

BALAKLAVA PRIMARY SCHOOL NEWSLETTER

Mark your calendars: COLOUR RUN Friday 6th Nov, Week 4.

Balaklava Primary School acknowledges that we are meeting on the traditional land of the Kaurana people. We recognise and respect their cultural heritage, beliefs, and relationship with Country and pay our respects to their Elders past, present and emerging. We acknowledge the continued importance of the relationship of country to the Kaurana people living today and promise to look after all the living creatures and plant life whose survival depends on the water, air and environment of Kaurana Country.

ALL WELCOME

From the Principal Dianna Jarman

Welcome back to Term 4

We trust that everyone had a great holiday break and enjoyed the lovely weather. We warmly welcome our new students and their families to Balaklava Primary School.

Staffing update

Tamara Carter has taken leave from BPS for Term 4. We thank Tamara for her wonderful dedication to her students in Rm 2 earlier this year, as well as the work that she undertook while in the Deputy Principal role in Term 3. We thank Tamara for her contributions to Balaklava Primary School and wish her all the very best.

We thank KC for her work in BER 4, teaching two days a week last term. This term, KC will focus on her Pastoral Care role at BPS. KC will share further information about her Pastoral Care role in the next newsletter.

We warmly welcome Jordy Hentschke, who has joined BPS as a teacher in BER 4 on Wednesdays, Thursdays and Fridays. Jordy has recently completed her university degree, and we look forward to getting to know her this term. Cherie Cleary will continue to teach in BER 4 on Mondays and Tuesdays.

We also welcome Cameron Curnow, who will be joining our BPS staff as an ancillary staff member in student support, working with students in classrooms.

Welcome back to Lee-Anne McCracken, who has returned after taking leave during Term 3.

Deputy Principal update

We are currently undertaking the panel process to appoint a new Deputy Principal, who will commence as soon as possible. We will provide further information once we have an update.

2027 Planning Classes

It's that time of the school year when staff begin looking ahead to 2027.

2027

It is extremely important that we know your intentions for next year to ensure class numbers are as accurate as possible. If you know of anyone moving into the area, please encourage them to book a time to meet with me. If your children will not be attending Balaklava Primary School in 2027, please let us know via email, text, or a phone call. Your support helps make this planning process more efficient.

Placements

The class placement process will begin as soon as our structures are in place. This process takes several weeks, and staff work carefully to ensure thoughtful placements, considering:

- The learning needs of each child
- A balanced mix of boys and girls
- Learning abilities
- Friendship needs

Teachers give strong consideration to friendship needs. However, if certain friendships negatively impact learning, students may be placed in separate classes. School is an opportunity to form new connections, and a different class provides a great chance to make new friends. Some children have special learning or health needs. If you believe this applies to your child, we will do our very best to take this into account—but please note that due to various complexities, we may not always be able to accommodate all requests.

While we welcome parental input, please understand that requests, while considered, are not guaranteed. We also ask that you do not request specific teachers, as staffing for 2027 has not yet been confirmed.

[CLICK HERE!](#)

[Student Placement Consideration for 2027 classes](#)

All requests must be submitted via this Microsoft Forms link by Friday, 30th October.

CONGRATULATIONS!

Last Friday, I was privileged to witness Diane Gregor and Sue-Ann De Vries being recognised for their milestone of 30 years of service to the Department for Education.

The milestone celebration was an opportunity to reflect on decades of dedication, knowledge, care and commitment, and the lasting contributions that Diane and Sue-Ann have made to generations of children and young people, colleagues, families and communities across South Australia.

Congratulations, Diane and Sue-Ann, on your remarkable achievement, and thank you for the difference you have made and continue to make through your commitment to public education.

Primary Schools Music Festival

It was a joy to watch our students perform at the Primary Schools Music Festival in Week 9 last term. Seeing them on stage, sharing their voices and the results of their hard work, was a proud moment. Their enthusiasm shone through, and I hope they will look back on this special experience with pride.

An extra special thank you to Heidi for her dedication to preparing our students for the event, Sue-Ann for her assistance on rehearsal and performance day, and Dot for attending choir lessons each week and taking care of all things admin behind the scenes. Congratulations and thank you to everyone involved. Please see page 11 for further information.

ATTENTION - Important notices to all parents/caregivers EDSMART EasyPay

Dear Families, moving forward, including all remaining excursions to be actioned for 2026, BPS will only be accepting payments via the EDSMART Easy Pay system. This effectively means that consent forms can not be completed without the corresponding Easypay payment.

The required checking of 5 different payment forms along with expansive payment and consent times and missed deadline chasing has necessitated this change. As always BPS will make warranted exceptions but this not be the norm.

SCHOOL UNIFORM

School Uniform

A reminder that all students are required to wear a hat while outside in the yard. Students without a hat will be reminded and asked to play in a designated 'no hat' area.

Students may trade a personal item (e.g. pencil case or water bottle) at the front office to borrow a hat for playtime.

The borrowed hat must be returned to receive the item back. This process is called Mutual Exchange.

Broad-brimmed BPS hats can be purchased via Qkr and collected from the front office. We will contact families to purchase a new hat if a student has vandalised (cut or drawn on) their hat.

Now that the weather is warming up, if you're clearing out your child's winter uniform, or they have grown out of parts of their school uniform, please consider donating clean items to the Pre-loved Uniform Shop.

ATTENTION - Important notices to all parents/caregivers TERM 4 Performances

This term we have added an additional performance to our Week 7 JAM Band one (Friday 27 Nov).

In 2024 we were fortunate to have Tjupurru Plays the Didgeribone attend to the incredible delight of all students and staff. During the holidays he made contact with us to offer a performance in his week here in SA. This will be Friday 20th Nov, Week 6.

Families who have made all invoice payments will have nothing further to pay.

Those with T4 performance JAM Band invoice outstanding will also receive an additional invoice for Didgeribone.

BALAKLAVA PRIMARY SCHOOL COLOUR RUN

Friday 6th Nov, Week 4

Get ready for a burst of colour, energy, and excitement... it's the Balaklava Primary Colour Run! Students are collecting online sponsorship for their efforts on Colour Run Day to help raise funds for our school while taking part in one of the most exciting events on the school calendar. From colourful powder stations to plenty of fun, it's all about getting active, celebrating together, and creating lasting memories as a school community. Funds raised will help support the purchase of new playground equipment for our school. These additions will provide students with more opportunities to play, be active, and enjoy their time outdoors with friends.

How will this fundraiser work?

We have partnered with online fundraising company Go Raise It. Collecting sponsorship online makes it super easy for everyone - no more door knocking, your child can collect more donations from further afield (friends & family living overseas, work colleagues etc) and no need to worry about handling cash!

SCAN
ME!

How do I sign my child(ren) up to fundraise online?

Each child can sign up for their very own fundraising web page to send out to collect online sponsorship from anyone, anywhere! Just go to our Fundraising Hub page at: <https://balaklavaprimarycolourrun.goraiseit.com.au/> or scan the QR Code. Click on the **SETUP A FUNDRAISING PAGE** button if you need any help email help@raiseitfundraising.com for direct assistance.

Multiple children in your family?

No problem, all children can sit under the same email address. You'll find a button to set up another page while logged in to the fundraising account you created first.

Do I have to sign up for an online account to fundraise?

We would love everyone to have an online account as this allows the school to significantly reduce administration overheads. Go Raise It adhere to strict cyber safe guidelines and this is built into our fundraising website. If you really do not want an online fundraising page, and still want to participate please check with the school office to see if you can collect cash.

Children are encouraged to wear a white t-shirt on the day. it is urged to supply your own, however you can order via QKR!

Orders for t-shirts close Monday 26/10.

Create an online profile and get a free pair of sunnies!

WHERE'S WALLY?

Friday 25th September

On the last day of Term 3, we had a themed Casual Clothes Day: Where's Wally?

We even had a Where's Wally hide and seek scavenger hunt in the morning which the students loved!

WHERE'S WALLY?

Friday 25th September

They have drawn emus based on Leonardi da Vinci's charcoal drawings style.

Reflection helps us make better choices, build our understanding and become more independent learners.

Regular Check-ins

Pause, think and check in with your learning.

- Students regularly ask:
- What is going well?
 - What is challenging me?
 - What strategy is helping me?
 - What is my next step?

Educators can:

- Build reflection into every lesson.
- Provide regular learning check-ins.
- Encourage students to explain their thinking.
- Celebrate effort and improvement.
- Give opportunities to act on feedback.

We will see and hear:

- WE WILL SEE:
- Students monitoring their learning.
 - Students identifying strategies.
 - Students making improvements from feedback.
- WE WILL HEAR:
- "I'm going well with..."
 - "I need to work on..."
 - "Next time I will..."

Explain Your Thinking

Make your thinking visible. Explain, justify and use evidence.

- Students will explain by:
- Telling how they solved the problem.
 - Explaining why they chose that strategy.
 - Using mathematical language.
 - Sharing their thinking with others.

Educators can:

- Use prompts that encourage explanation and justification.
- Model thinking aloud.
- Build time for discussion and sharing.
- Use visual representations and models.
- Celebrate different strategies.

We will see and hear:

- WE WILL SEE:
- Students explaining their thinking clearly.
 - Students justifying their choices.
 - Students listening to and building on others' ideas.
- WE WILL HEAR:
- "I solved it by..."
 - "I chose this strategy because..."
 - "Another way could be..."
 - "That makes sense because..."

Circle Time

What strategy did you use today when you got stuck?

- Students will:
- Think about what they know.
 - Use strategies to help them keep going.
 - Share and listen to others' strategies.
 - Make thoughtful decisions.

Educators can:

- Build in time for peer discussion.
- Encourage a range of strategies.
- Use questioning to deepen thinking.
- Support productive struggle.
- Model how to try different strategies when stuck.

We will see and hear:

- WE WILL SEE:
- Students using different strategies when they are stuck.
 - Students listening to and learning from others.
 - Students becoming more resilient and independent.
- WE WILL HEAR:
- "I tried..."
 - "Another strategy I could use is..."
 - "That helped because..."
 - "Next time I will try..."

Justify & Consider Alternatives

Could there be another way? Which strategy is most effective and why?

- Students will:
- Justify why they chose that strategy.
 - Consider different options.
 - Evaluate which strategy is most effective.
 - Explain the advantages and disadvantages.

Educators can:

- Use open-ended tasks.
- Encourage comparison of strategies.
- Prompt students to justify and persuade.
- Provide opportunities to explain and defend their reasoning.
- Model how to consider alternatives.

We will see and hear:

- WE WILL SEE:
- Students considering multiple strategies.
 - Students justifying their choices.
 - Students evaluating which strategy was most effective and why.
- WE WILL HEAR:
- "I chose this strategy because..."
 - "Another way could be..."
 - "That strategy worked best because..."
 - "I think the best option is..."

Self-Questioning

Thoughtful questions lead to deeper thinking.

- Students will ask themselves:
- What do I know?
 - What do I still need to learn?
 - What strategy will I try next?
 - How do I know my answer is correct?
 - What will I do differently next time?

Educators can:

- Embed self-questioning routines.
- Provide sentence starters and prompts.
- Encourage students to set goals and plan next steps.
- Build in time for reflection and personal goal setting.

We will see and hear:

- WE WILL SEE:
- Students asking thoughtful questions.
 - Students setting goals and plan next steps.
 - Students taking greater ownership of their learning.
- WE WILL HEAR:
- "What do I know about..."
 - "I still need to learn..."
 - "My next goal is..."
 - "I can improve by..."
 - "Next time I will try..."

OUR SHARED GOAL

We are developing Reflective Learners who take time to think about their learning, explain their thinking and make thoughtful decisions about what to do next.

In 2026, all of us will be able to teach Students to know what to do when they don't know what to do.

2026 FESTIVAL OF MUSIC

Stars on Stage – Celebrating Our Students

Our students recently had the wonderful opportunity to perform in the Primary Schools Festival of Music: Stars on Stage at the Adelaide Entertainment Centre on Wednesday 16th September.

Alongside more than 1,300 Year 5 and 6 students from across South Australia, 14 of our students proudly took to the stage, showcasing their enthusiasm, confidence and musical talents.

The Primary Schools Festival of Music is a treasured South Australian tradition that brings students together through artistic excellence, cultural diversity and social inclusion. Experiences like these not only create lasting memories but also help students develop confidence, teamwork and resilience. Singing and music participation have also been shown to support learning by strengthening concentration, memory, listening skills and creativity.

This year's concert was a truly unforgettable experience. Audiences were thrilled by energetic guest performances, outstanding musicianship from the orchestra and troupe, and a vibrant repertoire spanning a range of musical genres.

A special thank you to our teachers and support staff who went above and beyond to make this opportunity possible. Their dedication, encouragement and countless hours of preparation helped our students shine on stage.

We are incredibly proud of all our performers and grateful to be part of such a spectacular celebration of music, learning and public education.

We would also like to acknowledge that Georgia May performed as part of the South Australian Public Primary School Choir.

Well done to all the students; what a wonderful evening.

2027 M&S Charges

Materials and services charge

Information sheet for primary school families

The State Government has committed to removing universal materials and services charges from 2027 as part of its cost-of-living measures for South Australian families. Schools will not lose under this policy. This initiative will be funded by the State Government and your school will be provided with the funding that it would have received through the universal materials and services charge. Your school will also continue to receive funding to meet the needs of students and to staff classrooms.

Legislative changes are still required before the new arrangements can take effect. This information is provided to support families to plan for 2027.

Families will not be required to pay the universal materials and services charge.

The initiative will avoid the need for primary school families to apply for school card and this will reduce administrative burden for families and the school.

Families will continue to pay for items such as uniforms, digital devices and optional excursions, as has always been the case.

Please note that the discontinuation of the universal materials and services charge applies with effect from the 2027 school year. Any outstanding charges should continue to be paid, and your school can work with you if there are any issues.

This initiative does not apply to international or non-resident students and separate advice will be provided in due course.

The focus of this policy is for schools. The current fee arrangements for preschools will continue.

Should you have any queries regarding the information provided, please contact the department on 1800 088 158 (free call).

Meet in the front office

The class room visits from Kindy children who will be starting at Balaklava Primary School in 2027 will increase this term. This is an opportunity for the children and their families to build confidence about their approaching time at Balaklava Primary School and for us all to get to know the students a little better.

Kindy parents received a named enrolment pack with further information about these visits. We ask that all Kindy children have their enrolment paperwork returned prior to their first transition visit.

Junior Primary teachers, Marcia Nowlan and Jazz Gilbertson will talk with you about our curriculum and what your child will require to start school. Optional school tours will be available. More information regarding the optional school tours will be released in the next few weeks.

YEAR 6 TRANSITION TO BALAKLAVA HIGH SCHOOL

This term is an especially exciting one for the Year 6 students. As they look back on their time in Primary School, prepare for graduation and possible changes ahead in friendships and routines, they will need our support and understanding.

We are looking forward for their best effort and a memorable last term with us here at BPS.

Jo, Kerri & Tegan will continue to communicate with the Year 6 families about the transition program for the term.

Experience a sound bath for the first time. A sound bath is a relaxing experience where you listen to calming sounds and vibrations made by instruments like singing bowls, gongs, chimes, or drums. People usually lie down or sit comfortably while the sounds "wash" over them, helping them feel calm, focused, and less stressed. It is called a "bath" because the sounds surround you, almost like being immersed in water.

Bookings need to be made individually so you receive communication via sms prior to the event.
