevant and if any changes are required. Our Wellbeing and Engagement Committee will now collate staff information from Monday and create a consultation plan, that will be advertised on Audiri and in future newsletters.

BOB TOKENS

When students are seen going above and beyond school expectations in the yard or when completing an errand for staff, staff members may reward them with a BOB (Be Our Best) Token. Students put the BOB token in their house team colour box in the Front Office. Our House Captains will then count the BOB tokens fortnightly and share the latest BOB token count at SIM assemblies.

The token count is displayed on the leader board in the Well and in the Newsletter. House team rewards are given initially at 100 BOB tokens and then the next reward is 250 BOB tokens.

It is great to see so many students receiving BOB tokens already in the first week of term. Keep up the great work everyone!

CHILDREN'S UNIVERSITY

To all students who are currently completing Children's Uni for 2023, please update and hand your passports into Mrs Cleary by **Wednesday 23rd August (Week 5)**.

Luca from Children's Uni will be here on Monday 28th August to measure up graduation robes and passports need to be checked beforehand to make sure students will get to their 30 hours required to graduate. Any questions please contact Cherie Cleary.

NATIONAL OSHC DAY

Yesterday on 26th of July we celebrated National OSHC Day.

It was an opportunity to recognise and celebrate the important contribution OSHC educators make to families and communities in South Australia.

We would like to say a big thankyou to the amazing OSHC team at BCCC (Balaklava Community Children's Centre), who look after and provide a range of activities to keep our BPS students safe and engaged before and after school hours.

The House Team netball competition is back this year!

If any students in Year 5 or 6 would like to play netball for their house team, please go to the library and sign your name up.

It is a good opportunity to be active during lunch times and play with other students who you don't normally play with.

School Start Time

Student safety is extremely important.

Teaching staff begin yard duty (duty of care) at 8:25am each morning. It is important that **students are not at school prior to 8:25am.**

If your work commitments require you to drop your children off prior to 8:25am, you will need to make arrangements with Balaklava Community Children's Centre - Out of School Hours Care Service.

AET NEWS

Niina Marni (Kaurna for Hello)

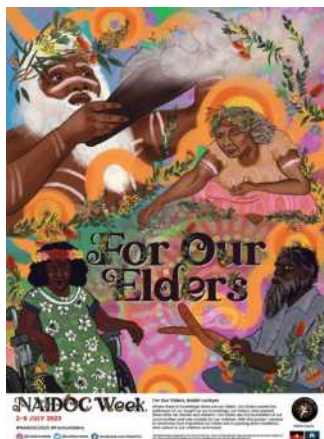

Hello Parents and Carers,
I will be working with our 12 First Nations students on Tuesdays again this term.

NAIDOC week was held from July 2nd to July 9th and the theme for 2023 is "For Our Elders". NAIDOC is an acronym which means 'National Aboriginal and Islanders Day Observance Committee.

Our students presented an item at Assembly about the meaning of NAIDOC and did a wonderful job. Prior to NAIDOC week we discussed the importance of Elders in our Indigenous communities and the reasons why First Nations people respect and value the knowledge and cultural wisdom they learn from their Elders.

We also learnt about the winner of the 2023 NAIDOC Poster competition - Bobbi Lockyer and all the influences of Elders in her community that inspired her to create the beautiful artwork.

We have some artistic projects planned for the school grounds and we hope to commence these in the next few weeks. I will keep you posted on developments.

No Parking

While we understand that it is not always easy to find a car park for morning drop off and pick up, we do need to remind families that there is **no parking** along the stretch of Wallace Street between our bus road and the crossing between 8:15am – 9:15am and 3pm – 4pm. When cars are parked along this stretch of road, the visibility for our crossing monitors is reduced.

Literacy is the ability to understand or create meaning from events, objects, people's gestures, images, art, film, words, sounds, writing, music or dance.

Babies

Your baby is developing literacy from birth. Babies learn by exploring their world through watching, touch and play. Your baby communicates through looking into your eyes, facial expressions and babbling sounds. When your baby hears words, songs and stories in your home language he or she is beginning to understand the meaning of words. Babies understand words long before they can say them.

You can do things at home to encourage literacy learning.

- › Repeat your baby's sounds as a conversation.
- › Point out things on a walk.
- › Sing songs and number rhymes and enjoy music.
- › Make a time to read picture books together each day.
- › Leave books within your baby's reach.
- › Show your baby that you understand.
 - › Baby – "da"
 - › You – "I see the star."
- › Name actions and feelings so your baby connects the word to them.
- › Use describing words.
 - › Baby - "cat"
 - › You – "A big, black cat."
- › Emphasise new words. "Under the bridge."
- › Join a baby library program.

Toddlers (2 to 3 years)

Your toddler's brain is growing and making them very curious. Help your toddler notice what is around them and you will be supporting their thinking. Your toddler will start to share their thoughts and may begin to try expressing themselves through drawing, creating artwork, building designs or enjoying pretend play. Showing interest in what your toddler is thinking will help them build confidence in communicating.

You can do things at home to encourage literacy learning.

- › Make time to talk together.
- › Sing songs ('Ring a Ring of Roses', 'Incy, Wincy Spider')
- › Use questions that encourage more than yes or no answers. "What can you see?" Give your toddler time to think about what to say.
- › Enjoy word play like, "See you later alligator."
- › Cuddle together to read books each day. Look for clues in the pictures about what might happen next.
- › Make up stories with their toys at bath time/bed time.
- › Limit your toddler's iPad or television time, children learn best through play.
- › Notice outside sounds - birds, planes, leaves, water, wind.
- › Notice 'signs' such as 'S' for a stop sign.

Preschoolers (3 to 5 years)

Your child is using what they have learned with you as they play with others. They may show their thinking by talking, artwork, construction, dance and pretend play. They may be making meaning from words, books, music, signs, dance, some text or numbers and using technology. Showing interest in what your child has to say will help them want to communicate more!

You can do things at home to encourage literacy learning.

- › Make time to do things together. Go on a picnic and collect things, noticing sights, smells and sounds.
- › Talk about memories... "Remember when..."
- › Listen as your child tells you about what they are making. Using their imagination is more important than it looking realistic.
- › Enjoy pretend play together. Your child could pretend to be the mum or dad.
- › Read favourite books over and over again so your child can read from memory.
- › Help your child to notice the number, size, position, distance, shapes and symbols around them such as in maps, signs, food shapes...
- › Choose iPad activities that encourage creativity.

I was picked in the Division 1 Mid North SAPSASA Netball Team to play against other schools on Monday 26th July to Wednesday 29th July. I had made friends with children from other schools when participating in other SAPSASA events, so was looking forward to catching up with them and playing some good netball.

Day 1: We had 3 games. We gelled quickly and played well. I played WA and C. We won all 3 games that day.

Day 2: We lost all three games so the opposite to day one. 2 games were close. We didn't play as well as a team. It was still a good day. Tuesday night we had our team dinner at the Watermark.

Day 3: Wednesday we won 2 games and lost one. I fed well to my goalies and enjoyed playing in the midcourt with Millie. We finished 4th overall.

The highlight was having a photo with Tayla Williams after she finished her Thunderbirds training, and watching my friends win the Division 3 final. - Halle

BCA Gala Concert Information

#1. Balaklava Community Arts Inc are seeking expressions of interest for people to join our 'vocal ensemble,' 'children's ensemble' (children aged 9 to 16) and 'specialist dancers' for our 40th Year Gala Concert. Adult ensemble members must be able to read music and part sing (there is little time to learn all songs, so this needs to be done in your own time).

Performances will be on the 28th and 29th October at the Balaklava Town Hall, and will feature songs from: The Greatest Showman, Les Misérables, Hairspray, Matilda. Rehearsals commence Sunday 10th September, and applicants must be able to attend the following rehearsals: 10th, 17th, 24th September, 2nd, 8th, 15th, 22nd, 25th October (may vary depending on rehearsal schedule).

To register your interest, please email Kelly at: bicks1@bigpond.com with the following details: Name, age, vocal range, group to perform with (vocal ensemble, children's ensemble, specialist dancers). Further information and paperwork will be required to be completed upon acceptance, and a BCA Membership fee will be required.

We look forward to hearing from you.

#2. Balaklava Community Arts is seeking talented (past or present BCA Members) individuals, duos, trios or small ensembles to perform at the upcoming 40th Year Gala Concert to be held 28th and 29th October. Please send us your audition video of the song you would like to perform by Friday 11th August. Remember, it needs to be a 'big show number' – so blow us away with your talent (please do not select a song from Wicked or Les Misérables as we will not be able to use these). Send your video to: bicks1@bigpond.com, or email for more information. Auditions will be viewed by the creative team, and applicants notified if successful (there are only a few spots available). We look forward to receiving your video – Good luck!
