Balaklava Primary School *newsletter*

Our students enjoyed singing and dancing along to JAM Band last Friday.

From the Principal

I cannot quite believe we have reached the end of another school year. The year seems to have flown by. As I look back on the year, we certainly have packed it full of wonderful learning opportunities both in the classroom and outside of the classroom. No wonder the students, families and staff are exhausted.

End of Year Celebration

Who would have thought....The cancellation of buses on Friday due to a Catastrophic Fire Danger day, to the storm that threatened the End of Year Celebration and altered bus runs due to road conditions, it's been a whirlwind last 7 days.

There are so many people that I need to thank in regards to the End of Year Celebration. With the predicted rain, we knew that if it arrived, the oval was going to be very soggy and the truck trailer would not be able to park on the oval. Back up plans began to be thrown around. On Monday morning, after having significant rain Sunday and the thunderstorms, we knew that the traditional location of the oval was certainly NOT an option.

Thank you firstly to the Balaklava High School for rescheduling their day on Monday so that the gym was available for us to set up and rehearse. Thank you to the high school students for setting up the chairs. Your flexibility and willingness to do anything you could to help was very much appreciated.

Thank you to BHS and Balaklava Community Arts for loaning us drama blocks for our makeshift stage.

Thank you Marty for being our MC again this year. You never fail to entertain the crowd with your jokes.

testing the sound. We were so very lucky to be able to hear so well over the rumblings of thunder.

Thank you to Heidi Zerk who set up the stage, helped facilitate borrowing drama blocks from BHS and Balaklava Community Arts and stayed all day to ensure the rehearsal went smoothly. Heidi has been a long time supporter of the BPS Music Program. Her organisation, forward thinking and commitment has been second to none. We thank Heidi for all her countless volunteer hours. This is Heidi's last year as a parent of a BPS student, you are going to leave very big shoes to fill. Thank you Heidi, we appreciate all that you have done so very much.

Thank you to all of our staff and parents who dropped everything to help move to our new location (or offered to come and help).

It was unfortunate that we couldn't have Lisa's Lattes, the BBQ and the Lions Donuts but we could not provide a safe, outdoor location for our families to eat.

While we understand not everyone could make it to the celebration due to the weather, we still had a wonderful crowd. The students loved performing in front of you all and from all accounts, those who attended enjoyed the show. It was also great to have so much support for our students at the Pre-show entertainment. Our students certainly are amazingly talented.

Thank you to everyone who helped to clean up both on the night and the following morning, it was very much appreciated.

Thank you to all of the families who donated goods for the class hampers and also everyone who sold tickets. The winners certainly were appreciative of their large prize.

I would like to reiterate what Ali Tiller, PCC chair said and thank our outgoing families who have actively sat on committees over the years while their children were at BPS but are now moving on due to their youngest child graduating. Thank you to all families who are finishing their time at BPS but in particular the following people:

- Heidi Zerk
- Melissa Smith
- Angela Battle
- Kerry Michalanney
- Jo Michalanney
- Sonja Gangell
- Lauren March
- Irene Toholke

Farewell

During this week, we have said a sad farewell to Vivienne, Eileen, Andrew, Kat, Jess and Maddy.

Vivienne Churchett has been our Aboriginal Education Teacher this year. In this role, Vivienne has worked one day a week with our First Nations students. All of our students look forward to Tuesdays and have achieved some wonderful things with Vivienne.

Vivienne has been instrumental in working with the students to write our BPS Acknowledgment to Country and we are currently eagerly awaiting an artist to provide us with a digital copy of this which we will then retro fit into our original BPS sign at the front of the School. Vivienne has also worked with the students to create clay tiles and these will form part of a mural to be located near the rebound wall. This is to be installed over the holidays so we look forward to sharing it with you in the new year.

Vivienne has had strong connections to BPS for a number of years so we know that she will keep in close contact. We would like to wish Vivienne all the very best in her new role at Peterborough Primary School.

BPS ACKNOWLEDGEMENT OF COUNTRY

Written by the First Nations Students at BPS

We are aware that we are meeting and learning on the land where Kurna people have lived for thousands of years.

We respect that their connections to this land and their cultural beliefs are still as important today as they will be in the future.

We promise to look after all the living creatures and plant life whose survival depends on the waters, air and environment of Kurna country.

Eileen Patterson has worked with us one day a week this year to release Maddy and Bec who are Early Career Teachers. Eileen has provided valuable support to both Bec and Maddy while working hard to build strong relationships with students. Eileen has also been studying nursing while teaching. We wish you all the very best as you finish your studies and move into a new career.

Andrew Jettner has worked in Rm 8 for the last two terms as we have looked for additional ways to support the students in the Disability Unit. Andrew is always willing to lend a hand and is the first to ask how he can help.

The students have enjoyed learning alongside of Andrew, particularly making rockets and using a launcher pump. Andrew has been very flexible and rolls with the multiple changes that take place daily. He has been a fantastic support for one of our students transitioning to the DU in Clare. We look forward to Andrew returning in 2024 as one of our regular TRT's.

Kat Brooke has also worked in Rm 8 since term 2. Kat is always full of energy, enthusiasm and bringing with her a great range of teaching supplies each day. She has taken the students

on a culinary journey, cooking foods such as Tom Yum, Kimichi and Miso soup as well as lots of other delicious delights. Kat is passionate about getting down to the level of the students and trying to meet their needs. We have appreciated Kat's flexibility and willingness to see alternative options. We look forward to Kat continuing with us as a regular TRT in 2024.

Maddy Marks has been a wonderful addition to our staff this year. There hasn't been a staff member on site who hasn't been able to have a conversation and laugh with Maddy.

She has worked tirelessly to create a supportive, nurturing learning environment for her students. She has built strong relationships with the students and their parents as well as our staff. We are extremely sad to see Maddy leave but we know that Auburn Primary School will embrace her.

GOOD BYE & GOOD LUCK!

Jess Daniel is a wealth of knowledge and has worked alongside of staff to develop strategies and resources to help support our students with Autism. She has ran trainings for staff to gain a greater understanding of Autism. We appreciate Jess's passion and advocacy. We wish Jess all the very best for 2024 as she takes a step back from teaching to help on the family farm.

We wish Kasey Jenner all the very best. Kasey has been on leave from BPS in 2023, teaching at Auburn Primary School and has now had her permanency transferred to Auburn.

CONGRATULATIONS GRADUATES!

Farewell to the Year 6 students

Graduation is a special milestone. Some of our graduating students have been with us since Reception and some only a short time. We have enjoyed working with all of the students and have been honoured to be a part of their learning journey. Graduation is a proud moment for families as well as staff.

For some of these families, it is the end of their involvement with BPS, as their youngest is graduating. Our thanks to you for your support of us throughout the years that your children have been at BPS.

We wish our graduating Year 6 students all the very best in their secondary education and for the future.

Academic Award

Congratulations to Riley Michalanney, recipient of the Year 6 Penny Pratt MD Academic Award.

Riley displays a positive attitude when completing his PAT M, PAT R and class tests. Riley shines when playing sport at school, SAPSASA as he is a team player and celebrates the success of others.

Throughout his upper primary years, Riley has shown much talent in his Maths with the ability to quickly grasp new concepts recalling and transferring his knowledge when faced with a problem.

He is very quick to calculate, displaying strong automaticity skills. Riley also shows strength with his reading and writing, in particular with his skills to analyse different text types that include metalanguage.

This year Riley has achieved high grades in most of his subjects, by completing all class tasks and handing his work in on time. Riley has also displayed leadership skills and his organisation of the basketball competition was also appreciated by his peers.

Congratulations to Riley.

YOU DID IT!
Congratulations

Lexie is a highly motivated student that strives to do her best in both school and outside of school settings. Lexie makes a conscious effort to make good choices, consistently following school and classroom rules.

This year, she has kept up to date while taking on leadership roles within the school, and supporting leadership with putting her hand up to take on extra duties.

Some of the events she has helped organise are the House sports competitions as well as umpire them, SAC uniform committee, House team quiz. She has taken on additional crossing duties and shows initiative with checking in with school staff with how she can support the community. Outside the school community, she is keen to get involved with multiple sports both at her club and at SAPSASA events and attends working bees for the Balaklava Sports Club.

Congratulations to Lexie.

Rowan Ramsay School Community Award

At the end of year celebration we announced our Rowan Ramsay MP School Community Award for 2023. Hayden Battle was our very worthy recipient of this award.

Hayden always puts his hand up to volunteer for Grounds and Fundraising jobs. He has dedicated time before work, after work and on weekends to ensure jobs at school are done as a priority. Hayden has been an active member of committees for a number of years and has committed his time and support to the school for the past 14 years.

We thank Hayden for all the effort he has put in to the school whilst his children have attended BPS.

We will miss him dearly as he finishes the last week as a parent of a BPS Student.

Congratulations Hayden on such a deserving award.

Congratulations!

Minister of Education Volunteering Award

The other award that we announced at the end of year celebration was the Minister of Education Volunteering Award for outstanding service to Balaklava Primary School. Melissa Smith is the recipient of this years award.

Melissa has been an active member and volunteer at BPS for a very long time.

Melissa is a wealth of knowledge of all things PCC and is always relied upon to explain to new members how things run. Melissa is always involved in all fundraising events, usually on the other side of the counter serving. We have always appreciated her willingness to volunteer Trent to cook the BBQ.

The level of commitment to our parent body has been nothing short of amazing. Melissa works at the grass routes level. She has been instrumental in reviewing our events and, along with Jenny Young, instigated the set up of the Volunteers Facebook page.

Melissa's effort with volunteering and supporting BPS through her years as a parent has been outstanding. We are sad to say farewell as her youngest child graduates from BPS.

We thank Melissa for her huge efforts, she leaves big shoes to fill.

Congratulations Melissa on this well deserved award. You will truly be missed.

WORLD'S GREATEST SHAVE

Anthony Krahnert was very proud to be supporting the Leukaemia Foundation in the World's Greatest Shave on the last day of school for 2023! This important fundraiser helps to raise money to find a cure for blood cancers. Students and staff watched and cheered him on, as his mum shaved his hair. Anthony will donate his hair for wig making and the shorter parts will be used to help with oil spills. We congratulate Anthony for raising \$1500.
