# BALAKLAVA PRIMARY SCHOOL NEWSLETTER

*Room 6 & 7 students enjoyed their visit to the Adelaide Zoo last week!*

*Balaklava Primary School acknowledges that we are meeting on the traditional land of the Kaurna people. We recognise and respect their cultural heritage, beliefs, and relationship with Country and pay our respects to their Elders past, present and emerging. We acknowledge the continued importance of the relationship of country to the Kaurna people living today and promise to look after all the living creatures and plant life whose survival depends on the water, air and environment of Kaurna Country.*

### 🌈 BPS Colour Run – Friday 6 November!

Our Colour Run is nearly here! If you haven't set up your child's fundraising profile yet, please do so as soon as possible. Keep sharing your profile with family and friends and collecting donations—every contribution helps!

🏆 *Congratulations to our Week 2 prize winners!*

At lunchtime last Friday:

- Tilly Daniel was our highest individual fundraiser, raising **$250**. Fantastic effort, Tilly!
- Room 2 was our highest fundraising class! Each student who had contributed to the class total received a prize.
- 63 students had set up a fundraising profile and each received a Zooper Dooper!

👀 Who will receive the prizes this Friday (Week 3)? Keep those donations coming!

***REMINDERS***

👕 Is your white T-shirt ready!

Please organise a white T-shirt for your child to wear on the day, ready to be covered in colour!

🕶️ Sunglasses are compulsory

All students participating in the Colour Run must wear sunglasses.

- Students who have a fundraising profile or have made a cash donation directly to the front office will receive a free pair of sunglasses.
- Students who haven't set up a profile or donated through the office can purchase a pair from BPS for $3, or bring their own.

All students attending school on Friday 6th November will be expected to participate in the Colour Run.

📄 Please see page 7 for a parent note with further details. Let's keep the fundraising going and get ready for a colourful, fun-filled day at BPS!

### 2027 Planning Classes

It's that time of the school year when staff begin looking ahead to 2027.

It is extremely important that we know your intentions for next year to ensure class numbers are as accurate as possible. If you know of anyone moving into the area, please encourage them to book a time to meet with me. If your children will not be attending Balaklava Primary School in 2027, please let us know via email, text, or a phone call. Your support helps make this planning process more efficient.

### *Placements*

The class placement process will begin as soon as our structures are in place. This process takes several weeks, and staff work carefully to ensure thoughtful placements, considering:

- The learning needs of each child
- A balanced mix of boys and girls
- Learning abilities
- Friendship needs

Teachers give strong consideration to friendship needs. However, if certain friendships negatively impact learning, students may be placed in separate classes. School is an opportunity to form new connections, and a different class provides a great chance to make new friends. Some children have special learning or health needs. If you believe this applies to your child, we will do our very best to take this into account—but please note that due to various complexities, we may not always be able to accommodate all requests.

While we welcome parental input, please understand that requests, while considered, are not guaranteed. We also ask that you do not request specific teachers, as staffing for 2027 has not yet been confirmed.

CLICK HERE!

Student Placement Consideration for 2027 classes

All requests must be submitted via this Microsoft Forms link by Friday, 30th October.

# CONGRATULATIONS

## NAIDOC Medal of Excellence

Congratulations to Janina from Balaklava Primary School, who has been recognised with a prestigious NAIDOC Medal of Excellence as part of the 2026 NAIDOC Week School Initiatives.

Organised by Koori Kids in partnership with the Department of Education and State counterparts, the initiative celebrates students' creativity and encourages a greater understanding of friendship, cultural diversity and the importance of NAIDOC Week.

The 2026 competitions included colouring-in, creative design and essay writing, with entries open to primary and secondary school students across Australia. Janina was one of just 48 students across the state selected to receive a Medal of Excellence.

This achievement recognises the creativity and efforts of students while helping to promote cultural awareness, understanding and respect within school communities.

Congratulations, Janina, on this wonderful achievement! We are proud to celebrate your success and your contribution to recognising and valuing Aboriginal and Torres Strait Islander cultures.

# SCHOOL UNIFORM

## School Uniform

A reminder that all students are required to wear a hat while outside in the yard. Students without a hat will be reminded and asked to play in a designated 'no hat' area.

Students may trade a personal item (e.g. pencil case or water bottle) at the front office to borrow a hat for playtime.

The borrowed hat must be returned to receive the item back. This process is called Mutual Exchange.

Broad-brimmed BPS hats can be purchased via Qkr and collected from the front office. We will contact families to purchase a new hat if a student has vandalised (cut or drawn on) their hat.

Now that the weather is warming up, if you're clearing out your child's winter uniforms, or they have grown out of parts of their school uniform,please consider donating clean items to the Pre-loved Uniform Shop.

## Balaklava Christmas Pageant

As we near the end of October, Christmas is just around the corner!
The Balaklava Christmas Pageant will be held at Ralli Park on Friday 18th December.

BPS usually takes part with a school float. The theme for this year's float is 'Aussie Christmas'. Think thongs, bright coloured shirts, sun glasses etc.

## Didjeribone Performance

On Friday 20th November, Week 6, we will be welcoming back a crowd favourite, Didjeribone Performance.

The last time he was here at school the students were very engaged and loved every second of it. We can't wait to see him!

Please note if you have not paid the performance levy you will need to do so before Friday 20th November, Week 6.

If you are unsure if you have paid or not please contact the Front Office.

## 🎉 End of Year Celebration – Save the Date!

*Monday 7 December, from 5.30 pm*

Join us for our End of Year Celebration! We will once again have a range of food and drink options available for families to purchase:

- The Lions Club will be cooking the barbecue and selling hot doughnuts.
- Lisa's Lattes and Shelby Creams will be there with drinks and sweet treats.
- Balaklava High School canteen will be offering grazing boxes, with pre-orders opening closer to the event.
- Pizza Master will also be joining us this year! You may have tried their pizzas at the 2026 Balaklava Show or the Balaklava Races.

Pizza Master pizzas will be available for members of the community to purchase earlier in the evening.

We'll share further details in the next newsletter.

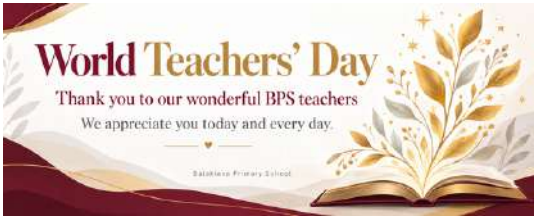

## STUDENT FREE REMINDER

BPS & BHS have a Student Free Day on

**FRIDAY 13th NOV, WEEK 5**

NO School buses will be running that day. School and Buses will return to normal on Monday 16th Nov, Week 6.

## World Teachers' Day – Thank You!

*"Every child deserves a champion: an adult who will never give up on them…" — Rita Pierson*

This World Teachers' Day, I want to say a heartfelt thank you to our wonderful BPS teachers.

Thank you for being those champions—for noticing when a student needs a little extra encouragement, celebrating the small steps and continuing to believe in each child. Your care, patience and commitment help our students feel valued, build confidence and discover what they are capable of.

Our students, colleagues, families and community are lucky to have you teaching, encouraging and supporting our children. So much of what you do happens quietly, but those everyday moments make a lasting difference.

We appreciate all you do—not only on World Teachers' Day, but every day. Thank you for your care, dedication and commitment to BPS.

## Term Overviews and Class Timetables

In Week 2, each teacher shared a comprehensive Term Overview with families via Seesaw. To avoid doubling up, particularly for families with more than one child, the Specialist Overviews for Science, Auslan, PE and The Arts are attached to this EdSmart newsletter.

In response to parent feedback, we have also included the Specialist Timetable which shows when each class attends Specialist Lessons. These provide a helpful picture of a typical school day. As school days can change for many reasons, please use the timetables as a guide rather than a fixed schedule.

As always, if you have any questions about what your child is learning or how they are progressing, please get in touch with their teacher. You are always welcome to start the conversation—you don't need to wait for your child's teacher to contact you.

## OUTSTANDING INVOICE AMOUNTS OWING TO BPS

Please note that 2026 is the final year of Materials & Service Charges Balaklava Primary School will be actively undertaking Debt Collection proceedings.

All current debts were approved at the Governing Council Meeting on Tuesday 27th October 2026.

If you have an outstanding amount please make payment prior to the close of Week 4 and/or speak with the Business Manager or Principal prior to this time.

Once Debt Collection has been actioned you will no longer be able to deal with us direct.

## ATTENTION – Important notices to all parents/caregivers

***EDSMART EasyPay***

Dear Families, moving forward, including all remaining excursions to be actioned for 2026, BPS will only be accepting payments via the EDSMART Easy Pay system. This effectively means that consent forms can not be completed without the corresponding Easypay payment.

The required checking of 5 different payment forms along with expansive payment and consent times and missed deadline chasing has necessitated this change. As always BPS will make warranted exceptions but this not be the norm.

# BALAKLAVA PRIMARY SCHOOL COLOUR RUN

## Friday 6th Nov, Week 4

Get ready for a burst of colour, energy, and excitement... it's the Balaklava Primary Colour Run! Students are collecting online sponsorship for their efforts on Colour Run Day to help raise funds for our school while taking part in one of the most exciting events on the school calendar. From colourful powder stations to plenty of fun, it's all about getting active, celebrating together, and creating lasting memories as a school community. Funds raised will help support the purchase of new playground equipment for our school. These additions will provide students with more opportunities to play, be active, and enjoy their time outdoors with friends.

### How will this fundraiser work?

We have partnered with online fundraising company Go Raise It. Collecting sponsorship online makes it super easy for everyone - no more door knocking, your child can collect more donations from further afield (friends & family living overseas, work colleagues etc) and no need to worry about handling cash!

SCAN ME!

### How do I sign my child(ren) up to fundraise online?

Each child can sign up for their very own fundraising web page to send out to collect online sponsorship from anyone, anywhere! Just go to our Fundraising Hub page at: https://balaklavaprimarycolourrun.goraiseit.com.au/ or scan the QR Code. Click on the **SETUP A FUNDRAISING PAGE** button If you need any help email help@raiseitfundraising.com for direct assistance.

### Multiple children in your family?

No problem, all children can sit under the same email address. You'll find a button to set up another page while logged in to the fundraising account you created first.

### Do I have to sign up for an online account to fundraise?

We would love everyone to have an online account as this allows the school to significantly reduce administration overheads. Go Raise It adhere to strict cyber safe guidelines and this is built into our fundraising website. If you really do not want an online fundraising page, and still want to participate please check with the school office to see if you can collect cash.

**Please supply your own, however, if you aren't able to do so, you can order via Qkr.**

**Orders for t-shirts close Friday 30th Oct at 2pm!**

**Create an online profile and get a free pair of sunnies! We have 82 fundraisers out of 245 students!**

# Colour Run

## Friday 6th November – 11am

**Colour Run Clothing:**

Students are to come to school in their school uniform. They will be given time to change into their sun smart colour run clothing prior to the event. Please note that the clothing will likely stain so please do not send students with their best / favourite outfit or shoes for the colour run.

Students need to wear shoes suitable for running.

All students MUST change back into their school clothes prior to the community assembly. Please provide a plastic bag for the coloured clothes/shoes. You may also like to provide a towel for students to sit on in the bus.

If your child doesn't want colour powder squirted on them, they can dress up in colourful clothes. This will indicate that they want to participate in the course but don't want to be coloured. Please also message the classroom teacher to ensure they are aware of this.

The colour is non-toxic and adults will be squirting it at students. If you are concerned about your child and the colour powder, please contact Dianna by Thursday 5th November. The colour powder does however contain food dye and it can stain very light / blonde hair for days or even weeks. We suggest that those with long hair wear it up. It has been suggested by the Colour Run Company that rubbing coconut oil through hair before the run and then washing it out afterwards helps the colour not to stick to the hair strands.

The company has also suggested that if you soak your colour stained shirt in a mixture of water, salt and vinegar it will help the colour powder lock into the cotton and prevent the colours running.

Children MUST wear sunglasses during the colour run. Those who have set up an online profile will receive a pair of sunglasses. Alternatively, you can bring your own, or purchase a pair from the front office for $3.00

**Parents:**

Parents are welcome to attend between 11:00 – 12:40 (or the conclusion of the Colour Run).

Please be aware that:

- Non BPS students are not able to participate and must not use play equipment.
- If taking photographs please make sure you only take photos of your own children.

**Fundraising:**

If your child has been fundraising at home, we would love to add their tally to the class amount indicated online so we can accurately determine which class will paint Mrs Jarman.
Please text: 0428 026 285 (by Thursday afternoon) the amount you have raised and we will add it to the online class tally (no need to do this if you have been fundraising with an online profile).

# NOISE LEVEL FOR YEAR 12 EXAMS

**BHS Final Exams in Progress**

Please be aware that Balaklava High School students will be undertaking their final exams in the building just outside Rooms 6 & 7.

Some of these exams will continue beyond the end of the school day, so we kindly ask everyone to keep noise to a minimum in this area.

We would appreciate all pick ups during this time to be on the other side of the school on Wallace Street or via the Basketball court.

Your consideration and support are greatly appreciated by the Year 12 students and teachers from BHS as they complete this important milestone!

# ROOM 6 & 7 HEAD TO THE ZOO!

**A Wild Day at Adelaide Zoo!** 🦁🐒🦒
Last Thursday, our Reception and Year 1 students enjoyed a fantastic day exploring Adelaide Zoo!

The excursion was a wonderful opportunity to extend our classroom learning about animals and their habitats. Students loved seeing a variety of animals up close, observing their unique features and learning more about the wonderful wildlife in our world.

There was plenty of excitement, curiosity and lots of walking as we made our way around the zoo! It was lovely to see the students sharing their knowledge, asking questions and enjoying the experience alongside their friends.

We were incredibly proud of the way our students represented Balaklava Primary School throughout the day.

A huge thank you to our wonderful parent volunteers and staff who helped make the excursion such a successful and enjoyable experience. We couldn't have done it without you! What a fantastic day of learning, exploring and making memories! 🐾

# BER 3 GET *creative*

The students in Ber 3 traced their hands and cut the hands out to make a picture. This incorporated creativity and fine motor skills. Some of the creations were; butterflies, ice creams, fish, lions, ducks and strawberries.

# SAPSASA Athletics at Adelaide

I was in one event, shotput, but it was a good one too. I had to go to the shotput area when it was time. There were a lot of people that were there too. We got to do some practice shots (one each by the way). Then it was time to throw. About 5 people were before me. After that it was my turn.

I got to the ring and shuffled my way back because I do a shuffle throw. I shuffled up and threw it far. It was 7.89 metres and it was the furthest throw yet. It was a PB (personal best) and no one threw further. Then it was the next throw and I threw less than my first one. But still no one threw further than my first throw. It was also the same with last throw so, I ended up being first.

I got handed the score sheet and I had to run to the score checking area with the second and third people. The people checked it and said it was correct so we headed to the podium. They said to sit in some seats until it was our turn to go on the podium because there were two groups in front of us. Then it was our turn to go on the podium and I stepped onto the first spot and got my medal. Once we finished headed back to my mum and we left after a few photos. - ***BY WYATT***

Wednesday 2nd of September was my third year going to SAPSASA Athletics in Adelaide so I pretty much knew what was going to happen. I was still nervous because I am pretty shy when it comes to talking to random people I have never met before. When I got there, I got changed into one of the Mid North tops and got my photo taken. I waited another 30 minutes untill my event. My event was shot put. I ended up coming 2nd and got a medal. I watch the sprints and then I left to go to Yochi. ***-Lacey***

On the 2nd of September I went to athletics and raced in 100m, 800m and relays. My 100 metres it was really hard but I did well. My relay team didn't place but we tried hard. In 800m I held second place the whole time until I got passed. Then I was in fourth but then I ran even harder so I could get to third. At the end of the race I came third and got a medal. I had a great day. ***- Nellie***

# SAPSASA Basketball at Adelaide

On Friday 23rd October 2026, SAPSASA basketball was held at Wayville in Adelaide.

Our first game was against McDonald Park at 9:45 am. Each game had two 10-minute halves. It was a close game, but we didn't win. Our second game was against Faith. It was close again, but this time we won.
In our third game, we played Loxton. We took an early lead and were up by eight points, but they caught up. It was close again, but we managed to win by a few points.

We qualified for the finals and played against the team that finished first in Group A. We lost, so we couldn't play in the grand final, but we still had a chance to finish third.

We started the third-place playoff well, but slowed down in the second half. With nine seconds left, the difference was only one point. Fletcher was double-teamed and the other team stole the ball and scored. There were three seconds left, but the timer kept running. We lost the game and finished fourth. Thanks to Grant and Leigh for coaching and the parents for scoring our games. ***— Jett***

# SAPSASA Cricket at Adelaide

On Tuesday of this week 2 students from BPS, Patrick Pearson and Jett Wright represented the school in a combined Balaklava and Clare team at a SAPSASA cricket tournament held in Clare.
Two games were played, both at the town oval.

The first game was against the Clare2 side and we batted first and managed a reasonable score of 2/58 after our 20 overs with both Patrick and Jett batting solidly retiring not out after their 5 overs and both getting the opportunity to return to the crease before the allotted 20 overs. Unfortunately, our score didn't prove enough as the Clare2 side proved a strong batting side winning the game with a score of 4/78. Both Patrick and Jett bowled accurately for their 3 overs producing only 2 wides between them.

The second game was against Burra who kindly loaned us 2 players to even up the teams. In bowling first, we limited Burra to a score of 2/45 after the 20 overs and after losing early wickets, being 3 down for 7 runs in the first 3 overs, the writing looked on the wall. However, thanks to some heavy hitting from Patrick, who scored 19 runs before retiring, our team put on 23 runs for the next wicket. At 4 for 40 and with 7 overs to go, the Burra team produced some excellent bowling and fielding to restrict our scoring opportunities with the winning run being scored by one of our fill in Burra players in the last over, with just 3 balls to spare! Our winning score being 5/46, a win by 1 run!

This exciting finish summed up what was a good day of cricket where both games were played in a positive manner with players from all teams being friendly, supportive and encouraging of each other. Thanks goes to parent Les Pearson for helping out being our coach and umpire on the day.
