

BALAKLAVA PRIMARY SCHOOL NEWSLETTER

We are aware that we are meeting and learning on the land where Kurna people have lived for thousands of years. We respect that their connections to this land and their cultural beliefs are still as important today as they will be in the future. We promise to look after all the living creatures and plant life whose survival depends on the water, air and environment of Kurna Country.

Last week students enjoyed participating in activities during Science Week!

16th Festival of Music Rehearsal & Concert

24th Rm 8 Zoo Excursion

Community Assemblies

Assemblies for Term 3:
 Week 6 at 2:20pm & Week 8.
 All Welcome

FROM THE PRINCIPAL

Wow, what a fortnight it has been. We have been very busy at School with extra activities and opportunities for students in Science Week (last week) and this week, Book Week. Inside this newsletter you will find photos from Science Week. Next fortnight we will feature our Book Week pictures. Thank you to the staff who formed both the Science Week and the Book Week committees. A lot of hard work and thought has been put into both weeks which has been gratefully appreciated by the students.

GOODBYE

At the end of this week, we will have the opportunity to say Farewell to Lisa Watson. Lisa has provided a warm smile, friendly face and delicious food in our Schools canteen for a number of years. Lisa has introduced wonderful initiatives and is always the first to contact us and let us know about how kind and well-mannered our students are. We know that Lisa is leaving big shoes to

fill in the canteen but has done a wonderful job working alongside of continuing staff members to ensure we continue to receive the same great service and can enjoy wonderful, well sourced, affordable and delicious food. We wish Lisa all the very best in her next chapter and look forward to continuing to see her out and about in the community in her coffee van.

On behalf of the staff, students, parents and school community we extend a huge thanks and great appreciation to your Lisa.

2 APPRECIATE EVERYTHING

Thank you School Support Officer's

This week we have also celebrated SSO Week. We would be completely lost without our hard working and dedicated School Support Staff. We are so very fortunate to have a great group of staff working alongside our teaching staff, students and families. This week we acknowledge the outstanding work that they do on a day to day basis. If you see the SSO's around, please remember to say thanks.

WORKING BEE

Michelle has further thanks and pictures later in the newsletter, however, I also wanted to say a huge thank you to all of our staff and families who came to the Working Bee last Sunday. It was fantastic to see everyone pitching in and working hard to tick a huge number of jobs off the list in such a short amount of time. We appreciate the work that you were able to help us achieve on Sunday. It really takes a village to help make our school run well and look fantastic. Thank you for your support in helping with this.

Parent Survey

You're invited to complete the *2024 Annual Public Education Parent Survey*.

The 2024 parent survey opens mid to late July and closes midnight Sunday 8 September.

During the survey window you will receive an email or SMS from the Parent Survey Team with a unique link to participate in the survey.

If you have not received an email or SMS with your unique survey link by Friday 9th August 2024, please check your spam or junk folders. Otherwise, please contact education.ParentSurvey@sa.gov.au and include our school's name in your email. A new survey will be sent to you.

The survey takes less than 10 minutes and will help us understand:

- what we're doing well
- where we can improve
- what's important to you

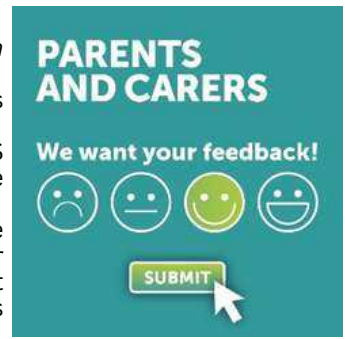

It has been coordinated centrally so that added administration workload isn't placed on the school.

Your answers won't identify you or your child. Only collated feedback will be provided to our school.

Information collected will inform school improvement planning and activities at the school.

The survey closes midnight Sunday 8 September.

For more information visit (schools can direct parents to the department's website or to their own website with the above content).

2024 INTERVIEWS

INTERVIEWS WILL BE AVAILABLE OVER 2 WEEKS.

MONDAY 9TH SEP - THURSDAY 12TH SEP (WEEK 8)

MONDAY 16TH SEP - THURSDAY 19TH SEP (WEEK 9)

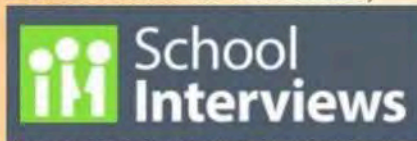

BOOKINGS OPEN: AT 4PM MONDAY 2ND SEPTEMBER (WEEK 7)

BOOKING LINK AND EVENT CODE WILL BE SENT OUT AT THE START OF WEEK 7.

PLEASE NOTE THESE INTERVIEWS ARE OPTIONAL AND NOT REQUIRED.

INTERVIEWS ARE AVAILABLE FOR CLASSROOM TEACHERS AND SPECIALIST TEACHERS.

(SEPERATE BOOKINGS WILL BE REQUIRED)

MORE INFORMATION WILL BE AVAILABLE CLOSER TO THE DATE. BOOKING LINK AND QR CODE CAN BE FOUND ON PAGE 28.

Hello! As Pastoral Care Worker I work on Mondays and Fridays here at Balaklava Primary School. My role is to support the whole school community and to help to make our school a safe and supportive learning environment, I do that through role modelling and mentoring, contributing to extracurricular activities, engaging in the life of the school and community, and linking families to community resources and services. I can also provide ongoing social, emotional and spiritual support to individual students with the consent of their carer. I work with a number of classes and spend time with students, I really enjoy being able to help wherever and whenever I can. It's great to be part of a team of people who care about our students! Please let me know how I can help support you and your family. I can be contacted through the school front office or just send me an email : louise.lang148@schools.sa.edu.au **Louise Lang - PCW**

Year 3/4 Science

Room 2 students carried out some extra activities during Science Week. We placed celery in different coloured water for 24 hours and watched the celery change colour. The green leaves were particularly vibrant. Our white daisies in coloured water took about 3 days to colour up. We had blue, green, yellow and pink ones. Another activity involved placing m and ms around a paper plate and then gently adding warm water to the middle of the plate to see what would happen. Interesting patterns were created as the water drew the colour from the m and ms. Our last activity involved immersing fresh eggs into vinegar and watching what happened over 2 days. The eggs became soft, lost their shells and felt quite rubbery. Unfortunately a couple broke but we were able to attempt bouncing the third egg on a table with some success. - **Jenny Rowland**

Science Week

Exciting News from Science Week 2024 at Balaklava Primary School!

This year's Science Week was an absolute hit, with our students diving headfirst into the theme "Species Survival – More Than Just Sustainability." During week 4, our students engaged in a variety of activities that highlighted the importance of conservation and the beauty of our natural world.

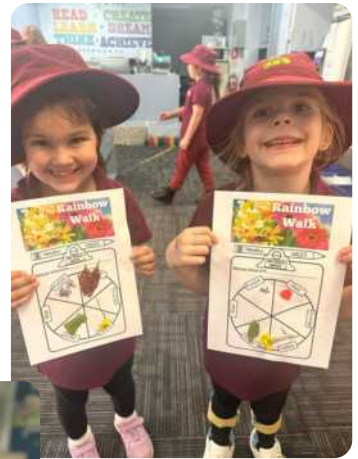

One of the highlights was a lunchtime activity where students created stunning hand-painted artwork of endangered animals. Each piece was a masterpiece, reflecting not only the creativity of our students but also their deep commitment to raising awareness about species conservation.

The excitement continued as our students embraced their inner detectives on a nature walk, exploring the vibrant colours that surround us every day. From the deepest greens to the brightest blues, our young scientists identified a rainbow of hues in the natural world. It was a fantastic way to blend science with outdoor adventure!

Science in Action!

Our students also delved into the fascinating world of capillary action with the "Rainbow Walking Water" experiment. This hands-on activity demonstrated how plants draw water up from their roots, using simple materials like water, paper towels, food colouring, and a bit of gravity. The result was a mesmerising moving rainbow, visually representing how nature's water transport system works!

It was incredible to see science come to life in such a colourful and engaging way. A huge congratulations to all our budding scientists for their enthusiasm and hard work throughout Science Week 2024!

Science Week

Science Competition

Our Students Shine in the Science Week Competition!

This year, our students at Balaklava Primary School had the exciting opportunity to participate in the Science Week competition, with the challenge to "Design an Innovative Farming Invention." We're thrilled to share that four of our talented students rose to the occasion and submitted innovative designs!

Each student approached the challenge with creativity and ingenuity, coming up with ideas that could revolutionise farming practices in the future. From eco-friendly solutions to cutting-edge technology, their designs reflected a deep understanding of the needs and challenges faced by modern agriculture.

Mariah created 'The sheep shearing robot', an advanced tool designed to streamline wool harvesting on the farm. It features a light on top of its head that signals when the shearing blades are ready for use, ensuring optimal performance. After shearing, the robot has a wool shooter to efficiently sort and pack the fleece, making the process more organised and less labour-intensive. This innovation enhances productivity while reducing the manual effort required for wool management.

Pip designed an automatic tractor equipped with a programmable timer that offers a game-changing convenience for farmers. By setting the timer, the farmer can schedule the tractor to automatically navigate the farm and distribute feed to the animals at designated times. This innovation allows farmers to get some much-needed rest while ensuring that their livestock are consistently fed and cared for. With the tractor handling the feeding routine, farmers can focus on other essential tasks or simply enjoy a well-deserved break.

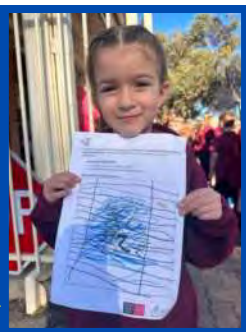

Georgia developed a self-sufficient farming system harnessing environmental elements. Solar panels on the processing and distribution shed capture and store energy from sunlight, powering the shed. Rainwater is collected in tanks from the shed's gutters and used in a gravity-fed irrigation system to water the fruits and vegetables in the greenhouses. This integrated approach optimises resource use and supports sustainable farming practices.

Azaylia drew her design of a fence that keeps out foxes. To protect livestock from foxes, this well-constructed fence is essential. The fence is six feet tall and made of sturdy materials. Azaylia explained that the foxes won't be able to dig underneath, as it is the best made fence in Australia.

We're incredibly proud of these young inventors for their hard work and dedication. Their innovative thinking and problem-solving skills have truly shone through in this competition, showcasing the bright futures they have ahead of them in science and technology.

A huge congratulations to Mariah, Pip, Georgia and Azaylia for their remarkable efforts. We can't wait to see where their inventive minds will take them next!

These students will be presented with a STEM award at the next community assembly on Friday, Week 6 Term 3. - **Michelle Pudney**

Balaklava Eisteddfod Highlights

Last Friday and Saturday, Balaklava was alive with the sound of music as South Australian students gathered for the Balaklava Eisteddfod. Our Rock Band and Year 4-6 Choir showcased their talents and dedication in a series of inspiring performances.

The Rock Band, featuring Lans, Charlie N, Laura, Zakkary, Tim, Dylan, and Morgan, kicked off the event with energetic renditions of "Pretty Little Jaguar" and "Make My Own Sunshine." Despite some unexpected technical challenges, they delivered a standout performance that demonstrated their hard work and enthusiasm.

"I thought it was pretty good. I loved trying to learn the bass. It would have been good to have an extra person for guitar. I think I did awesome. I was nervous but I was glad that I did it." ~ Dylan

"I felt pretty good at the end of the Rock Band but at the start I was pretty nervous. I think I did pretty well. Sometimes I got the notes incorrect, but I was still pretty good. I think I did fabulous overall. I think I would have graded myself a B." ~ Tim

"In rock band at the start I was really nervous, but after that first song I was feeling pretty good about myself. Same with the choir songs. I just felt like I was meant to be there afterwards." ~ Zakkary

The Choir brought their A-game with performances of "I Will Clean My Room" and "Impossible is Possible." Their rendition of the first song, humorously lamenting their reluctance to clean their rooms, brought smiles to the audience.

"In Choir, it felt the same as last year – good. When we'd finished performing I felt great. My favourite song was 'I must clean my room' because we did good singing." ~ Laura

Special thanks to Music Captains Temperance Poole and Charlie Koenig for their leadership and support, both before and during the event. Your dedication was evident and greatly appreciated. Congratulations to everyone involved for your passion and effort. You should all be incredibly proud of your achievements!

Magic Millions

The year 5 and 6 students from Choir attended their first rehearsal at the Morphettville 'Magic Millions' space, just behind the race course. The students went through all of the songs, choreography and signing and were able to see a live children's orchestra, performers and hosts as everyone practiced their parts. The journey was long and there was a nervous energy in the car on the way there, but as the kids settled in and joined in with the other 400 students (approx), you could see all the children beginning to relax and enjoy themselves. As a reward for our overall stellar behaviour and engagement, the students were rewarded with a Krispy Kreme doughnut upon their return to BPS.

"I was extremely nervous but after a bit, I just got better. It was all pretty good. The instrument I was interested in the most was the chimes, watching the other students from other schools play in the orchestra and running the mallet back and forth." ~ Zakkary

"It was fun. My favourite instrument was the drums. I was feeling good on the car ride there and when I got back I felt great but tired. It was a long day, but it was worth it" ~ Laura

"It was okay. I was sitting next to some chatty people which was a little distracting, it was alright from there. I thought the soloists sung really nicely and they looked really happy up there. Their voices sounded really great. I would go again." ~ Sophia

-Jess Bushnell

BALAKLAVA SCHOOLS CANTEEN

*Will you find the
golden ticket?*

CHILDREN'S BOOK WEEK | 2024

To celebrate Book Week, five lucky BPS recipients will find a golden ticket in their lunch order bag on Friday, the 23rd of August. The golden ticket is valid for redemption on one ice block/ice cream of choice, during the lunch period - on the day only. Orders via Qkr and hand written bags will be eligible for the prize.

**Golden tickets have been provided by
Balaklava Community Library**

<p>VALID FOR ONE ICEBLOCK</p> 	<p>GOLDEN TICKET</p> <p>Sponsored by: Balaklava Community Library</p> <p>Name : <input type="text"/> Date : <input type="text"/> VALID FOR 23/8 ONLY</p> <p>————— Congratulations —————</p>

SAPSASA BASKETBALL

On Wednesday the 7th of August 2024, we walked to the Balaklava Town Courts to play six games of basketball. Each game went for two eight minute halves and 2 minutes for half time. We knew when to start because Mr. Wilson (Gary Wilson) would blow the air horn, and Mr. Brice (Marty Brice) organized the whole day and wrote up the scores after each basketball game.

Our first game, was against Clare and we won, 20-4. Then we had to go straight into our second game who was against Manoora/Riverton, we won 22-4. Straight after was our third game, who was against Saint Jo's (Blue), we drew 12-12.

Then we had a bit of a break for our reces but then we had to play our last game before lunch which was against, Blyth/Snow town/Port Wakefield/Koolunga and we just won, 13-10.

We had an hour and a half lunch break. After lunch we had a team photo taken by Mrs. M. After the team photo we had to play against, Burra. That game would have decided if we got to go to Kadina and play basketball but sadly we ended up losing 14-4, so we don't get to go further to Kadina.

Our last and final game for the day was a rematch against Saint Jo's (blue), to see who would come 3rd and 4th. We won this time 14-10, so we came third out of 9 girls' basketball teams. Overall it was a very fun day, thank you to Marty Brice who organized this, to Carly for coaching us and to Alexa for umpiring us. **From, Emilee, Amity, Ella, Jasmine, Casey, Willow and Marlee.**

SCHOOL CLOSURE

MONDAY
2ND SEPTEMBER 2024
WEEK 7

BALAKLAVA HIGH SCHOOL ALSO HAVE A SCHOOL CLOSURE.
SCHOOL WILL RETURN TO NORMAL ON TUESDAY 3RD SEP.

SSO Week

This week is SSO Week. We want to say a huge thank you to all of our Ancillary staff members. We are so grateful for their support of our student, staff and school community. We are extremely lucky to have the best SSO staff at BPS.

WORKING BEE

SUNDAY 18TH AUGUST 2024

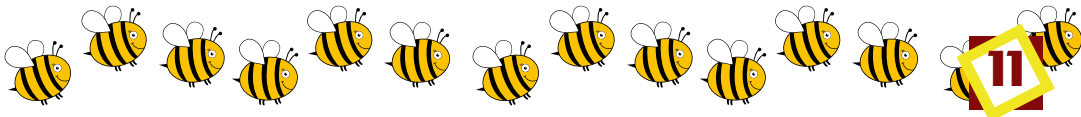

Thank You for a Fantastic Working Bee!

A huge thank you to all the families, students, and staff members who came on Sunday, 18th August, to help with our BPS working bee. With lots of hard work and dedication our volunteers truly made a difference and we couldn't be more grateful for your support.

Thanks to their efforts, we accomplished a great deal, including mulching the loose parts play area, painting the new extension of the pencil fence, raking and sweeping paths, pruning the gardens, weeding, oiling playground equipment and adding exciting new elements to the Adventure Playground. The school looks absolutely fantastic!

We appreciate each and every one of you for your time, energy, enthusiasm and the ongoing commitment from our school community.

Thank you for making the working bee a huge success! - Michelle Pudney

BOOKWEEK

"Mum," said Ellie as they ate their dinner.
"What costume am I going to wear for
the Book Week parade?"

"That's a good question," said Mum.
"We'll have to think. When is the Book Week parade?"

"Tomorrow," said Ellie.

Monday 19th -
Friday 23rd
August
Week 5, Term 3
Theme for 2024:
"Reading is
Magic"

Friday 23rd August
- Balaklava Primary
School will be doing
a Book Week
Parade. Students
and Staff will be
walking down to the
triangle in the main
street. We will have
a whole school
photo at 9am then
walk down the
street after that.

Students are
invited to come to
school dressed up
as a book character
or a book title.

12

Friday 23rd August, Week 5
The whole school will meet on the basketball court at 9am to have a whole school photo then once that is complete we will be walking down the street and stopping at the triangle.

PAYMENTS

Payments can be made by:

- Cash
- Eftpos - on day or via phone
- Vouchers - which can be purchased via QKR

PHONE ORDERING

Fathers day gifts can be purchased over the phone and paid for by EFT or Credit Card. Please phone the office from:

1:30pm - 3:00pm : Wednesday 28th August
8:30am - 3:00pm : Thursday 29th August
8:30am - 11:00am : Friday 30th August

We can keep purchased gifts at school for collection or can arrange a school bus delivery for those families whose children would normally catch a bus.

PLEASE NOTE:

Early phone orders will not be accepted. Stock is limited and will not be held without payment being made.

QKR ORDERING

QKR is only available for voucher purpose and not specific item ordering. Please note goods cannot be set aside with QKR.

VOLUNTEERS

If you are available to help out on one of the stall days, please get in contact with the Balaklava Primary School Volunteers Facebook page. The roster can be found on there as well.

PARENT FORUMS

Presented by the Stakewide Inclusive Education Services SIES, parent forums are a safe and supportive space for families to gather information and resources to support your child's education.

HEAR ABOUT:

- Department updates and processes
- School refusal/school can't – what department processes exist and supports available
- Connect with SIES Senior Advisors to learn about resources and services available

NEXT PARENT FORUM:
Thursday 12th Sept 2024
9.45am to 2.00pm

BECOME A FACILITATOR

WHAT IS DAUGHTERS & DADS CRICKET?

Daughters & Dads Cricket is a 9-week, award winning, evidence based program that:

- Improves girls' cricket skills and social-emotional wellbeing
- Promotes gender equity to help daughters reach their potential
- Enhances the bond between daughters and their fathers.

WHAT ARE WE LOOKING FOR?

- Passionate & enthusiastic
- Relevant experience (e.g., coaching, teaching, presenting experience)
- A current Australian Working With Children's Check

WHAT'S REQUIRED?

- Attend half a day training (online)
- Complete 3 x 45 min online modules
- Deliver programs outside of school hours

 Get paid for each program you deliver

 Upskill with evidence-based pedagogy, coaching skills & gender equity tools

 Make a difference in girls' lives
