

# BALAKLAVA PRIMARY SCHOOL NEWSLETTER

We are aware that we are meeting and learning on the land where Kurna people have lived for thousands of years. We respect that their connections to this land and their cultural beliefs are still as important today as they will be in the future. We promise to look after all the living creatures and plant life whose survival depends on the water, air and environment of Kurna Country.

## FROM THE PRINCIPAL

### Swimming Carnival

Unfortunately, I couldn't be at the Swimming Carnival this year, but by all accounts, it was a fantastic day with great participation and sportsmanship all around. A big thank you to everyone who contributed to making the event such a success, especially the staff and parent volunteers who put in so much effort both before and on the day.

A special shout-out to PCC for organising the fruit, drinks, and delicious sweet treats, as well as to the volunteers who helped out. We're also incredibly grateful to Foodland Balaklava for their ongoing support and their very generous donation of fruit.

Congratulations to all the competitors, and best of luck to those representing Balaklava at SAPSASA Swimming in Clare!

### Governing Council AGM

A big thank you to the parents who were able to attend the Governing Council AGM last week. A special shout-out to Kirstyn Rundle, who has served as our Chair for 5 years. Kirstyn has stepped down from the Governing Council this year, and we want to express our sincere thanks for her tireless work, dedication, and support of BPS. She's been an incredible advocate for both parents and the school, and her contributions to meetings and the general running of the school have been truly valued. Thank you, Kirstyn, for everything you've done. You're leaving some big shoes to fill!

Congratulations to our 2025 Governing Council members. A list of these members and their roles can be found on page 4. We're looking forward to working with you throughout 2025!

Parents, if you're still interested in joining a subcommittee of the Governing Council, we

highly encourage you to get involved.

The committees include: Bus, Grounds and Facilities, Canteen,

Fundraising, Finance and The Parent Coordinating Committee (PCC).

### Parent Coordinating Committee (PCC)

The PCC AGM was also held last week, and during the meeting, we decided that, since the PCC is a subcommittee of the Governing Council, a formal AGM wasn't necessary. We'd like to thank those members who will continue this year, especially Ali Tiller (Chair) and Amy May (Secretary). PCC meetings are open to everyone in our school community, keep an eye out in the newsletter for advertised meetings and feel free to attend whenever you're available to join us!

One of the many things that PCC is responsible for is organising the lunch at Sports Day, which is a fundraiser for the school. This was discussed during the meeting, and since then, a post has been made on the Volunteers at Balaklava Primary School Facebook page, asking for helpers with lunch preparation, lunch service, and cupcake sales. If you're able to help, please head to the Facebook page and let the PCC know! You can also find the current roster at time of printing on page 7.

In the next week, teachers will also be sending out a message via SeeSaw asking for parent volunteers for various Sports Day events. Please keep an eye out for that and consider how you can help.

Events like Sports Day and the Swimming Carnival wouldn't be possible without our school community pulling together and lending a hand. Thanks in advance for your support and for doing your part to help out!

### Ber 2 and Rm 2

Last week, I sent a letter to families of Ber 2 and Room 2 students to update them regarding the teaching arrangements. Chloe Waldron, originally scheduled to teach, is currently in Ireland due to a family bereavement. Sam Otta will now teach Ber 2 full-time for the rest of 2025. Jess Fiegert will continue teaching Room 2 four days a week I am working on arrangements for the teacher to take the class on a Wednesday. Updates will be communicated via SeeSaw, and families will be informed of any further changes.

I would like to congratulate Rm 2 and Ber 2 students on the wonderful way that they have adapted to the changes that have taken place, to those planned at the end of last year. I would also like to thank parents for their support of their children as well as Sam and Jess.

# INTERVIEWS

## Interviews

In Term 1, we report student progress via Parent-Teacher Interviews. We will hold these in **Week 9, commencing Monday 24th March - Friday 28th March**. Students in Year 3 - 6 are strongly encouraged to attend the interview with parents. This will ensure the interview is a three way interview - parents / teacher / student. R - 2 students are not encouraged to attend unless negotiated between parents and the teacher.

We ask **ALL** parents book an interview via the school interview app. More information on how to book with links etc will be sent out soon via Audiri. As it is an important opportunity to strength the partnership between families and the School. The interview provides an opportunity to discuss your child's learning with their teachers, talk through learning goals and any concerns that you, your child or the classroom teacher may have.

Please note if you are unable to attend any of the interview time slots within that week, please consider booking a time and having the interview over the phone or contact the classroom teacher to discuss an alternative date that suits you and the classroom teacher both. This is best done through SeeSaw.

Interviews are scheduled for 15mins and is extremely important that you all stick to this allocated time so it avoids others running late. If you wish to speak longer, please book a double appointment.

If you have any questions or concerns with any of the Specialist Teachers please book an interview time to meet with them:  
Sue-Ann: *Auslan & Performing Arts*  
Prue: *Science*

*Below is the Memorial Service information for Marg Lange, who was a very important person here at BPS.*

## **Memorial Service for Marg Lange Saturday 15th March - 11am Balaklava Sports Club**

*Many students have created heartfelt letters, cards, or drawings to express their gratitude and say thanks to Aunty Marg. We are happy to collect any of these special projects and take them to the Aunty Marg's celebration on Saturday. Please ask students to drop off their items at the office by Friday.*

## **APPROVED STUDENT FREE DAYS**

**Monday 28th April**

(coincides with BHS) - First day of Term 2.

We will keep you posted on when there will be more scheduled Student Free Days and School Closure day.

# 2025 SPORTS DAY

## General Information

All students are encouraged to dress in their House Team colours, wear appropriate sun-safe and weather-appropriate clothing, appropriate footwear, a hat, sunscreen and have plenty of water.

Don't hesitate to get in touch with the school if you are unaware of your Rec -Year 6 child's House Team.

All students who participate are given points for their team. **Participation is important as is good sportsmanship.**

As this is a school event, Students are strongly encouraged to stay for the entire day.

The canteen will **not be open**. Students may bring a packed lunch. The PCC will have cupcakes, fruit boxes and soft drinks (for adults) for sale on the day. A PCC lunch order form will be sent out shortly.

Programs will be sent out on Audiri and SeeSaw and a hard copy will be sent home. If you are taking photos and posting on Social Media, please be mindful that you are only posting photos of your children and not others.

The official opening will take place at approximately 8:50am. Junior Primary students may watch but will return to their classes where they will remain in normal lessons until their scheduled early recess time. Students to bring recess and fruit as usual. During this time, the JP students will have an opportunity to visit the Cupcake stand (with their teacher) to purchase cupcakes.

The JP students will have recess and then begin their health hustle followed by the rotation of activities. This will be approximately at 10:50am.

The Year 3-6 students move straight into their events after the opening, continuing through to lunch.

At approximately 12:30pm, staff will collect pre-ordered lunches. After lunch, students participate in sprints on the oval and stay for the relays and presentations. We aim to close the day between 2:45- 3:00pm.

**Please ensure you don't take your child home early if they are in the relays.**

Please note: in case of inclement weather, events may be restructured, removed from the program or shortened. If the weather forecast on Tuesday evening indicates that it will be too wet or dangerous to run the day it will be rescheduled. If we can't hold the day we will fulfill lunch orders but cancel Sports Day.

## SPORTS DAY SET UP

Many hands make light work! If you are able to come along and help set up at 7:45am on Thursday morning (10/4) we would greatly appreciate it. Similarly, if you can hang around at the end of the day and help pack up, we would also really appreciate this support.

If you are able to help and haven't already offered, please send a text message or email to the school.

## SPORTS DAY VOLUNTEERS

Again many hands make light work...if you can volunteer anytime throughout the day to help with events or volunteer with the PCC Cupcake stand we would really appreciate it.

This is so we can successfully run the stand throughout the entire event and our volunteers can still watch their child/children's events.

If you can please help out please message the Facebook Page: *Balaklava Primary School Volunteers*.

## Information for ALL Spectators and Volunteers

All Spectators / Visitors to the School (including parents, community members and non BPS siblings / children)

### **MUST:**

- Pre-ordered lunch for non-school student spectators, cupcakes, drinks and coffee will be located outside of the OSU – North of the Bus Road.
- The school canteen is not available for lunch orders on the day, students will need to pre-order a sports day lunch or bring lunch from home.
- Students will stay in their class group when eating.
- JP students are given the opportunity to purchase cupcakes throughout the morning (prior to the start of their sports day). Please feel free to send your child with money for a cupcake and a staff member will assist them.
- Use the Disabled toilet located in the BER building. This is a single toilet. At times, there may be a line up so please be patient. Alternatively, there are public toilets available in Apex Park (near the Skate Park) Visitors are not to use the other toilets located onsite as these are dedicated staff and student toilets.
- The water bubblers will be available for filling up water bottles.
- The playgrounds and equipment must not be used by any non-school children at all throughout the day. If younger siblings are attending Sports Day and are restless, we suggest you take them to Apex Park to play on the fantastic public playground.
- Spectators and volunteers will need to stay on the Eastern (Wallace Street) side of the oval to watch the sprints and relays. Please feel free to BYO chair and / or picnic rug. Only school students and staff are to be sitting near the House Team shades.
- Students are strongly encouraged to stay for the entire day as it is a school event. Many of the students will be required to run in their House Team relays.
- If **students are leaving early**, a parent must speak with the teacher first and then the student must be signed out. The sign out sheets for JP students will be with class teachers and for Year 3-6 students the sign out sheet will be located near the Scorers' tent. First Aid will also be located in the Scorers' tent.

If the weather is going to be warm, we will continually remind students throughout the day to wear their hat, re-apply sunscreen and drink plenty of water.

Looking forward to a great day. We encourage Participation and Good Sportsmanship from competitors and spectators.

Regards, Dianna

# BHS Child Studies visit Room 6

As part of their studies, Balaklava High School Year 11 and 12 Child Studies students visited BPS to read some stories to Room 6. This experience allowed the Child Studies students to explore early literacy development and gain a better understanding of how children engage with stories. The primary school students enjoyed the experience, and the BHS students appreciated the opportunity to apply their learning in a real-world setting.

Thankyou BHS Child Studies students - we look forward to your visit again.

# SAPSASA SOFTBALL

On Tuesday 25th Feb, we had to wake up early to get ready and head to school so we could go to Clare Primary School Oval for the SAPSASA softball games. In the Balaklava team, we had Charlise, Coby, me (Harper J), Temperance, Mary from Horizon, Sid, and Jy from Snowtown. When we arrived, we realised we didn't have enough players for a full team, so we included a couple of girls from another school.

The first team we played against was Clare 2 (there were so many Clare players that they split into two teams), and we won. After a quick recess, we headed to the toilet, filled up our water bottles, and started warming up for the next game against Saint Joseph's Clare.

It was a close match, but we managed to win.

We then stopped for lunch and prepared for the next game. For the last game of the day, mixed teams were formed. I was with Coby, Charlise, Temperance, and more kids from different schools. We won again!

After the games, we were told that everyone from Balaklava Primary School was invited to try out for the district team. It will be fun because it's something new, but it's also a bit nerve-racking since only 11 out of the 32 students selected will make the team, with 2 backups. However, it's okay if you don't get in because it's all about having fun and giving it a go. Thanks Mr Brice for organising the day and parents for taking us and helping out. -

**Harper**

## Congratulations

*Harper, Charlise & Coby  
have been selected to  
represent Mid North at the  
Girls Softball in West Beach  
from Wednesday 26th  
March - Friday 28th March  
(Week 9).*

**Good Luck Girls!**

*A message from Chloe Cook:*

*This year we saw some great numbers for softball with 35 participants. Once again, we started the day with a drills and skills session focusing on throwing, catching batting technique and positions on the field - this proved highly successful as it is a lot of the girls first time playing.*

*With plenty of drink, snack and shade breaks we broke off into our hubs and played against each other. Balaklava came in hot favourites with their expert coach Marty. In saying that, most games were fairly even with all teams making runs, getting outs and as the day progressed the tactics began to come into play the more the girls understood the game.*

*Big thank you to Tali Yard from Saddleworth for managing the Burra Hub team, it was great to have you on board. Thank you to St Joes for supplying some extra equipment to use and Clare PS for getting the oval organised for us. Also thank you to the parents, that helped and supported on the day.*

*Massive SHOUT OUT goes to Marty Brice, for helping me run, organise and teach the girls the game of softball. I just don't think you can give it up yet 😊!*

*Congratulations to all the girls involved, we hope they had an enjoyable day.*

# SAPSASA CRICKET

Our first 20 over game was at Clare Oval against the Clare 1 team. We chose to bat first and lost early wickets, being 3/11 after 5 overs from which we never really recovered despite only losing one more wicket for the game. Both Sid and Patrick did well having to retire after 5 overs each and Sid ended up being our highest scorer on 7 runs. Fletcher and Jett batted confidently displaying good skills towards the end of our game. In the end we had a total of 46 runs.

With the bowling all played well with Patrick doing well with a maiden over, Sid and Fletcher each scored a wicket with accurate bowling and Zac's fielding was superb with 2 impressive catches. Although we lost this game with the Clare side scoring 79 runs, the boys did really well in the second half of the 20 overs allowing the Clare team to score only 24 runs with good fielding and tight bowling.

The second game was against the second Clare side. We batted first again only to lose early wickets robbing us of any momentum. Both Zac and Sid completed 5 overs each allowing them to retire and return later in the game. Zac ended up being our highest scorer with 6 runs. Unfortunately, we couldn't get on top of the Clare bowling losing wickets at a steady rate causing us to be all out in the 19th over for a score of 46. With the bowling Sid managed 2 wickets and Fletcher one. Zac, Patrick and Jett bowled well with few bowls being either wides or no balls. In both games Fletcher and Zac rarely let a ball through with their wicket keeping and all boys fielded well. Unfortunately, this Clare side had plenty of heavy hitters and they ended up winning being 5/115.

Thanks must go to Henry Reinke and parent Les Pierson for umpiring both games as well as the parents who assisted with transport and being the support crew for the day.

# SAPSASA TENNIS

On Tuesday 25th February I went to SAPSASA Tennis in Clare. We played a double and a single in three rounds but ran out of time for the last single. It was the first tennis carnival I have been to. With my first game I felt a bit scared but by my second I felt more brave. It was a tiring day but I had fun. - **Lacey**

Will be held on Tuesday 25th March at 1:30pm.

Spectators are more than welcome to come and watch, more information will be available closer to the day.

# Mid Year Enrolments

We are now taking enrolments for Reception students to start Mid Year (MY) 2025. Enrolment forms have been delivered to the Balaklava Community Childcare Centre (Kindy) this week and need to be returned to BPS by 28th March 2025.

If your child is not currently at BCCC (Balaklava Community Childcare Centre) but they are eligible for MY Intake, please contact our Office on 8862 1660 for an enrolment pack.

## Getting ready for reception

In South Australia, the first year of primary school is called reception. Children who turn 5 years old:

- **before 1 May** can start school in term 1
- **between 1 May and 31 October** can start school in term 3 (mid-year intake)
- **after 31 October** can start the next year.

Children who start school at the beginning of the year will complete 4 terms of reception.

Children who start school in a mid-year intake will complete 6 terms of reception.

Scan or click here to register your interest to start reception

1

## What to expect from reception

Reception is where students discover school practices, routines and structure. Students will experience active learning, including play-based and inquiry-based approaches, as well as structured learning to develop literacy and numeracy skills. This includes commencing learning in all 8 areas of the curriculum (English, maths, science, humanities and social sciences, the arts, technologies, health and physical education and languages).

All children have different interests, needs and motivations. Teachers provide learning opportunities tailored to the child and continually review progress to support their learning. In reception, students continue to develop decision making, problem solving and thinking skills, as well as collaboration, communication and a positive sense of self. Developing independence is a focus.

2

**Forms must be returned to either BCCC or Balaklava Primary School front office ASAP!**

## Mid-year intake and 6 terms of reception

Students will have the same types of learning experiences whether they start at the beginning or middle of the year.

Students starting in a mid-year intake complete 6 terms of reception. They may enter a new reception class or join an existing class. This depends on enrolment numbers and the size of existing classes at your school.

Your child's teacher will plan, teach and assess all learners and ensure they are making progress with their learning.

## Planning your child's transition to school

Preschools and schools have transition programs to support children moving from preschool into reception.

These programs help children settle into new routines, develop a sense of belonging at their new school, and build skills and concepts as they learn at their own pace.

Families play a significant role in supporting a successful transition to school. Speak to your preschool or primary school to find out more.

3

## When can my child start school?

You can decide which intake suits your child best based on their age, maturity, social and emotional wellbeing and attitude.

Talk to your preschool or primary school to discuss your individual circumstances.

*Monday 17th - Sunday 23rd March*

# HARMONY WEEK AT BPS

Everyone Belongs

On Friday 21st March, students and staff are invited to wear cultural dress or a 'splash' of orange to celebrate Harmony Week. We look forward to seeing students and staff representing their culture and showing support for inclusiveness, respect and a sense of belonging for everyone.

We invite families to make contact with their child's teacher if they can offer a cultural cooking or language/music experience for the class.

We also call all Balaklava businesses to send in a photo to our school Facebook Page of their employees wearing orange or cultural dress!

A gold coin donation will go towards 'Knowledge for a Future', building the cultural relationship between a Cambodian Primary School and Balaklava Primary School.
