

At Balaklava Primary School, we are aware that we are meeting and learning on the land where Kurna people have lived for thousands of years.

We respect that their connections to this land and their cultural beliefs are still as important today as they will be in the future.

We promise to look after all the living creatures and plant life whose survival depends on the waters, air and environment of Kurna country.

Balaklava Primary School

Every learner engaged, stretched and achieving.

Be Safe

Be Kind

Be Your Best

This art is representing the things that create a connection and therefore a sense of belonging for students...

The walls bring together concepts of all people being welcome, the community working together and the two large walls represent friendships and connections.

Curiosity -

*Teachers encourage curiosity by making learning fun and engaging.
They inspire us to think, explore, and enjoy discovering new things every day*

The facade of the OSU building incorporates an element of water to represent the Wakefield River and the story -

We feel stronger when we're connected to each other.

Knowing our voices matter makes us feel included and heard.

When we support each other, it creates a space where we all belong.

It's nice to know that we're never alone, and together, we can grow, achieve, and make our school a better place for everyone
